

## TECH WRESTLERS IN VICTORY OVER NORTH CENTRAL

### Armour Takes Five Out of Eight Matches

SCORE 23-11

For their first out of town meet, the Armour grapplers hopped a bus and traveled to Naperville where they met and defeated North Central's squad 23-11. This win evened up matters for the wrestlers who lost to practically the same team last year.

Each match was well fought, the losers in every bout giving a good account of themselves, going down only under the superior skill on the part of their opponents. There was nary a dull moment with everyone, including both teams, being contented with the way things were carried out and the way things turned out.

#### Armour Gets to Work

In the 125 lb. class Armour was donated five points in so much as North Central had no opponent for Ropek, their man having failed to make his weight. This was the beginning of the scoring spree. Dunne tackled W. Doverspike in the 135 lb. division and proved just too much for him. The bout ended in 2:50 when Dunne slipped the stretcher on his opponent, it being stopped to prevent any serious complications. Patterson followed Dunne, taking on another Doverspike, and proved to be so clever that he took his man to the mat only twice, both times with pinning holds. The first time L. Doverspike freed himself by slipping under the ropes, but the second fall was successful, the match ending in 1:48.

The Schmidt-Hartman, 155 lb. tus-

### Seven Armour Men Enter Golden Gloves

Seeking new fields to conquer, Coach Weissman has entered a seven man team in the Golden Gloves tourney sponsored by the Chicago Tribune. Since this is the first time that Armour has entered this boxing classic, the team has been placed in the novice division.

Those competing are Joerns at 125 pounds, Allegretti, 134, Seidenberg, 145, Moore and Krok at 147, and Simeon and Stober at 175. Part of the team weighed in last Thursday and the remainder of the boxers will do so this week.

se, was without a doubt the most interesting of the evening. It was one in which superior skill was pitted against strength. Schmidt started out on the bottom, but his reverse wrist lock was too much for Hartman, who reluctantly traded places with him, a place which he held on to during the remainder of the match. Bob gave him everything he had, applying pinning hold after pinning hold, but each time Hartman, by sheer strength, worked loose, in the process taking as much punishment, probably, as he ever ran into. After several attempts Schmidt finally succeeded in applying the stretch, which for the second time tonight proved invincible, the fall resulting in 8:46. Armour's scoring ended when Kreml defeated Albrecht with a time advantage of 8:35.

#### Final Two to North Central

The remaining bouts went to North Central, one on a fall and the other by a slim time advantage. Sumner, still in his slump, lost a match which was anybody's, Adler holding the slender time advantage of 1:37. Tullgren, who took on Neachtie in the heavy-eight division, gave a good account of himself but in the last minute slipped, the pin following at 9:36.

### Cagers to Play During Mid-Term

Eastward ho! and relief from exams are thoughts of the Techawks looking ahead a week from Friday night when the team will begin its annual trip to Michigan, heading first for Michigan State Normal's home floor at Ypsilanti and then to Detroit University.

Tech won both games in last year's Michigan outing with Normal and Wayne University. Although Armour held a substantial lead over their Michigan rival last week, the game promises to be a lot tougher on Michigan's floor, says Coach Krafft. Last year Tech emerged tops in a close race by only a two point margin. They defeated Wayne by 20 points.

#### Detroit Unknown Quantity

The Techmen have played Michigan State for the past ten years but have not met Detroit U. for seven years. Detroit will be the tougher opponent because of Armour's lack of information on their tactics.

A squad of eight or nine players, coach, and manager will travel by rail for the Saturday night game with Normal. From there on to Detroit in time for a Monday night battle to conclude their "road" program.

The Techawks will discontinue practice during examinations but will resume it a few days before the trip. Co-captains Dollemaier and Warner, high scorers Heike and Merz, and O'Brien, who was injured in the George Williams' game and missed in the succeeding ones, will constitute the regulars.

### TECH-WRIGHT JR. MEET BRINGS OUT PROMISING MEN

Notwithstanding a 51-25 losing score against Wright Junior College last Monday, January 20, Armour Tech's swimmers were able to get some good out of the meet by initiating several promising newcomers to competition. The team eked out only one first but built up their smaller score on quite a bunch of seconds.

As an exciting start for the evening the 165 yard relay finished with Armour only one foot behind Wright after coming up from two lengths behind. The second event, the 100 yard breast, was even closer, Captain Knaus of Armour taking it easy for the first three laps and then spurting ahead of the leaders to capture Armour's only first. Svagdis, an Armour newcomer, was within half a yard at the finish and has the earmarks of a potential winner in the breast division with his overarm stroke.

#### Wright Takes the Rest

The other events were all alike with Wright taking first place and Armour usually coming in second. Svagdis, also a new Armour man, showed up remarkably well, and with plenty of practice it is likely that the team will be built up to its former strength.

