

# Varsity Humbles Alumni Squad in Game of Errors

## All Tech Runs Garnered In First Four Innings

### FINAL SCORE 9-3

A comedy of errors featured in seven episodes provided Armour fan-doms with the amusement at the Varsity-Alumni game last Monday. The frolic terminated 9-3 in favor of the varsity squad and would probably have shown no increase in margin as Armour did all of its scoring in the first four innings.

Three successive errors by the Alumni in the first inning enabled Armour men to round the bases on two occasions. Another pair of errors in the second inning gave Armour the third run, thus enabling them to possess a 3-0 lead at the end of the second canto.

#### Lynch Hits 667

The margin was increased in dimensions again in the third inning when Omiecinski reached first on Kuehn's error and was followed by Michalski who singled to produce the first run. Young reached first after the Alumni attempted to execute a double play but failed miserably. Hits by Lynch and Pepe brought on three more runs, placing Armour in lead 7-0.

Jennings' single in the fourth inning paved the way for the veterans' scoring attack in the fourth inning. Kuffel, '27, contributed his base hit to score Jennings after Armour loosened up its defensive tactics. Lynch then walked Hoefler, '27, Schumacher, '23, and Rossetti, Ex. '29, to force the second run in, but stopped all further scoring when he confined Kuehn, '28, and Walk, '24, to fly balls, and retired Samuels, '24, with a strikeout.

Armour, however, lost no time in regaining the two runs. Mago opened the attack in the latter part of the fourth with a single. Galvani reached first when Rossetti took a ten second vacation before he decided to throw him out. Stehno then took advantage of the Alumni's erratic fielding by pounding the ball into the infield to score Mago. Lynch and Moskowitz each produced hits and boosted Armour's score to 9.

#### Schumacher and Samuels Star

Schumacher relief hurling coupled with Samuel's excellent performance in the first four innings was a feature in the game. Armour's varsity squad found themselves completely baffled with their eccentric twisters, straight balls and parabolic curves. Clare Robin, reputed as Armour's crack first baseman, essayed the role of pitcher in the final innings. The result of his short performance could not be improved, for he struck out all three men who faced him.

# Final Baseball Game Thursday

Armour's 1931 baseball activities will come to a close this week when the squad faces DeKalb Normal at Ogden Field this afternoon, and Lake Forest College at Armour on Thursday.

Thursday's game will mark the last appearance of Robin, Mago, Pepe, Michalski, O'Connor, Stehno, and Link, the seven main stays of this year's team. Regardless of the outcome of these two games, Coach Kraft can well boast of a successful season, and, incidentally, the ninth consecutive season in which the number of wins exceeded the losses.

The game with Lake Forest will undoubtedly tax our players to capacity if they expect to emerge victorious. Lake Forest held our men to an overtime period in the last game before they finally submitted to a defeat, and appear to be as strong and capable of making the going just as hard this time.

Kraft's selection for mound duty is Stehno. It was Stehno's good arm that held Lake Forest at bay while his teammates produced the winning run in the game of April 22, and if fate exacts no cruelties Stehno's hurling will again be looked forward to.

The plight of the DeKalb teacher's team is one of the mysteries that Kraft has to solve, although he did test their relative strength last Saturday. DeKalb has defeated and lost to exceedingly good teams. They have likewise lost to weak teams and have also scored decisive victories. Judging from the results of their baseball adventures, the only prediction worthy of mention is that the season's semi-windup will provide Armour fans with a bit of spectacular baseball drama.

Although DeKalb may cause Kraft to express some uncertainty of the outcome, he is exercising most of his efforts on the coming Lake Forest game, hoping to put on a fitting climax to the 1931 season.

## Fraternities Advance In Golf and Tennis

Final matches in Intrafraternity golf will be played on Wednesday, May 27. The contenders for the honors are Phi Pi Phi, and Phi Kappa Sigma.

The greater share of the week in the golf matches was done on pencil and paper for only three matches were played up to the finals. The other victories were awarded because of defaults.

Phi Pi Phi won the right to meet Phi Kappa Sigma by winning from Kappa Delta Tau and Sigma Kappa Delta on defaults and overwhelming Delta Tau Delta by a match score of 3-0 in the semi-finals. Delta Tau Delta had formerly been awarded the victory over Alpha Mu because of a default.

Phi Kappa Sigma beat Rho Delta Rho, 2-0. Beta Psi defaulted to the Phi Kaps, after which Triangle was defeated 2-1 in the semi-finals. Theta Xi had formerly defaulted to Triangle.

Intrafraternity tennis has progressed quite rapidly in the last two weeks. The winners of the Sigma Alpha Mu, Delta Tau Delta match will play Beta Psi in one semi-final while Rho Delta Rho plays the winners of Triangle and Phi Kappa Sigma.

