

TECH BASKET PFD. DROPS 3 MORE POINTS

Ticker Shows Armour Again Suffers Loss

Armour's basketball stock took another jolt downward last Thursday night when the De Kalb Normal scored a 25-22 victory over our cagemen. It was just another one of those hard fought games with the prospects still appearing to be bright until the final second.

De Kalb Leads Armour at Half

At the half Armour trailed by a sixteen to ten count. De Kalb kept Armour at bay during this session; they had an edge over the Kraftsmen both in floor performance and marksmanship.

The game was scarcely in progress 14 minutes when "Augie" Augustine was forced to take the bench because of having committed four personal fouls. The loss of "Augie" seriously weakened Armour's defensive strength; it was after this period that De Kalb commenced increasing the lead over the Armourites until there was a difference of six points in the two team's score when the first period ended.

Armour's last minute fight, earning three points, was unflinching and showed the pep that the team has been lacking in the other games. The defensive strength was almost air tight while their offensive was successful.

Ott sinking a long shot in the closing minutes of play intensified the neat of the contest as Armour staged its last attack for the lead.

Captain Manz's, Simpson's, and Rossini's sharp eyes greatly benefited the team while Augustine's, Goodheart's, and Carlson's guarding was well re-inforced. Ott and Rutkowski took their stand in the last half and served well at their positions.

S.K.D. Trims Phi Kaps In Fraternity Games

The Sigma Kappa Delta aggregation humbled the Phi Kappa Sigma quintet Monday, in the second round of the inter-fraternity basketball contest, by a score of 19-11.

The S. K. D.'s showed that they meant business by not allowing the Phi Kap's to take the lead during any part of the game. The Phi Kaps did not score a point against their flashy opponents until late in the second quarter. The score stood 6-2 at the half with the S. K. D.'s ahead. Ross was the leading point man for the victors with two baskets and a gift toss to his credit while Smith of the losing quintet scored three baskets.

Those who represented the S. K. D.'s were Peterson, Ross, Kutteruf, Kramer, Gibson, Hindman, and Stehno. The following men played for the Phi Kaps: Hurley, Smith, Hendricks, Wilson, and Larkin.

Phi Pi's Down Theta Xi In Fast Exciting Game

The Phi Pi Phi basketball team defeated the Theta Xi quintet Monday in their second game of the tournament, winning by the score of 19-10.

The game, however, was not the walkaway that the score leads one to believe, but on the contrary was a fight from start to finish. The score at the half was tied at eight apiece, most of the T. X. points having been scored by Pillott who sunk four gift tosses and a basket, becoming high point man for his five.

McArdle and Ott tied for the high scoring honors in the Phi Pi circle, with six points apiece. Jennings showed surprisingly good acquaintance with the ball by scoring five tallies.

Serson, Pillott, Schirmer, Fee, Rowley, and Gedelman made up the T. X. five while McArdle, Ott, Jennings, Stellar, and Cassidy composed the Phi Pi quintet.

"Y" Game Close, But Score Still Backwards

Last Saturday night, "Y" College handed Armour a 29-23 defeat in a fast game that kept the fans in suspense during the entire conflict.

The first half was somewhat of a frustrated affair that ended 17-10 in favor of "Y" College. On the opening of the second fifty-percent, Armour began taking things seriously, and commenced sinking baskets from all angles of the floor until they had twenty-three points chalked up in their favor.

At this stage of the game, the Tech boys were commanding all the respect that the onlookers had to offer, for they were completely out-pointing and outplaying their opponents. Ott's long shot from the center of the floor, together with counters from Simpson and Manz, were among the team's most striking accomplishments, but in spite of all the effort being displayed toward the end of the game, their bad start cost them a victory.

We know, for instance, that when you say, "I like mild cigarettes"—you don't mean it at all. You really mean (dinna be fash, now!) that you like the full and free taste of good tobacco, smooth enough to be classed as mild, but not so mild that the flavor and richness get lost. Isn't that so? Then, you'd "rather have a Chesterfield," and the sooner the better.
