

THIS WEEK'S GAMES

Wednesday, April 10
C.E. 3 vs. F.P.E. 3—10:30.
E.E. 4 vs. Bodnar's—2:00

Thursday, April 11
F.P.E. 4 vs. E.E. 3—10:30
Ch.E. 3 vs. E.E. 2—11:30
Ch.E. 2 vs. Bennies—1:00

Friday, April 12
C.E. 4 vs. F.P.E. 2—10:30
C.E. 2 vs. M.E. 4—2:00

Monday, April 15
Ch.E. 4 vs. Bodnar's—2:00

Tuesday, April 16
E.E. 2 vs. Bennies—1:00
Ch.E. 4 vs. F.P.E. 2—2:00

If any of the teams listed in above games suffer two defeats before they reach the last games scheduled, they can either compete in an unofficial game or forget it.

If the competitors in this tourney wish to play their games with reasonably usable balls, they must turn in the equipment immediately after every scheduled game. This rule holds without exception and the player accepting the equipment will be held responsible if the ball is still in play at noon after a 9:30 game!!

Another rule to avoid confusion: Balls knocked over the right field fence shall get the batter to second base (no home run!) and shall only score base-runners forced home!

Don't forget! If you can finish 9 innings in the scheduled time, it's a nine inning game; otherwise 7 or 5.

Results of Last Week's Games
M.E. 4 (18)—C. E. 3 (12)
Ch.E. 3 (6)—M.E. 3 (4)
F.P.E. 4 (5)—Frosh (1)
Ch.E. 4 (6)—M.E. 2 (4)
F.P.E. 3 (17)—C.E. 4 (7)
Ch.E. 2 (8)—Rodeans (3)

After three days of competition, six teams are at least half way out of the league. Both freshman teams lost their games—the green hats had better pick up if they hope to stick in the league.

The fireworks started when the big guns of the senior M.E. pounded out an 18-12 win over C.E. 3. 14-2 was the score at the first inning's close and that lively ball touched every inch of turf — but those under the fielders' feet. Hope the civils have lost the pop-up habit (including J. O. L.) . . . tsk, tsk, can they hit them high!

Swede Nylen gained the distinction of being the first S.O. victim, by the way.

The ball must have deadened considerably after the battering it took in the first game, for remaining scores are comparatively low —except the C.E. 4 game on Friday. The Civils and the junior F.P.E. fought to a 6-6 tie in seven innings, and in the ninth—bingo. A disputed third out, decided in favor of the F.P.E., was followed by ten runs. At least five balls passed through the arms of C.E. players, and some fancy heaves

BERRY, MARSHAL, ANNOUNCE PLANS FOR JUNIOR WEEK

Open House, Junior Prom, Class Rush, and Week's Features

MANY NEW AWARDS

Plans for Junior Week have been in preparation for the past few weeks and are rapidly nearing completion under the direction of William H. Berry, who was recently elected by the Junior Class to act as Marshal. The duties have been definitely decided upon as May 14 to May 19, the latter day, Saturday, being Circus Day.

Berry has chosen his assistant marshals to help him conduct the scheduled events in proper order. The five men who will serve in this capacity are Goddard, Stutz, Peterson, Brown, and Williams, while Charles Lamb, the Junior Class President, will be an honorary member of the committee.

A tentative schedule has been worked up, and in all likelihood very little change will be made upon the details of the program, which have not as yet been ironed out.

The plan calls for Open House on the evening of May 14, and a list is here given of the names of several of the men, though

GREETINGS TO "THE ARMOUR NEWS"

The establishment of this student newspaper is just another significant illustration of the spirit of progress at Armour. It is my earnest wish that its standards will be in keeping with that of our other publications, of which we are so proud. Whether or not there are enough happenings of note to furnish material for a weekly newspaper is the problem before us, and if the supply justifies the effort of publication, then all honor to the Board of Editors who have the success of this venture at heart.

To print a worthy and interesting news sheet commensurate with the standards to which we are accustomed is a responsible undertaking, and I wish here to assure the members of the staff that they shall have the heartiest cooperation of the authorities of the Institute in this new but justifiable student enterprise.

