## Armour to Meet Michigan Normal

One of the most important games of the season is to be played on Thursday when Michigan State Normal plays the Armour Tech nine at Ogden Field. The Psi-lanti squad administered two scorching defeats to the Techmen last season but there are good reasons to believe that they will be up against a tougher proposition this year. The Michigan team has a persistent habit of making eighth and ninth inning rallies but the Tech squad hopes to counteract the habit this year.

**Techmen Win One**  
Last week the Tech nine lost to Chicago University at Ogden field by a nine to two margin. The opponent's lead was obtained through a number of errors committed by Armour men. Tad Omiecinski hit a beautiful home run over the right field fence. Vic Omiecinski clouted a nice two bagger.

The Armour - George Williams game last Thursday netted the Tech- of one thousand in league competition with two victories and no defeats.

The inexperienced Wheaton squad was unable to compete with the slugging Armourites. Lefty Mayer pitched his usual steady game, his only difficulty coming in the first few innings when he had a little trouble controlling the ball. Everyone had their day at bat, but Steve Lillis led in number of hits by collecting four singles.

The game was not, however, completely successful from the standpoint of the victors. Louie Begier, regular second baseman, wrenched in knee injury and is apt to be out of the lineup for some time. Lefty Mayer and Begier on the safes when he injured his ankle while sliding into third base.

## Tech Netmen Lose at Notre Dame, 6 to 3

Trying to play tennis in a thirty miles per hour gale on a cold day was too much for the Armour tennis team last Friday, and as a result they lost the first meet of the year to the Notre Dame University tennis players by a 6 to 3 count. The Tech men split the six singles matches three and three, but lost all three doubles matches.

This week finds the Techawk netmen playing the University of Chicago, Northwestern University, and De Pauw at Greencastle, Indiana.

**SUMMARIES**  
Singles: Armour (A.) beat Cannon (N. D.), 6-2, 6-2; Weldon (N. D.) beat Stroh (A.), 6-1, 7-5; McDonough (A.) beat O'Hanlon (N. D.), 6-2, 6-4; Kelly (N. D.) beat Lammers (A.), 7-6, 6-0; Walden (N. D.) beat Edenssen (A.), 6-0, 7-5, 6-1; Cleaver (A.) beat Seward (N. D.), 7-6, 8-6, 6-2.

Doubles: Weldon and Walden (N. D.) beat Armour and Stroh (A.), 6-2, 6-4; O'Hanlon and Kelly (N. D.) beat Lammers and McDonough (A.), 6-2, 6-2; Seward and Cannon (N. D.) beat Edenssen and Cleaver (A.), 6-2, 6-3.

men the fourth win of the season. Ed Baunel, veteran pitcher, pitched a one hit game. His tactics completely baffled the opposing sluggers. Mike Shewchuk played a good game in right field besides sailing a two bagger over the fence. Adams, and Lukas also gained two base hits with George Reed slugging out a triple.

## TECH SHORTS

Elimination has cut the long list of entries in the softball tournament so that the cream of the Tech indoor tournament will battle it out from now on. The standings are listed showing all the teams that have avoided two defeats:

W.	L.	Pct.
Meer	2	0
Sr. F. P. E.	3	0
Jr. E. E.	3	0
Soph. M. E.	3	0
Sr. C. E.	3	0
Sr. E. E.	3	0
Rosenman	3	0
Baer	3	0
Popper	3	0

### The Dope!

Last week's results show the superiority of the electricity boys, the seniors winning their argument from the junior chemists and the junior and sophomore teams smothering their outclassed opponents. The strong junior E. E. team, the last hope of the junior cause, has a breather booked with the Sr. C. E. outfit. After watching "Popper" Pflum and the rest of the Civil squad it looks as if the Civils will be out

of the tournament next Friday.

**Tuesday, May 1**  
1:00—Bodenmann vs. Popper.

**Thursday, May 3**  
Noon—Bacci vs. (Winner Bodenmann vs. Popper).

Sr. E. E. (10)	Jr. Ch. E. (6)
Soph. E. E. (11)	Sr. P. E. (10)

The hero of the week is Ed "Blow-out" Baunel the one-hit moundsman. The George Williams nine was the oblique victim of the pitching exhibition... but that isn't a slam... Lon Warneke, another good pitcher, recently set the more formidable "Big League" batsmen down with one hit, so.

The Tech track team received a blow last week when Don Neal, quarter miler on the team, had his leg punctured by a javelin. The javelin gouged quite a hole into the calf of his leg. It is understood that Don will not be able to run for two weeks. Tough luck Don!

The way tobacco is cut has a lot to do with the way Chesterfield burns and tastes

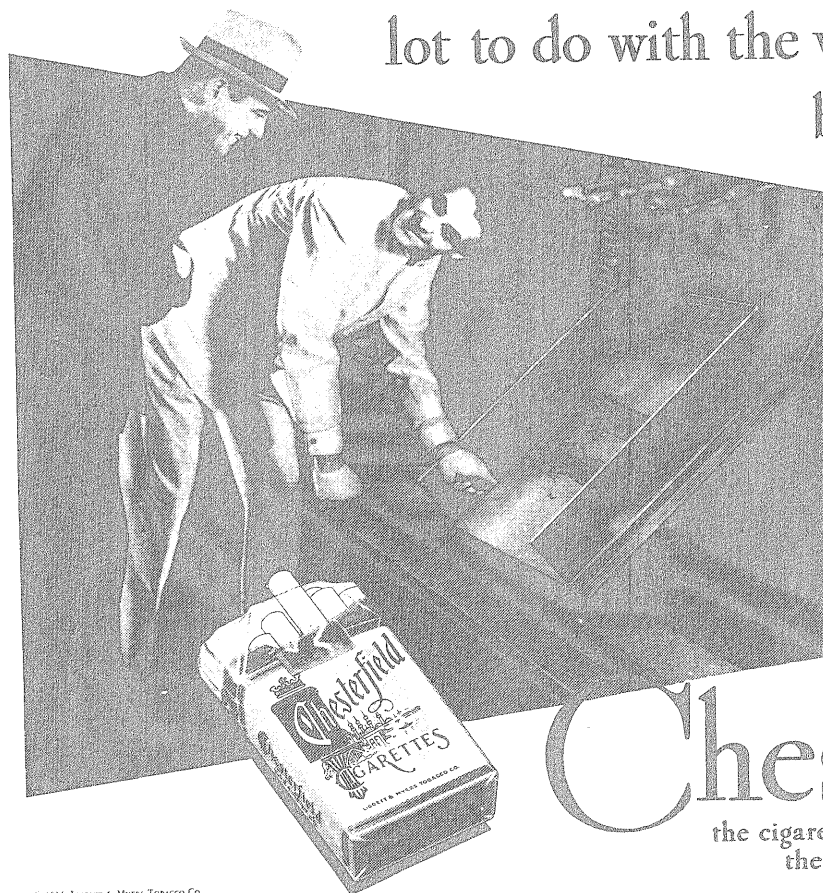

There are many different ways of cutting tobacco.

A long time ago, it used to be cut on what was known as a Pease Cutter, but this darkened the tobacco, and it was not uniform.

The cutters today are the most improved, modern, up-to-the-minute type. They cut uniformly, and cut in long shreds.

The tobacco in Chesterfield is cut right—you can judge for yourself how Chesterfields burn and how they taste.

Everything that science knows is used to make Chesterfield the cigarette that's milder... the cigarette that tastes better.
