

TECH BASEBALL TEAM WINS OUT OF TOWN GAME, LOSES TWO GAMES ON HOME FIELD

Defeats Wheaton, League Leader, Second Time. Bows to Mt. Morris and Elmhurst Teams

FINAL GAME TOMORROW AT LAKE FOREST

| North Central | 3 | 5 | .375 |
| Elmhurst | 2 | 6 | .250 |

The past week proved disastrous to the Tech baseball team and practically destroyed all chances of a league championship for Armour this season. Last Tuesday, Mt. Morris upset the dope by handing the Tech squad a 9 to 2 defeat, after Armour had won the first game at Mt. Morris two weeks ago. The Tech men collected only six hits while the opponents garnered fourteen off of Buehne. Seven Tech errors also helped to add to the Mt. Morris score but the team refused to be discouraged and fought to the end. Tad Omiecinski was the only Tech batter to get two hits off of Potter, the Mt. Morris pitcher.

Loss to Elmhurst 5-1

Friday the Tech squad lost another home game, and this time it was Elmhurst that turned the tables in revenge for the defeat on its home diamond early in the season. Although the Tech men made less errors than usual, they could not hit and the Elmhurst pitcher got fifteen strikeouts to his credit and allowed only two hits. Vic and Tad Omiecinski both beat out infield hits to make up the Armour total. The Elmhurst team made ten hits and scored eight runs, five of which were scored on three runs plus, in the fifth inning. The Tech run was scored in the seventh frame when Young got a free pass to first, stole second, took third when the throw from the catcher eluded the man covering second, and came home after a high fly to right field.

The final game of the season for the Armour team will be played tomorrow at Lake Forest due to a postponement earlier in the season. The Tech squad should take a victory as a season finale, having beaten Lake Forest on the home diamond about two weeks ago and its standing may depend upon this game.

After losing two home games earlier in the week, the Tech baseball team travelled to Wheaton Saturday afternoon and defeated the league leaders, 5 to 3. Buehne pitched his second stellar game against Wheaton allowing only four hits and striking out eleven opposing batters. Earlier in the season he gave them only two hits.

Wheaton Rally Falls Short

The Tech men garnered two runs in the fourth, two in the fifth and the last one in the sixth inning. Although Wheaton scored an unearned run in the third inning, Buehne gave only two hits up to the ninth inning. In the home half of the ninth, Wheaton staged a rally in the form of a two base hit, a walk, a double steal followed by a strikeout, and a single which scored two runs. Although the next two batters were ably supported by the spectators, they humbly struck out when Bill bowled down, to leave the final score 5 to 3.

SADEMAN TO LEAD TECH TRACKSTERS FOR NEXT SEASON

Armour's 1931 outdoor track team coached by A. A. Stagg, Jr., had a fairly successful season considering the bad luck the team has experienced in the way of injuries. The Tech trackmen won two meets and lost only two meets while breaking two school records against some very high class competition.

The team was unusually handicapped on and off throughout the season because of injuries suffered by three of Armour's track stars and high point men: Captain Jens, Nelson and Sademan. Nelson, sophomore star, was unfortunate enough to break his collar bone before the Armour relays and was not available for almost the entire season. Captain Jens tore his knee ligaments in the "Y" College meet and was out for the season. Elmer Sademan tore a thigh muscle in the Bradley meet to climax these misadventures.

Incidentally, despite their injuries George Nelson was the high point man for Armour with Elmer Sademan second and Charles Jens third. The events affected by their absences were the relays, all the sprinting events up to the half mile, the high jump and the broad jump. All in all, it can readily be seen that the Tech trackmen did remarkably well considering the circumstances.

Sademan Elected Captain

Elmer Sademan '33, was unanimously elected captain of the Armour track team for the 1933 season by his teammates after the Bradley track meet last week. Sademan has been a consistent point getter for Armour in the 100-yd. dash, 220-yd. dash, the 440-yd. dash, and the longer distances also. He scored 23 1/2 points last season and was second high point man this year with 60 points. Sademan also holds the Armour indoor record in the 440-yd. dash in 51.4.

