

Touchball Tournament Inaugurated With Fast Play And Large Scores

FIVE GAMES PLAYED BY UPPER-CLASSMEN; NO FRESHMEN TEAMS OUT

Jr. Fire Protects Win

In one of the first games of the touchball schedule the junior fire protects turned back their classmates, the civils, 14 to 6. The acturials led off early in the first half with the initial score which came when a long pass was blocked behind the civils' goal, only to bounce into the waiting hands of Sheehan. On the next kickoff, the civils failed to run the ball out of their goal, giving their opponents two more points.

For the remainder of this half and half of the second one, the two teams fought back and forth without any success. The civils then connected with a clean pass over the heads of the defense, Machulis to Basile, Basile taking it over for the touchdown. The final tally came near the end of the game when McIntyre of the fire protects picked a short pass out of the hands of a waiting mob and scored before the civils could get near enough to tag him.

Junior, Senior Mechs Tie

Last Thursday the junior mechanicals played the senior mechanicals to a 6 to 6 tie which extended into two overtime periods. Touchdowns were scored by Neering on a pass from Logullo for the seniors, while Seidenberg scored the juniors' goal after catching a blocked punt.

The juniors got off to a bad start when their safety man dropped the kickoff, whereupon the seniors promptly fell on the ball. After two plays, Logullo passed to Neering for the first score, and the period ended without further scoring.

No further scoring resulted until late in the third quarter when Rodkin caught a thirty-yard pass, thereby starting the goal-ward march. After losing the ball, the juniors forced the seniors to kick, but Seidenberg came through, blocked the punt and fell on the ball behind the goal to tie up the score. There were no serious scoring threats during the final quarter and the game was extended in order to decide the tie. The seniors brought the ball to within ten yards of the goal only to lose the ball for passing over the line.

Sr. Chem "A's" Beat Soph Civils

From the results of Thursday's touchball game between the senior chem "A" team and the sophomore civils, it would seem that the chems, last year's touchball champs, have lost none of the old technique. They trounced the sophomores 18-2 in a hard-fought match that despite the score, was closely played.

The chems kicked off to the civils, who made several vain attempts to cross the chemical goal, but lost the ball on downs. After much passing

and punting by both teams, the chems scored on a long pass from Forberg to Heike. The half closed with the score 6 to 0 in favor of the schmiars. The second half saw the civils fighting hard, but with no scores, except when Heike was tagged behind his goal for a safety. The chems, however, managed to score twice by long passes to Skuza and Hackman.

Sr. Juicers Swamp Schmiars

The senior electricals, fighting a jinx which had harried them for three years, finally broke the ice in a smashing victory over the senior chemical "B" team with a score of 12 to 0. The chemicals, obviously an inferior squad, were hampered from the start by poor blocking and a lack of offensive tactics. Allegretti of the schmiars turned in the best performance for that team with his gains through the line.

The juicers opened up with a flock of long passes which were practically all complete and resulted in large ground gains. Almost on top of the chem's goal, the electricals made a deceptive play to the left and Liebmann, who received the ball, trotted around to the right for a touchdown. Bacci of the schmiars injected a bit of humor when he was knocked flat intercepting a pass from Morrison later in the game.

After considerable sallying back and forth, the juicers scored the final points of the game with a long pass into the goal, Morrison on Johnson.

Soph Ch.E. 30, Soph F.P.E. 6

Last Friday afternoon, the sophomore chemicals triumphed over the soph fire protects to the score of 30

Golf Moves Slowly as Season Declines

Professor Bibb, Armour's all-time optimist, still holds hopes for his golf team. A combination of adverse weather and general lack of interest on behalf of the divot tossers, has made practice and progress negligible. However, things are looking up with the timely appearance of two freshmen, D. Sunde and D. Mackey. Both have shown a lively interest in the game, Sunde having shot an 81 on Big Run, and Mackey turning in an 88 on the difficult Cog Hill course.

At present the golf team has only three regulars, including Capt. Shanahan, leaving at least one place to be filled. Although the upperclassmen have responded well, those men who haven't reported as yet are urged to contact Professor Bibb at once in order that definite plans may be formulated this fall for next year's team.

to 6. The firemen started early action by scoring a touchdown on their first down with a long pass from Swanson to Finnegan. After a series of punts and incomplete passes, the chemicals scored on a long pass, tying the score at six all. At this point, substitutions were made for the chemicals, Jaffee and Lyckberg for Rothenberg and Johnson. After two incomplete passes, Natin-check sauntered over the goal while Carpenter flipped him a long pass scoring a touchdown and making the score 12 to 6 in favor of the chemicals. After the kickoff, the schmiars again intercepted the acturials' passes but were unable to score as the first half ended shortly after.

Opening the second half, Johnson kicked to Swanson, who returned the kick three downs later. From then on both teams sallied back and forth with punts and incomplete passes until Rothenberg snatched a long pass

Officers Elected by Fencing Club

Carrying out plans to get a fencing club and team re-established, two meetings were held during the past week, with another one scheduled for this Wednesday. The first, a call to get new and interested men together, was held last Wednesday, and showed a turnout of seventeen. In the second meeting on Friday things of varying interest were delved into, such as electing officers, discussing plans for the coming semester, and actual practice for those who wanted it. Those elected were G. Kahle, president, C. Reh, secretary, and L. Norkus, manager.

