Through the use of indigenous knowledge systems, the Learning Co. will create a unique and appropriate architectural language with social connection in a climate of transition.

Improve Lives through Literacy.

4.0 Conceptual Development

Oral traditions are not just oral recitations, they are performances. In this regard, context is as important as content. In symbolic and idiomatic languages, they explore the fundamental issues of life.

LITERATURE + LITERACY

TRADITIONAL VILLAGE LEARNING PERFORMANCE

CULTURAL PRECINCT

5.0 CULTURAL PRECINCT

Lekgotla

The first democratic elections in South Africa took place in April 1994 and marked one of the most dramatic periods of political and social transformation in recent history (Examble 2003).