Armour Golfers Beat Valparaiso

Last Wednesday, May 18, the Armour golfers succeeded in turning the tables on Valparaiso to the tune of 10 1/2 to 7 1/2. The last game was played at Valparaiso and the Armour men came home with the first defeat of the year.

The day was ideal for a golf match and all the men succeeded in turning in a fine group of scores, all in the low eighties with the exception of Johannisson who turned in the lowest, a 73. Captain Dave Pearson also turned in a fine day's work. He was ten up on his man at the end of the thirty-six holes.

Along about noon time Professor Bibb strolled in and contributed his share in the teaming handed Valparaiso by way of encouraging the boys to do their best. It is a wonder what a little added incentive can do to the spirits of a foursome that has just about covered the eighteen holes.

Armour's golf team added another victory to their string by defeating the Crane College team a second time. The Crane team was beaten by a score of 10 1/2 points to 1 1/2 points by the Tech squad last Friday, May 20, on Crane's home course.

Davidson of Armour had the lowest score of the match with an 80.

The Evergreen course has been the rendezvous of quite a number of Armour students there the special rates have been announced.

Golf Team to Meet Toledo U. Saturday

On May 28 the Armour golfers play their second game of the season with Toledo University, this time as the guests of Toledo. On Friday, May 13, the Armour lads defeated Toledo on the Evergreen course by a score of 11 to 7. Toledo University is a new opponent on Armour's schedule. This season, they were substituted on the schedule in place of St. Johns.

The Tech golfers will meet some very stiff competition at Toledo. In spite of the rather impressive score rolled up in the first match, it was one of the hardest fought matches of the season.

The present season has been the most successful in recent years. Under the able leadership of Captain Pearson the rest of the team, Johannisson, Weldon, and Davidson have been quite successful against most of the competition.

TECH SHORTS

Swan Song

We herewith present our thirtieth consecutive issue of the Tech Shorts written by H. P. R. (H. P. Richter). Since we have to leave school by way of graduation, we wish our successor the best of luck.

Armour's track team ended its season by losing the final outdoor meet to Bradley Tech at Peoria, 90-36. The most notable events of the meet were the record breaking performances of Stan Lind and Emmett Cordes, seniors. Lind broke the school record in the 880 yard run, held by P. S. Deivert since 1927. He ran the distance in the fast time of 2:00.9.

Cordes on his last throw of the season threw the javelin 157 ft. 10 inches to beat the old record held by D. Skaer since 1926 by one foot and seven inches.

Coach Stagg recommended that twenty-two men be awarded letters for the past season, eleven majors and eleven minors!

Sademan, 1933 Captain

E. E. Sademan, '33, was unanimously elected captain of the track team for next year. He holds school records in the 440 yard dash, one and two mile runs.

The tennis and golf teams won several matches last week. The golf team, coached by Professor Leigh, has only lost two matches all season. H. P. R.

Net Men Defeat Lake Forest 5-2

During the past week the Armour Tech tennis team in two meets won one with Lake Forest at Lake Forest and lost another by a close score to Wheaton College on the Armour courts. The matches with Wheaton were played in a wind and dust storm, and Wheaton eked out a victory by a 4 to 3 score. Strob and Armsbury accounted for Armour's three matches by winning their singles and doubles. On Thursday the Tech tennis team journeyed to Lake Forest and defeated that university five matches to two.

This week the Armour tennis squad has meets scheduled with Lake Forest, Wheaton, and Ripon.

DO YOU INHALE?

A frank discussion at last on a subject that has long been "taboo"

"LET sleeping dogs lie!" So said the cigarette trade when first we raised the subject of inhaling. But dodging an important issue is not Lucky Strike's policy!

Do you inhale? That question is vitally important... for every smoker inhales—knowingly or unknowingly. Every smoker breathes in some part of the smoke he or she draws out of a cigarette! And the delicate membranes of your throat demand that your smoke be pure, clean—free of certain impurities!

No wonder Lucky Strike dares to raise this vital question! For Luckies bring you the protection you want... because Luckies' famous purifying process removes certain impurities concealed in every tobacco leaf. Luckies created that process. Only Luckies have it!

So, whether you inhale knowingly or unknowingly, safeguard those delicate membranes!