One of the things decided upon was that meetings were to be held on Fridays, with practice sessions on Wednesdays and Fridays, to be held either in the gym or in D-Mission as designated. Plans were also discussed for a round robin tournament to select team members, the winning four to be the team proper, and the next four to serve as alternates.

and scored, bringing the tally to 18 to 6.

The chemists, finding their stride, scored a pair of touchdowns on a long pass and a twenty yard run by Kruse. The F.P.E.'s showed some pep after this attack but failed to score before the game ended. The final score being Ch.E. 30, F.P.E. 6.

Fresh Forfeit to Jr. Juicers

The easiest game of the week went to the junior electricals who turned out for a stiff contest against the freshmen, only to find that out of a class of 276 there were but three fellows to uphold the honor of '40. As a result the game went as a forfeit to the juicers.

However, there is still time for the freshmen to get a team together and enter the competition if they will do so by five o'clock tomorrow.

JUNIORS CAPTURE INTERCLASS HARD BALL TITLE, 4-1

Sophomores Beaten on Fielding Errors

In the final game of the interclass baseball tournament, the junior team downed the sophomores by a score of 4 to 1. The game was played last Monday, October 5.

The juniors opened the game very inauspiciously when the first two men fell before Penn's stellar pitching. The third man hit a pop fly which was easily gathered in by Rothenberg, the left fielder. The second half of the inning netted Green, the junior pitcher, a strike-out. A pop fly to left and a throw-out at first accounted for the other two hits.

Arends Gets First Hit

In the second inning the upper classmen fared no better, while the sophs got one man on base on a walk. A good throw by Catcher Seidenberg picked him off as he tried to steal second, however. A strike-out and another throw-out at first accounted for the other two outs.

In the first of the third Arends corralled the first hit of the game for the juniors and was driven home by a sacrifice fly and the second hit of the game by Roche. Further scoring was prevented when Roche was put out at home. Aroused by this scoring spree the sophs went to work but succeeded in getting only one man on base who was hit by a pitched ball.

Seidenberg opened the fourth with a clean hit and stole second and then third as Kruse was injured by the throw from the plate. Wagner, last year's star hitter, fell before Penn's pitching. Irving, a newcomer to Armour, drove in run number two, languished on base as Skeppstrom struck

out, and scored on Arends's single. Another strike-out closed the first half of the inning with a man on base.

Sophs Enter Scoring Column

With the sophs trailing 3-0, Tullgren laid into the first pitched ball for a long fly to center which was easily taken by Arends. Inspired by his teammate's example, Ephraim followed suit with a hard drive to left field that landed him on first on an error. Kruse advanced his fellow soph to second with a single over the right field fence, and Ephraim scored the soph's first run on the next out. The next man was out at first to close the inning with a runner still on base.

Green opened the fifth by taking first after being hit by a pitched ball. Unnerved by his experience with the first man, Penn walked the next junior. Following an out by Dunne, a single by Seidenberg advanced the runners to second and third. The runner on third crossed the plate for the fourth tally while Roche was put out at home on a fielder's choice.

Soph Threat Falls Short

In the last of the fifth, things began to look up for the sophs when the first man got a hit and the next man walked. Two strike-outs dampened their ardor, however, and Penn was forced out at home on Tullgren's hit. The game closed then, with the score standing 4 to 1 in favor of the upperclassmen.

Penn's performance on the mound should be noted. He struck out six men and held his opponents to six hits. Green, pitching for the juniors, struck out five men and allowed only two hits.

BOX SCORE

Juniors (4)	AB	R	E	Sophs (1)	AB	R	E
Roche, 2b	3	1	0	Ropek, 2b	3	0	1
Dunne, ss	2	0	0	Tullgren, 1b	3	0	0

Green, p	2	0	1	Hoffman, rf	2	0	0
Totals	4	4	1	Totals	2	1	6

Interclass Cagers Commence Today

Interclass basketball practice will open today with the seniors taking over the gym to reorganize their strong runner-up squad of last year. The present junior class, which has held the title for two years, will use the gym tomorrow to warm up a few of their championship tactics, followed by the sophs and frosh Thursday and Friday.

The playoffs are to begin next Monday with the seniors and juniors solving the principal problem of the series. The sophomores, who battled well last year under the frosh classification, will take on that large but unknown quantity, the class of '40, next Tuesday. The final will be run off on Thursday afternoon. Because the wrestlers and boxers use the gym on Monday, Wednesday, and Friday, the teams that play or practise on those days will have to cooperate with Coach Weissman.

Last week saw the juniors take an opener from the senior class, 13-11, with Mileika making most of the 13 points. The sophs found Swanson of the freshmen class a hard man to stop, but came through easily, 21-14, with O'Connell and Wagner leading in the bucket dropping. Enjoying the same tally, the sophs went ahead to take the juniors, 21-14, and keep the title which they had earned a year before as freshmen.
