LAKE FOREST WINS SECOND ANNUAL ARMOUR INVITATIONAL TRACK MEET

Seven Meet Records Broken In Field Events and Distance Runs

NELSON BREAKS HURDLES RECORD

The Second Annual Armour Outdoor Invitational Track Meet has passed into history. During the meet seven new records were established and one existing record was equalled.

The final outcome of the team standings hung in doubt until the last event was completed. Loeffler of Lake Forest put all he had into one last heave of the javelin to beat Schroeder of Milwaukee State Teachers for fifth place in this event and to throw the Teachers out of first place in the rankings and win for Lake Forest.

The final standing was therefore Lake Forest first wth 73 points, Milwaukee State Teachers, and North Central tied for second with 70 60. Elmhurst cinched fifth place by 2nd, O'Neill (L); 3rd, Ruhl (E); scoring a total of 49 points. The former broke his own previous meet record for the discus. and that of his former team-mate Van Horne in the javelin throw. Hess clipped 1.2 seconds from the record for the 880 formerly held by Teitelman, of Chicago and 3.4 seconds from the mile record of O'Neil, Loyola star.

Dreusenke of Elmhurst added several inches to the broad jump record of Gutekunst of Concordia.

Brefford of Chicago Normal cleared the bar at 5 ft. 10½ in. in the high jump, breaking the record established last year by Walsh of Loyola.

The pole vaulting of Cash, Elmhurst athlete, gained him a halfinterest in the record formerly held individually by Keich of Y. M. C. A. College.

Jens Ties School Record

Last but not least two Armour runners broke one long-standing Armour record and tied another. George Nelson broke the record held by O. M. Spaid since 1924 when he stepped over the low hurdles to win in the fast time of 0:26.2. Incidentally this was Armour's only first place.

A. Jens tied the Armour record record of 10 seconds flat when he won his second trial heat in the 100 yds. dash. The record is now held jointly by McKarahan '09, Tierney '17, Spaid '24 and Jens '31.

Armour Tennis Team Loses to Valparaiso

Valparaiso College chalked up a 6-3 victory, against our netmen on Monday, April 27. All of the matches were extremely hard fought but Armour could not quite hold their own against the steady playing of their Stehmo Strikes Out 15; opponents.

The results seem to show the necessity for more practice. In three of the four singles matches lost, the first set was won with comparative ease by the Armour men, only to have them fold up and go down to defeat. The soft courts which the men were obliged to play on may have influenced this to some extent. Schirmer and Cone were the only men to win their singles matches.

Captain Eddy and Schirmer took the doubles match quite handily, but Timmermans and Graham went down in defeat after having won the first set. Cone and Streb, two new men, lost their first set, but came back with a spurt of fine tennis to take the second. They were unable to keep up the pace, however, and were nosed out of the honors in the third and final set.

Y. M. C. A. College will be the host to Armour's tennis men on May game, for Y. M. C. A. College was not played last season.

The strong Lake Forest team will be met on their home courts on May 9. In the records of the matches for last year we find a 5-2 victory chalked up for Armour against this

Three of the five matches were accounted for by Captain Eddy and Schirmer who won their singles matches as well as the doubles match. With these two men back this year the team will have more than an even break if some of the new men can come through as Cone did in the

Against Wheaton

Mr. Lynch, Coach Krafft's new pitching ace will again be called on to do his chores when Armour faces Wheaton College at Wheaton this scoring Young and winning the game. afternoon. There is some possibility that Chief Stehno will take over the hurling job, but no confirmation to this latter report has been received. | Moskowitz, s

For the present Lynch will be Pepe, rf called Mister Lynch as a change in name such as Stehno has received will perhaps be more appropriate when he performs some unusual deed on the baseball field. His striking performances in the last two games he pitched seems to indicate that a prefix will soon be attached and let's hope it may be as emblematic as the word "Chief".

Armour's opponents in this afternoon's game have been considered as one of the weaker teams on the schedule. This opinion of them, however, has been altered, for Wheaton has made surprising improvements in their team. Their recent victory over | Brunette, s Lake Forest stamps them as being a Parker, c team whose rating may be on par | Johnson, rf with that of Tech.

At times this apparent right disadvantage resulted in a blessing, for a short fly ball to right field would net Armour a two base hit. On other occasions the visiting team would be that gainer. This was especially true in the Western State game which Armour lost.

> Reports state that Wheaton has a poor infield diamond. If there is any truth in this statement, the task of defeating Wheaton will resolve itself into a difficult one. Armour's infielders have done most of their playing on a well rolled and smooth diamond and may not be able to perform with the same degree of excellence when they are obliged to pick the ball out of ruts.

> Good fielding, however, may not play the important part in the game, so Coach Krafft is concentrating on the hitting phase in order that he may bring home the news of another victory.

Tech Trackmen Whip Y College

Armour trackmen scored their third successive victory of the outdoor season on April 28, 73-52. At no time was Armour pressed by their opponents, "Y" College. The last year's seven point defeat was fully avenged.

Total points for the three meets show that Armour has garnered 233 while their opponents were picking up 138. A great number of the points were made by the winning of 31 out of a possible 41 first places with not quite as much support in the other places as might be expected.

This meet was very unusual because of the short length of time necessary to run off the events, the battle raging only between the hours of 3:00 and 4:30 P. M.

Nelson was again the high scorer for Armour. This distinction was given him through the winning of first places in the low and high hurdles, broad jump, and high jump. "Y" College had no entries in the high hurdles, Nelson and Oberbeck being awarded the first and second place honors respectively.
