

# ARMOUR GOLFERS BEGIN YEAR WITH BIG TEN MEETS

## Unsuccessful Against Northwestern and Chicago

### DEFEAT SOUTH SIDE

After being defeated by the strong Northwestern squad, the Tech golfers retaliated by beating the boys from South Side Jr. by the one-sided score of twelve to six. The contest consisted of two doubles and four singles matches played over the sporty eighteen hole course at the Southmoor Country Club. Contrary to custom, the singles and doubles matches were played at the same time, enabling the men to complete the match in only eighteen holes of play, instead of the usual thirty-six.

#### Ahern Cards Low Score

In the doubles Larry Davidson and Jack Shanahan of Armour were paired against S. Lucas and E. Prengoski while "Powe house Bill" Ahern and "Slaughterhouse" Bob Richards played against Jerry Litt and Frank Stormer of South Side. At the end of the first nine the Techmen were three points ahead but by dint of hard playing they finished up the eighteen holes with a lead of six counters. Larry Davidson turned in the lowest nine of the afternoon, with a 38, just two above par, while Bill Ahern won the day's honors with an 82. South Side will have a chance to get even when they meet the Armour golfers again in a match to be staged at Evergreen Hills on May 24.

Armour wasn't so successful in its encounter with Northwestern, played on the tricky Kildeer course, losing the medal points 27-0 and the match points 534-470. Bill Ahern turned in the lowest score of the Techawks which was beaten by every member of the strong Wildcat squad.

#### Lose to Chicago

Although primed for a victory by their success in their encounter with South Side Jr. on the previous day, the Tech golfers were unable to make much of an impression against the Maroon squad in a doubles and singles match played at Olympia Fields on Saturday, April 27. Coach Metcalfe's boys trimmed the Armourites by five points in the singles and nine in the doubles to garner a 14-4 win. Play opened with the singles on the tricky No. 1 course, with Ahern and L. Davidson heading the Armour contingent with 86's. F. Davidson and J. Shanahan followed with 90's. Larry scored three counters, Bill one-half, and Jack also one-half, the morning session ending with the score 5-4 in favor of Chicago.

High winds in the afternoon completely routed the Techmen and they were unable to secure a single point in the doubles matches. Larry and Jack turned in 87's for the afternoon's endeavors, with Bill and Bob Richards trailing with 95 and 94 respectively.

#### At Beloit Last Saturday

On last Saturday the golfers made a journey to Beloit, Wisconsin, for a match against Beloit College. The lineup consisted of Larry Davidson, Bill Ahern, Jack Shanahan, and Frank Davidson. At time of press the results were not known but it is to be hoped that they were successful in this, their fourth start of the season.

#### Revised Schedule

May 4—Beloit at Beloit.  
May 11—Indiana State at Terre Haute.  
May 14—Alumni at Southmoor.  
May 15—Wright at Big Oaks.  
May 18—Loyola at Southmoor.  
May 24—South Side at Evergreen.  
May 25—Wright at Southmoor.  
St. Viator at Bourbonnais, Ill.

Seeing all those beautiful awards last Thursday makes us feel for the Armour players. Practice, devotion, production; and what do they get? A few airplanes concocted by erratic Armour genius, and far from the merited attitude from the audience.

A big response for the week-end performance, "The Red Robe", should be the least we can award them!

## Baseball Starts Frat Spring Sport Events

With the indoor baseball tourney now fairly started, the fratmen are facing a stiff sports schedule for the remainder of the school year. All games will be played at Armour Square and teams are cautioned to compete on schedule because the field has been reserved for all games.

All pairings have been completed in golf and tennis and these sports are slated to begin by May 11. The final rounds in all fields will be completed by Junior Week when the spotlight will focus on the annual interfraternity trackmeet. The meet, a fraternity classic, consists of competition in all regular track and field events and, in addition, a four-man relay race. The tournament offers a great deal in the way of amusement (for the spectators) because most of the contestants are neophytes and their efforts are considered one of the greatest drawing cards of Junior Week.

Complete schedules for all sports are posted on the bulletin board in the main lobby.

## Armour Athletes Receive Awards

Awards for athletic prowess were presented to 35 at a special assembly last week which promises to become an annual affair. Among the twenty men who were awarded the major "A" were four seniors who received the new jacket award. Minor awards, Honor A keys, and interclass championship medals were also presented at the assembly.

Master of ceremonies for the occasion was Professor John Schommer, who presented Coaches Krafft of the basketball and baseball teams and Weissman of the wrestling and boxing squads.

Dean Heald, commending Armour's athletes and suggesting that more recognition should be given all students for their extra curricular activities also spoke on the program.

## SEVEN REMAIN IN SOFTBALL TOURNAMENT AS FINISH NEARS

### STANDINGS

Team	Win	Lose
Ch. E. 3	4	0
Ch. E. 4	4	0
M. E. 4	3	0
E. E. 4	3	0
F. P. E. 4	4	1
E. E. 3	1	1
Rod-Cans	1	1

The baseball tourney has finally resolved itself into a tangible affair. Of the nineteen starting teams, but the seven above remain. After this week's schedule has been run through, few enough teams to make the planned round-robin finish possible, should remain.