Phi Kappa Sigma has not played any matches yet, so their strength cannot be estimated. In first round play they were awarded the victory over Kappa Delta Tau because of a default. Phi Kappa Sigma will also be their first competition.

Theta Xi went down before the onslaughts of Rho Delta Rho by a score of 2-0. Milevsky handily defeated Manson, 6-1, 6-1. By a great uphill battle Cannell defeated Ellis 0-6, 6-4, 6-1.

Beta Psi came through with a 2-1 victory over Phi Pi Phi while Sigma Kappa Delta lost to Delta Tau Delta by the same score. In the last matches each fraternity won one single, but Beal and Streb had little difficulty in defeating Timmermans and Richter, 6-3, 6-2.

## Armour Second In Track Meet

Four teams, namely, Milwaukee State Teacher's College, Armour Tech, Whitewater College, and Y. M. C. A. College engaged in a quadrangular track meet at Milwaukee on May 16, and finished in the order named. The Teachers easily won the meet, placing in every event and slamming the javelin throw to score a total of 90 1/3 points. A. I. T. and Whitewater staged a hot battle for second place with Armour, finally making the grade by virtue of second place in the 1/2 mile relay. Armour—33 1/3, Whitewater—33. Y. College of Chicago trailed in last place with 7 1/3 points. Milwaukee was in great form scoring 11 first places out of 15. The Teachers also won the hammer throw, an event which was not counted in the final standings.

Armour, led by the stellar Nelson, placed men in all the track events excepting the one mile run. But in the field events Armour was woefully weak, taking only one second place, two third places, and gaining one three way tie for fourth place in this section of the meet.

Nelson clipped 0.2 seconds from the Milwaukee track record in his specialty, the 220 yards low hurdles.

## ARMOUR WINS AND LOSES IN TENNIS DURING THE WEEK

Armour Tech's tennis team defeated Lake Forest College last Monday afternoon at the Armour tennis courts, by a score of 4-3. The teams again were handicapped by a strong wind, making good tennis almost impossible.

Captain Eddy lost to Perce of Lake Forest, the score being 3-6 and 2-6. Schirmer came through with a win to tie up the meet, defeating Dixon of Lake Forest by 6-3, 6-0. Streb put our team ahead when he defeated Maiman of Lake Forest, winning easily, 6-1 and 6-2.

The meet was again tied up when Timmermans lost to Price by 3-6, 6-8, but Paine won his to again put Armour ahead when he defeated Skong of Lake Forest 6-1, 2-6, and 6-1.

In the doubles Armour won one match and Lake Forest took one. Schirmer and Timmermans defeated Price and Maiman 6-3, 6-1, but Eddy and Streb lost to Dixon and Perce of Lake Forest in a three set match, by 2-6, 6-3, and 2-6.

The Tech tennis team lost their second match with Valparaiso last Wednesday by a score of 4 matches to 5. Several times they had point matches but were unable to follow up the advantage.

## Nelson Takes First Place in Pentathlon

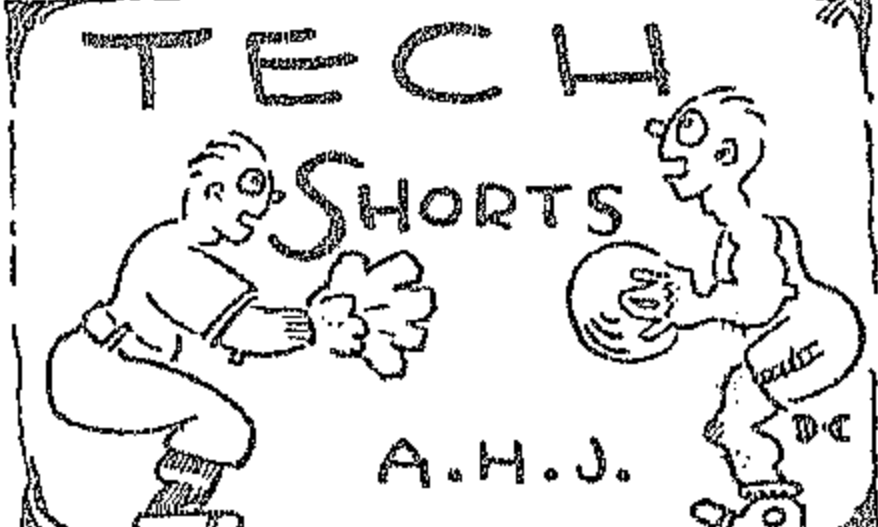

Last Friday, Circus Day, the interclass relay was won by the Junior team, composed of Venema, Lind, Rossing, and C. Jens, with the time of 1:06. The sophomores won second place without competition, the seniors and freshmen not putting in teams.