I shall keep a copy of this issue in the archives of the Institute along with our prized first editions of Institute publications. My best wishes to "The Armour News." May it have the loyal support of the student body and be as good as the best.

HOWARD M. RAYMOND,

President of the Armour Institute of Technology.

Initiations, Pledges Mark Activities of Many Fraternities

Many of the fraternities, both the social and the honorary, have been busy of late in pledging and initiating new men into their ranks. Reports have come from many of the houses and a list is here given of the names of several of the men, though

JUNIORS TO RUN BOILER TEST

Today the Junior Electricals will don their overalls and proceed to find the overall efficiency of the new Laker boiler installed at the Institute. Every pound of coal that is fed into the boiler must be weighed, as well as the water and ash. Gauges, thermometers, scale readings, draft indicators, and the flux gas analysis all contribute to the share of the responsibility of the cleaning of the boiler.

Faculty Members Enthusiastic Over New Publication

The establishment of this newspaper at Armour seems to have met with satisfaction and approval on the part of the faculty, if the opinions of a few of their leaders can be taken as terms of reference.

Just exactly seven years ago today the first issue of the ARMOUR NEWS made its appearance on the campus. Above is a partial facsimile of the first page of No. 1, Vol. 1. The name ARMOUR NEWS was changed on the second issue to the ARMOUR TECH NEWS, the name used on all succeeding issues.

to first base helped! One run in their half of the ninth was poor consolation for the seniors.

The senior F.P.E. snuck one on the "Frosh". These actuarial pencil pushers all came to a game with stogies—except Vin Smith, who bore a boiler in his teeth. Messrs. Roberts and Ahern split their nickel's worth. Any wonder the frosh lost—smoke in

their eyes. J. Lew, who poled out for the circuit, made the following rejoinder for the press: "What this country needs is a good five cent cigar—shoved down its throat."

Now that the track is being conditioned it might be advisable for all the various ball players to make a distinct effort to restrict their ball playing to the track infield.

All those who wish to witness the boxing and wrestling meet at the Duncan "Y" on Thursday evening at 7:30, may do so by obtaining tickets from Louis Beigler.

Congrats are due the boys who copped the major awards in wrestling: Capt. Schmidt, Hella, Krenl, Peterson, and Sumner.

NEW SITE

(Continued from page 1)

cated behind it is the general picture which the Board of Trustees will be asked to consider for Armour. It is hoped that such a definite plan will have the effect of crystallizing interest in the undertaking. Dr. Hotchkiss pointed out that it is far easier to arouse interest in a projected definite building on a definite spot than in the mere airy notion of a new campus.

Make Study of Armour's Needs

During the past few years a great deal of work has been done on the question of a new campus for Armour. A painstaking survey of the space now being used by the Institute and on that which an expansion program would require in the present generation was made a year ago by Professors Heald, Ensz, and Grafton of the civil engineering department. As an example of what might be done from such a study, a usable plan has been prepared of a seventeen story building complete with laboratories, assembly hall, dining rooms, club rooms, offices, swimming pool, and gymnasium facilities.

Elmhurst Go April 13 Opens Outdoor Track

The outdoor track season opens next Saturday with a dual meet at Elmhurst. The team will renew activity, after a month free of competition since the close of the indoor season, and hopes to duplicate their indoor win over the Elmhurst squad.

The outdoor schedule is as follows:
April 13—Armour at Elmhurst.
April 20—Armour at Lake Forest.
April 27—DeKalb at Armour.
May 4—Bradley at Armour.
May 7—Armour at Loyola.
May 11—Wheaton at Armour.
May 18—Elmhurst Relays.

To loneliness....I bring companionship

I'm your best friend

I am your Lucky Strike

I am a friend indeed. A better friend than others, because I am made only of mild, fragrant, expensive center leaves. I don't permit a single sharp top leaf nor a single coarse bottom leaf to mar my good taste or my uniform mildness. I do not irritate. To loneliness I bring companionship. I am the best of friends.

LUCKIES USE ONLY THE CENTER LEAVES... CENTER LEAVES GIVE YOU THE MILDEST SMOKE

They Taste Better
