The goal of Pervasive Training is to provide...

1. Easy to access via phone, computer, PDA etc. Anyone who owns a license can use it!
2. Tailored to your needs to help you prepare for your career.
3. Cost-effective and Time-efficient

Pervasive Training combines collected data with training nuggets to provide you with a resourceful platform to rely on for professional growth.

A field-tested prototype that works and provides the required functionality.

IPRO 317 would sincerely thank Prof. Stanard, Jessica Sergent and Megan Wheeler for their constant guidance and support that helped IPRO 317 accomplish its defined goals.