The Ch. E. 3 team, which lost the final match last year to the E. E. 3 team, is again at the top, and the senior schmiars are right beside them. Both teams have won their games by big scores, but a comparison is not possible since they have played different teams.

#### Seniors Rule Roosts

Completing the list of seniors dominating the top of the standings are the Mechs, Elecs, and F.P. teams, just the senior civils missing for a slam. The F. P. team had a big time last week, dropping the Ch. E. 2 and C. E. 4 teams from the lists, and giving the Jr. E. E. team an 11-9 loss. They have lost one game to the M. E. 4 team.

The Ch. E. 4-E. E. 4 game today means a loss for one unbeaten team and the Rod-can-E. E. 3 match tomorrow puts one team out. The survivor of this match will be tested again Friday, as both are tentatively booked against "tops".

#### THIS WEEK'S GAMES

Tuesday, May 7  
2:00—E. E. 4 vs. Ch. E. 4.  
Thursday, May 9  
2:00—Rod-cans vs. E. E. 3.  
Friday, May 10  
10:30—E. E. 4 vs. E. E. 3.  
1:00—Rod-Cans vs. Ch. E. 3.  
2:00—M. E. 4 vs. Bodnar's.

## TECHAWKS DEFEAT WHEATON IN FIRST BASEBALL VICTORY

### BOX SCORE

Wheaton	000	020	000	—	2	
Armour	350	030	40	—	15	

Playing the kind of ball of which they are really capable, the Techawks last week trampled on Wheaton to the tune of a 15-2 trouncing to finally enter the win column.

Kossuth, who was never in trouble except for the fifth inning when he allowed the two Wheaton tallies to cross the plate, was complete master of the game, fanning eight men while allowing only one base on balls and eight scattered hits. Four blank innings passed before the opponents got a hit.

Another pleasing feature of the game was Armour's clean-cut fielding, a clean slate for the day being marred by one infield bobbie. The Techawk's slugging came as a pleasant surprise, with everyone in the starting line-up but Shewchuk contributing at least one bingle to the total of 12 garnered off the com-

## HURONS SCORE IN NINTH TO DEFEAT TECHMEN, 6 TO 2

Adverse weather, and the Michigan State Normal squad, were too much for the Armour Techhawks last Thursday, and consequently they lost by a 6-2 score.

Armour was the first to break into the scoring column, putting two across the plate in the second, but that was all that they could do for the day. Adamec started the second by slamming out a two-base hit and Shewchuk singled, sending Adamec to third. Shewchuk stole second and Coggins, Normal pitcher, made a wild pitch which let Adamec score and sent Shewchuk to third. Beigler then laid down a bunt which scored Shewchuk.

Armour had the bases full in the third with two out. Omiescinski, Lauchiskis, and Adamec, were on base, and Shewchuk laid down a perfect bunt, but Normal was all set for the play, and they nabbed Omiescinski at the plate. The bases were all full of Armour sluggers in the sixth, but the best that Beigler could do was to hit into a double play. "Dapper Dan" Delve then struck out to end the inning.

Michigan State Normal concentrated their runs in the 3rd, 4th and 9th innings. They scored one apiece in the third and fourth, and bunched five hits to score four runs in the first of the ninth—enough to ruin Armour's ball game.

bined hurling of Stuart, who lasted less than two innings, and Erickson.

No time was wasted by Armour in starting the scoring proceedings. In the first inning Seidenberg tripled over the center-fielder's head and was immediately joined on base by Wagner, who walked and stole second. Omiescinski's hit, his first of three in five trips to the plate, scored both men. Tad himself scored when, after reaching third on a throw-in and an infield out, he astonished all five spectators by stealing home.

## Annual Spring Net Meet Under Way

And once again the spring tennis tourney looms on the horizon! This annual contest has had poor luck in years gone by, in that it seldom reached completion by the end of the school year. This necessitated holding the play-offs in the fall.

However, a spirit of optimism, nurtured by manager Searl, pervades the atmosphere this season. All games are already scheduled, and May 13 has been set as the date for the completion of the preliminary rounds. At this rate the elimination will be rapid and chances for completion of the tournament by June 8 are fairly certain.

Last fall the tourney was won by Arnold after defeating Bodnar of the Freshman class in a fast contest on the Armory floor. Prior to this, Tony Cieslewicz was victorious in the spring of 1934 and Mickey Lukas took the honors in the fall of 1933.

There is no need for a  
lot of whangdoodle talk  
about cigarettes  
—just plain common-sense

When you stop to think about your cigarette—what it means to you—here's about the way you look at it—

Smoking a cigarette gives a lot of pleasure—it always has.

People have been smoking and enjoying tobacco in some form or another for over 400 years.

Of course you want a cigarette to be made right. And naturally you want it to be mild. Yet you want it to have the right taste—and plenty of it.

In other words—you want it to Satisfy.

Scientific methods and ripe mild tobaccos make Chesterfield a milder and better-tasting cigarette. We believe you will enjoy them.