#### Summaries

160 yd. relay—Won by Wright. (Mollers, Schor, Downing, Wolinsky). Armour (Tallafuss, McGrath, Winblad, Ruekberg). Time—1:23.9.

100 yd. breast stroke—Won by

Knaus (A). Liebensohn (W) second, Svagdis (A) third. Time—1:18.3.

40 yd. free style—Won by Mollers (W). Williams (W) second, Ruekberg (A) third. Time—:21.2.

100 yd. free style—Won by Schor (W). Ruekberg (A) second, Koch (W) third. Time—1:03.5.

100 yd. backstroke—Won by Wolinsky (W) Duerstein (A) second, Downing (W) third. Time—1:13.5.

220 yd. free style—Won by Williams (W). Winblad (A) second, McGrath (A) third. Time—2:36.2.

180 yd. medley relay—Won by Wright (Wolinsky, Liebensohn, Mollers). Armour (Duerstein, Svagdis, Tallafuss). Time—1:59.6.

### N. Root, Appendicitis Victim, Recuperating

Track Coach Norman Root, convalescing from an appendicitis operation, brings to light the fact that mid-winter is apparently the open season on the "innards" of Armour's track mentors. It is to be recalled that last year at this time the track team was hampered by the absence of A. A. Slagg Jr., also a victim of grumbling appendix.

Mr. Root, who was operated on about two weeks ago, is recovering rapidly and is expected to return home this week. He hopes to be up and around in a short while, and expects to whip the track team into fine shape for the early meets.

*This picture shows how the Jamestown Colonists exchanged tobacco for brides. They paid "120 pounds of the best leaf" for transportation of each future wife who came to the New World from England.*

*In 1936—*

*And here is a picture of the modern auction warehouse of today where the same type of leaf tobacco is sold on the open market to the highest bidder.*

