Michalski pounded out his homer in the second inning, scoring Stehno, who reached first base on a single over second base. This pair of hefty wallops gave Armour a comfortable 3-0 lead which they enjoyed until the opening of the fourth inning.

A home run by Michaels in the fourth inning brought on the first tally for Ypsilanti. They added the second point on an error by Mago, which permitted King to score from third.

In the opening of the second frame of that inning Mago redeemed himself with a single to right field and scored on Stehno's home run to Federal street.

Michigan Ties Score

Armour came through with another point in the fifth inning to increase their margin by two scores, only to find Michigan State retaliating with the two tying markers in the sixth. Stehno's effective hurling, however, again took root. Michigan was held hitless and scoreless in the final three periods.

Chief Stehno retired five batters through the strikeout route in the final 3 periods and to set a fitting climax to the game he exacted the final strikeout against pinch hitter Bailey who helped to bring in the tying score from third base after two were out in the ninth inning.

Circus Week

Yes sir, this is Junior week and what a hummer of a week in athletics. Yesterday they played that ever exciting and interesting alumnivarsity baseball game and on Saturday the team travels to DeKalb for a contest with the Normalites.

All About Bill

We learned a deep dark secret last week when it was revealed that "Bill" Krafft, of both the baseball and basketball team, is the son of a minister. They tell us that he was quite an athlete at good old North Central. Every once in a while Krafft shows his boys up by pitching to them in practice. We have seen the great Stehno fan at some wide runs thrown by the same Krafft.

Do you know that it took Tech 24 innings to beat Wheaton in two games. Concentrated Hitting Is Big Factor of Win

FINAL SCORE—10 to 6

The Phi Pi Phi's have won another interfraternity baseball championship, their 13th in fact. In order to accomplish this feat they defeated the other finalist, the Sigma Kappa Delta fraternity, last Thursday, by score of 10 to 6. The game was featured by rather free hitting, the Phi Pi's were able to cluster their hits whereas the S. K. D. hitting was not concentrated. In all probability this was the determining factor in the winning of the game. The Phi Pi's scored their 10 runs on only 12 hits, whereas it took 17 hits to get 6 runs for the S. K. D's.

Phi Pi's Score First

The Phi Pi's got three runs in Finnegan walked and Carlson singled, scoring Owen. Another three runs came in the third. Hartbauer and Owen singled, Finnegan After this week the team has but was safe at first and Carison scored then sent Owen and Finnegan home on a single. Another run in the fifth on doubles by Finnegan and Carlson made the score 7 to 0.

The S. K. D's. came through with three runs in their fifth. Korrel singled and Landwer walked. Larson tripled through center, scoring

Sigma Kap's Fill Bases

Each team scored a run in the eighth. The Phi Pi's made theirs on a walk. After two were out Grundstrom walked, took second and third on passed balls and on another passed ball stole home. In their half of the eighth the S. K. D.'s had the bases loaded but could register only one run. Yuknis and Kutteruf singled, Timmermans was safe on first loading the bases. Eddy went in for Korrel and singled, scoring Yuknis. Landwer struck out and A. Jens flied out to end the inning.

Again in the ninth both teams scored an equal number of runs, each getting two runs to bring the score up to 10 to 6.
