Beloit Relays Run in Rain; Season Ends

Trackmen Lose to DePaul Earlier in Week; Harrison Stars

The Techawk tracksters closed their season in a rainstorm at the Beloit Relays last Saturday. Their spirits were further dampened by their failure to crash the charmed circle of point-winners.

Arnie Harrison was late to start the broad jump. As a result his jumps were hurried and not up to his usual standards. Chandler Sammons continued to experience difficulty in the shot put because of having lost 25 pounds recently. His throws were five feet under his best efforts.

Last Thursday the Tech thinclads lost a dual meet to DePaul university by the narrow mragin of 65½ to 61½. Largely because of Harrison, who scored 27¼ points, Tech won eight of the 15 events.

Harrison compiled his huge point total by winning five events, running the anchor leg on the winning relay team, and placing third in the discus. His five victories came in the 100 and 220 yard dashes, the 200 yard low hurdles, the javelin, and the broad jump.

Other Techawk winners were Jim Sauer in the 880 yard run and Ed Lindahl in the mile run. The first three legs of the Tech mile relay were run by Sauer, Dave Miller, and Eric Paulsen. Lindahl added a second in the two mile and a tie for third in the high jump to score 8½ points.

Second places were also earned by Dick Durand in the mile, Miller in the high hurdles, Bill Cahill in the half-mile, Ralph Hines in the high jump, and Sammons in the shot put.

As the season' closes it is only fitting to remark upon the fine job done by Coach Roy McCauley. At a school noted for the obstacles presented to its coaching staff, McCauley has had more than his share of difficulties.

Devoid of a track for half the season, missing most of the equipment necessary to a track team, and in spite of losing many of his better performers to Saturday classes, injuries, probation, and unusual circumstances, McCauley has patiently developed the material at hand.

Wth an optimistic eye toward the future, McCauley is planning a fall track team and a cross country team. This fall training is necessary if the student engineers, who habitually keep late study hours, are to compete successfully with men from other schools.

All team members are reminded of the dinner party to be held at Coach McCauley's home this coming Sunday.

As the semester draws to a close, I would like to express my appreciation to the fellows on the sports staff for their faithful help in covering the various sports events on the campus. Ken Thompson, the news sports editor, did a fine job as assistant editor this term. On the varsity sports scene, track was written by Bob Sutton, Jim Wangersheim covered baseball, and Cliff Nelson handled swimming and golf. Intramural basketball and softball was done by Larry Shapiro. Jake Dumelle handled bowling, and he and Dave Miller both did special events as they came up. All of them did a grand job . . . thanks a lot, fellows.

Paul Hermann, who has charge of sports publicity for the Institute, was always willing to help out, regardless of how busy he was, and he certainly helped me out immensely. I wish him loads of success in his new plans.

In the varsity sports picture for the next season, things look pretty bright. The tennis team will be back intact, and Paul Hermann will return to coach the team. The swimmers will only lose one or two men from the entire squad. The other squads will also have a good share of returning lettermen.

Now that a new gym is being put up, athletics should be on the upswing. However, there are a lot of conditions in the athletic situation that need decided improvement.

Intramurals need to be expanded greatly, not only in the softball and basketball, etc., but in the other sports, such as volleyball, handball, tennis, to mention only a few. Along with such a program should be the opportunity for the beginner to get instruction in the games. These sports, begun in college, can be carried all through life as a constant source of recreation.

Varsity sports also need some stimulation and encouragement. An Athletic Conference of a suitable type as mentioned in this column before, would provide such a stimulation. I hope that the idea can be kept before the school next year until a suitable conference can be joined or formed.

Ogden Field is another sore spot among both varsity and intramural participants. The field just is not big enough to accommodate any kind of increased outdoor athletic program. As far as I have been able to determine, there are no immediate plans to provide the new field which is included in the building plans. Especially with the increased enrollment, a new athletic field should be one of the first things on the new program.

In closing, I want to wish Ken Thompson success in this job next year, and I hope he keeps hammering away for a bigger and better athletic program at Illinois Tech.

Tech Golfers Lose Two, Two Matches Left in Season

The Golfers lost to North Central 1½ to 10½ last Thursday, and then lost to Western Michigan 0 to 12 on Saturday.

Next Saturday the team will have a six man match with Northern Illinois State Teachers at Hickory Hills. June 13 the Techmen will have their final match of the season with Loyola at the Edgewater country club.

1947 GOLF SEASON

This season Jac Chamberlin won 20½ out of a possible 30 points and won 7 out of 10 matches. Vince Cleary won 15½ out of 33 points, and won 6 out of 11 matches. John Gailey won 14 out of 33 points, and won 3, tied 2, and lost 6 matches. Tom Harvey won 8½ out of 18 points, and won 2, tied 1, and lost 3 matches. Paul Kerby won 4½ out of 18, and won 1, tied 1, and lost 4 matches. Dave Felsenthal won 5 out of 12 points, and won 2 and lost 2 matches. Frank Blaha won 4 out of 6 points, and won 1 and lost 1 match.

Catch Sam Bibb and manager Ed Koncel are already looking ahead toward next season with great expectation. They are faced with the loss of only one of their squad. Jac Chamberlin, a top notch golfer, who has played the number one spot on the team all season will graduate this semester.

The manager said there is considerable talent on the second team and he expects that there will be keen competition among them for positions on the first team. The Techmen on the second team include Gene Rezabech, Warren Schultz, Dudley Budlong, Victor Totoroka, J. Boan, John O'Laughlin and Milton Zilis.