Phi Pi Phi, whose team consisted of Leichtenberg, Carlson, Giske, and Finnegan, won the interfraternity relay, with Triangle second, and Sigma Kappa Delta third. The winning time was 1:06.7.

Nelson, the frosh trackman, won the pentathlon with a total of 4387 points. According to points, A. Jens was second and James third, with 4036 and 4031 points respectively, but because of faulty timing in the half mile, they were declared tied by the junior marshalls. Sademan came in fourth, Setterberg fifth, and Hirsch sixth.

#### Farewell

This is the last issue of Tech Shorts that are to be written by the originator, A. H. J. At the end of this, the 57th consecutive presentation, you will find the name of the writer.

#### A Real Pleasure Indeed

Nothing at Armour has given us greater pleasure than to write the words for this column. We started rather modestly with only a few shorts but now the feature has extended to a full column. In the past two years many topics have been covered. The one thing that created the most discussion was the article on the death of Jim Kara. Although we intended to confine our writings to sport, many times we have diverted to other topics of the day.

#### Letter Athletes

To get on with the shorts for the week, we list here the men of the graduating class who were letter winners on athletic teams. An alphabetical listing is used:

- R. R. Eddy, Tennis
- H. L. Fox, Track
- D. J. Iverson, Track
- F. M. James, Track
- A. Jens, Track
- C. T. Link, Baseball
- C. C. Mago, Baseball
- W. M. Miran, Baseball, Basketball
- A. Montesano, Boxing
- S. A. Ott, Basketball
- F. Podlipeck, Track
- C. J. Robin, Baseball, Basketball
- F. E. Rutkowski, Basketball
- W. E. Schirmer, Tennis
- E. J. Stehno, Baseball
- R. A. Timmermans, Tennis, Track
- H. B. Weis, Golf
- S. E. Pepe, Baseball

Yesterday the second annual banquet in honor of the athletes of Armour Tech was held in College Hall of the University Club. Great credit must be given to Mr. Allison for arranging this affair; we sincerely hope that this will be an annual affair.

Do you know that Tech has engaged in a total of 17 track meets this year? Of these, five have been out-of-town meets.

#### Tears

And so we come to the end of our string. We cannot continue any longer as columnist because we are to be graduated. We must therefore say good-bye to our readers. However, before we close may we wish our successor the same good fortune that we have enjoyed. To fulfill a promise we new reveal that our name is Arthur Henry Jens.

## LATE SPORTS

The baseball team won its tenth game of the season last Saturday by defeating De Kalb, 7-0, at De Kalb. "Chief" Stehno pitched the best game of his collegiate career by allowing the opponents only one scratch hit, while striking out ten men.

Moskowitz and Link starred for Tech in hitting. The former knocked out a triple and two singles, while the latter hit a double and a single, in four times at bat.

Tech's outdoor track team ended the 1931 season by winning its fourth meet last Saturday. By scoring first place in six of the twelve events, Armour won the eighth annual Sears-Roebuck Y. M. C. A. track meet with a total of 56 points. Sears-Roebuck was second with 36 points and Concordia college finished third

# TRIANGLES ANNEX TRAVELING CUP IN FRATERNITY MEET

## Beta Psi Place Second In Annual Track Tourney

### MAKE FAST TIME

The Triangle fraternity copped the interfraternity track meet at Ogden field, piling up a total score of 461 1/2 points. Beta Psi, who won the traveling loving cup last year, was a close second, with 41 points. Sigma Kappa Delta came third with 18 points and the Phi Pi Phis were fourth with 13 counters.

Frank M. James was the starter and Harold L. Fox acted as the timer. Due to the efforts of these men the meet was run off very smoothly and quickly, no time being lost between the events.

The Triangles were not slow in showing their class. They won the first six events in quick succession. Oberbeck and Lind starred for the Triangles, the former piling up 18 points and the latter assisting with 12 markers. Oberbeck took firsts in the 100 yard dash, the 100 yard low hurdles and the 100 yard high hurdles and he also took a second in the high jump. Lind won easily in the distance runs coping a first in the mile and half mile and also placing third in the high jump. Rossing placed first in the 440 yard dash.

Beta Psi, again this year, presented a strong team. They piled up over half the points awarded in the field events. Setterberg won both the broad jump and the high jump. The discus throw was won by Jungles, Wagner took the pole vault and Staib placed first in the broad jump.

The Triangles started out with a rush when they placed first in the mile, the 100 yard high hurdles, the 100 yard dash, the mile, the half mile the 100 yard high hurdles, the 440 yard dash and the 100 yard low hurdles. Sigma Kappa Delta and Beta Psi were fighting for second place and it was not till the field events before the Beta Psi aggregation really started to add points in earnest.
