WHEATON IN FAST
BASKETBALL TILT

Wayne University And
DePauw Fall Victims
to Techawks

11 WINS—2 LOSSES

Absorbing a ten point lead on their home court last Thursday, entirely too cocky, the Techmen went on to hand Coach Bill Kraft victory eleven in their thirteenth start. Gene Heike "held" to four baskets and three free throws led the team in their winning spurt in the last half, but he had plenty of help from big Bob Merz who turned in his season's classic performance. The husky center reported that a gripe on the referee accounted for his success.

The first half featured a cautious play after the refs had tagged, among others, Glover and Petersen of Wheaton for three fouls apiece. Levy, who started as a guard, rang up three in seven minutes. Armour really owes its win to its success at the pivot line in this free throw exchange. Sink-ing twelve, the boys doubled Wheaton's six gratis counts.

The lead see-sawed back and forth during the half with Wheaton finding up ahead 18-15.

The game really started in the second period. Page and Romein, Wheaton sharp-shooters, led their team in a super-scoring spree and before the Techawks could catch up this spirited team, they trailed 25-15. With the five regulars playing, Armour opened up. Free throws and field goals gradually ate up the lead while the home five lagged, and fifteen minutes after the half opened, Armour led, 30-29. Tech then went on to 36-30 as Merz plunked in a long beauty from the side; Christoph pushed in his jump specialty; and Lauchiskis scored from under the basket on a hot pass from Pop Warner at midfloor.

The Tech case rested with these efforts but Romein pushed in a long and Page dribbled in his sixth to put Wheaton close—but still behind, 36-34.

ARMOUR 33, WAYNE 32

The Tech cagers went to town again when they defeated Wayne on Feb. 12, by the close score of 33-32 in a colorful game which ended the Wayne-Armour series with two wins, no losses, for the Techawks. From the start of the game it appeared that it was to be a push over for the Techawks with Heike, who collected eight baskets and two free shots for the day's work, leading the scoring attack. Play in the first half was pretty slow and the period ended with a 16-12 score, a four point Armour lead.

In the second half the score was run up to 24-12, and Lauchiskis and Dollenmaier, suffering from colds, were taken out and not used until the last few minutes of play when it became necessary to use the regulars as the subs could not stand the Wayne onslaught led by Berris and Roth.

The green team tied the count at 26 and with three minutes to go led the Techmen 32-30. Here the invalids reentered to put the five regulars on the floor, and the spectators breathed more easily when Lauchiskis pushed in a basket and Heike counted on a penalty. The game ended with Armour in control and Pop Warner just leaving with his quota of personals.

Loyola Hands Tech Track Team
48-46 Defeat As Season Opens

The track team came darn near to a successful season start last Saturday, but they lost the opener, 48-46, to Loyola at the U. of C. field-house. Coach Stagg, recently operated on for appendicitis, was sufficiently recovered to be about and urge the team in their fight to jump that narrow lead, but the home team stopped at a close second.

With the point total at 34-46, the half mile relay team galloped away from the enemy—Neuert, Rigoni, Rosen, and Dunbar being assisted in victory when the third Loyola man spilled as he tried to pass the baton. Then Bert Thornton, frosh high jumper cleared 5 ft. 7 in. to add five more points in the final event, but Ornstien of Loyola tied Al Kulpak for second and Loyola was in.

By securing eight points to Armour's one in both the dash and the shot put, Loyola really cinched the meet. However, Armour has the satisfaction of taking six firsts to Loyola's five—what we need is more also-rans.

Faust, by a double win, was high with ten points; while Capt. Roberts picked up nine to take second scoring honors. Faust easily won the two distance events and Johnny took a first in the high hurdles, a shot in the lows, and a third in the short put. George Nelson stepped out to

ARMOUR 37, DEPAUW 31

Although hampered by the superior height and basket shooting ability of the De Pauw Tigers, the Tech basketballers rambled down the floor to a 37-31 victory in the Wentworth Armory on Friday, February 8. Heike led the scoring attack with eight counters and two gratis heaves. The Old Gold guns were Hickman and Kinnally, their nervy and efficient passing and shooting caused the Techawks no little worry and kept the score in the first half down to a two point lead for the home boys. It was Hickman's knack of forcing his opponent to foul him that partly accounted for "Pop" Warner's four "personals." The action throughout the entire game was plenty fast and it was only by a superb system of defense that the Armour cagers stopped the Tigers from making many spectacular baskets and upsetting the 37-31 victory which was scored by the Armour team.

BIG NITE FRIDAY!
TECH HOOPERS IN
SEASON'S FINALE

Gentlemen! Did you realize that the basketball team winds up its present schedule next Friday? Friday, the twenty-second of February? Washington's Birthday? The night of the Frosh-Soph Brawl? Bet not, and here the quint is closing its most successful season on record; eleven wins and two small, insignificant losses to date!! (press time)

Seriously, fellows, the Techawks might hit the floor Friday night with that win total boosted to thirteen—some team—and you won't see some of these boys again. Al Lauchiskis, the smiling gent that captains the team, is saying finis and you can bet that he will make the game worth remembering. "Springs" Christoph sings his swan song—and he won't sing off-color. Yessir, fourteen and two is a lot of winning basketball—why you'll remember Washington's birthday for the Indiana State Teachers-Armour Tech game of 1935!

What you should notice is the Friday Night item. 8:00 p. m., long before you are expected to hit the polished hardwood at the Bal Tabarin, the game begins. You and the young lady, or just you, can drop in the Armory and see ten men, garbed to rival the dashing of women, show you how to properly handle the pedal extremities on the floor. Then, as Armour fights, slips, gains and spurts to victory, tone up for a big nite—and raise the roof later at the Sher-

TECH SWIM TEAM
FALLS TO LOYOLA
IN TRIANGLE MEET

The Tech swimming team, in competition for the second time this year, collected 20 points against 29 for Milwaukee State teachers and 46 for Loyola, in a triangular meet held last Saturday at the Loyola pool.

Rog Knause who picked up a second in the 100 yard breast stroke, registered the best individual accomplishment for Armour. He was, however, well behind Brydenthall, Loyola veteran, who used the newly legitimized semi free style breast stroke to win in nice time, 1:11.

The first and set three pool records in assuring their victory. Cornelius, in the 50 yard free; Ertz, in the 100 free; and the relay team in the 150 yard medley event; were the record setters. The Armour medley team: Tallafuss, Knaus, and Moore; finished second to the fast splashing Loyola trio and looked good in so doing.

The Tech tankmen, in their new silk suits, were certainly the best dressed men in the tank but this distinction brought no points. Capt. Johnny Ahern, realizing this, stepped a bit out of his element to enter the diving event, and pressed the Milwaukee entry for second honors but took a third in the event.

The team, victorious earlier in the man.

Games in Indiana yesterday and today precede this, the grand finale, which is arranged especially for your benefit at the convenient hour by thoughtful John Humiston, basketball manager.

year over Wright Junior College, 40-35, will enter the tank again Feb. 27, when they meet the South Side Junior College at the South Side pool. A tentative engagement should get the boys a little practice before this if they meet the Irving Park Y Feb. 25, as proposed.