Pi Tau Sigma Forfeits To Phi Lambda Upsilon

The scheduled softball game between Phi Lambda Upsilon and Pi Tau Sigma failed to materialize last Tuesday, so the PLU team played a scrape up team, containing three Pi Tau Members, and lost 6 to 2.

Due to the rainy weather and late spring, the tourney among the departmental honoraries proposed by the Interhonorary Council failed to materialize. Plans are underway, however, to make athletics a part of the Interhonorary Council's program.

Expansion of Athletics Announced by Schommer; Glancy Added to Staff

Increased Enrollment Requires Addition; Glancy to Coach Basketball, Baseball, Handle Intramurals; Women To Get More Facilities

An expanded athletic program for Illinois Tech beginning next September was announced this week by Athletic Director John Schommer.

"Because of the rapidly increasing enrollment, additional help is required to adequately carry on the physical education program, which involves intercollegiate competition and intramurals," said Schommer.

"In order to help in this policy, Edward W. Glancy, who was formerly an ensign in the V-12 unit at IIT, aided in the Physical Education program, and was a well liked and able coach, has been added to the Athletic Department, effective in September. He will coach basketball, baseball, and handle intramurals," continued Schommer.

The development of intramurals is one of "Uncle John's" greatest dreams and desires, and this involves the participation of every student in some sort of athletic activity.

Plans for the new gym now under construction call for two basketball courts. Provision is also being made for the use of additional facilities for women students.

Plans for Women Students

The proposed arrangements at present for women students next fall call for the use of the gym by the women on Tuesdays and Thursdays from 11 a.m. to 1 p.m. They will be supervised by an instructor, and will have the use of the shower room facilities.

Glancy graduated from Manhattan College in 1939 where he played basketball and baseball for three years, captaining the basketball team in his senior year. His professional basketball experience includes one year each with the Worcester, Mass., Warcus team; the Saratoga Springs, N.Y., Indians; the Boston Goodwins; the Pittsfield, Mass., Golden Bears; and the Oshkosh, Wis., Allstars.

In professional baseball, Glancy spent one year in the Piedmont league, and two years in the New England league.

At the present time, Glancy is head coach at St. Raphel Academy, Pawtuckett, Rhode Island. Besides his Naval duty at Illinois Tech, Glancy is a veteran of Iwo Jima and Okinawa, and was the Acting Coach at M.I.T. during his assignment there in the V-12 program.

Pi Kaps Win Two To Remain Undefeated

Pi Kappa Phi knocked off Triangle 6-1 and the Daedalians 6-0 last week to remain the only undefeated team in the interfraternity softball race.

The Pi Kaps, who need but one more victory to retire the baseball trophy permanently will remain idle while Triangle, Alpha Sigma Phi, Daedalians, Sigma Alpha Mu and Phi Kappa Sigma battle it out to see who will meet the Pi Kaps in the finals. They all have one defeat.

Although outhit seven hits to six the Pi Kaps made the most of two Triangle errors grouping three of their hits with them to score four runs in the fifth inning. Ray Raftery of Triangle got three of their hits, two doubles and a triple.

John Pottenger pitched shut out ball for the Pi Kaps in their second game of the week beating the Daedalians 6-0. Backed by flawless support Pottenger allowed very few men to reach second and his shutout was never seriously threatened. Pottenger has allowed but one run in his last fourteen innings of pitching.

In the only other game of the week Alpha Sigma Phi soundly trounced Delta Tau Delta 20-4. The winner of the Alpha Sigma Phi-Triangle game this week should determine who will meet the Pi Kaps for the championship. Both teams have been beaten by the Pi Kaps in well played games and are stacked with hitting power.

Interfraternity Softball Standings

	W	L
Pi Kappa Phi	4	0
Daedalians	2	1

Alpha Sigma Phi Wins Interfrat Swim Trophy

Alpha Sigma Phi amassed a total of 45 points at the intrafraternity swimming meet last Wednesday to take the meet by a 22 point margin.

This was the first time since 1942 that the swimming meet was held. Only five teams entered—they were Alpha Sigma Phi with 45 pts. Pi Kappa Phi with 23, Phi Kappa Sigma 6 pts., Triangle 11 pts. and Theta Xi 5 pts.

INDIVIDUAL RESULTS:

40 yd. Freestyle—Dreflin, Alpha Sigs first; Barrows Phi Kaps second; Jacobsen, Triangle third; Deaman, Phi Kaps fourth.
40 yd. backstroke—Sachs Pi Kaps, first; O'Keefe Phi Kaps second; Sable, Alpha Sigs third; Dwright, Theta Xi fourth.
100 yd. freestyle—Dreflin, Alpha Sigs first; Skulski Triangle second; Verre Alpha Sigs third; Stueber Phi Kaps fourth.
200 yd. freestyle—Sable Alpha Sigs first; Brown TX second; Nelson Alpha Sigs third; Stueber Phi Kappa Sigma fourth.
40 yd. breast—Sachs Pi Kaps first; Hottinger Alpha Sigs second; Zietz Phi Kaps third Dwight TX fourth.
Medley—Alpha Sigs first; Pi Kaps second; Phi Kaps third; Triangle 4th.
4 man relay—Alpha Sigs first; Phi Kaps second; Triangle 3rd, Pi Kaps fourth.
Individual Medley.—Sachs Pi Kaps first. Hottenger Alpha Sigs second; Sable Alpha Sigs third; Stueber Phi Kaps fourth.