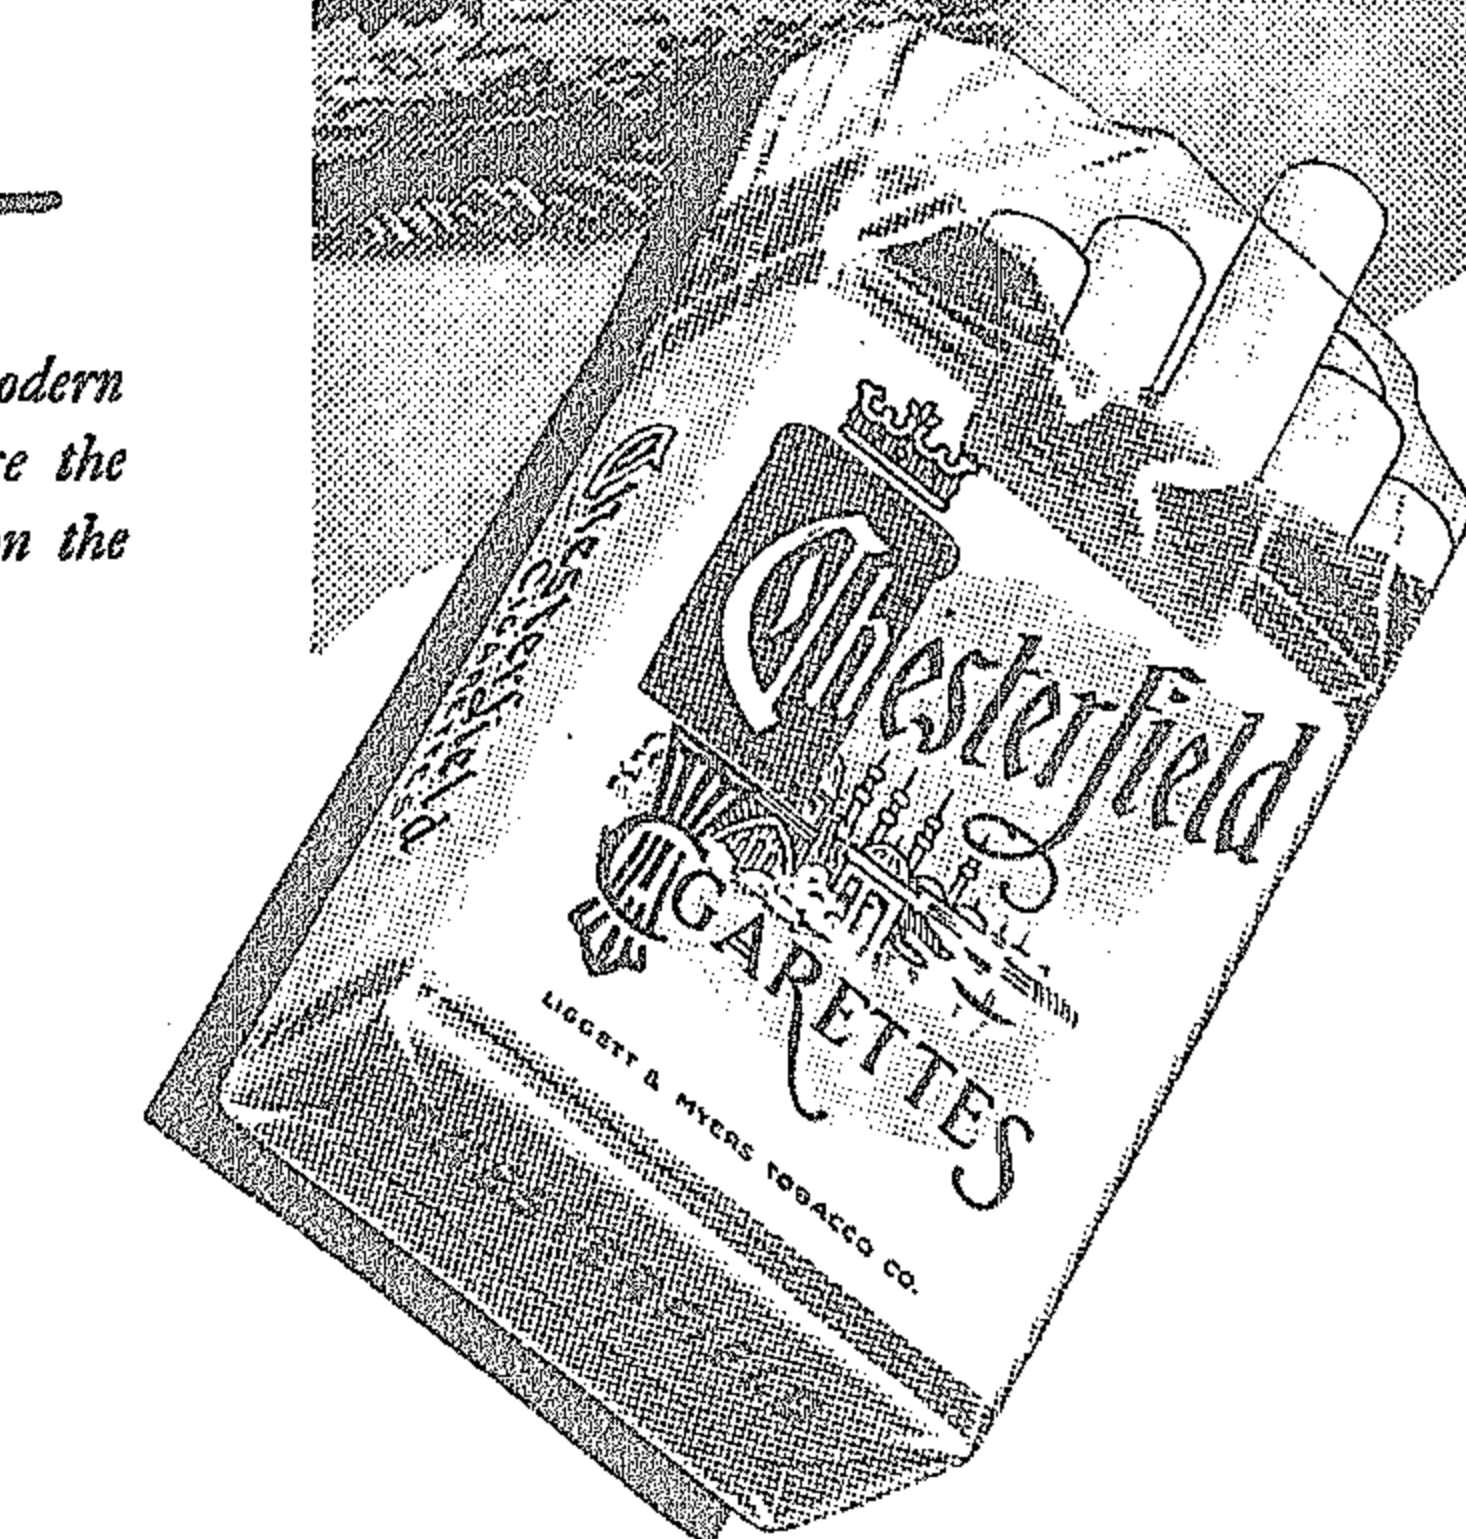

There is no substitute for mild, ripe tobacco to make a good cigarette—and there never will be

... and that is the kind we buy for Chesterfield Cigarettes.

In the tobacco buying season Liggett & Myers Tobacco Co. buyers will be found at 75 markets where the Bright type of tobacco is sold, and 46 markets where Burley and other types of tobacco are sold.

All these tobacco men are trained in the tobacco business, and are schooled in the Liggett & Myers tradition that only mild, ripe tobacco is good enough for Chesterfield Cigarettes.
