SEMORS CONQUER CLASS OF '40 FOR BASKETBALL TITLE

Freshmen Nosed Out By Last Minute Scoring

FAST MOVING PLAY

Defeating the freshmen in a closely fought game last Thursday, the seniors captured the interclass basketball title 13-11. Marked by rough and fast moving play, the game was similar to the two first round contests played on Monday and Tuesday a week ago.

Although the freshmen picked up ed. for the tying tally. the first point of the game when Pinkus made a gratis toss, the seniors, playing the same five men throughout the whole game, tied the score on a free throw by Taradash and thereafter kept the lead. Hard playing and lots of action produced lo received Sobolik's kick, and afmany shots at the basket but very ter a long run, passed to Carlson few of them counted, little discretion being used as to position on the floor. Only three baskets were made in the first half, one by Ikenn, one by Liebmann, and one for the freshmen by Gerwig.

Frosh Good Passers

The green-cappers kept up a nice passing game during the first half, to 6. and though they were able to get only one basket out of it they garnered shots and lucky breaks under the basket to keep up their end of the score, the tally at the end of the half being 6-4 in their favor.

Starting the second half, Skuza missed a free toss, but D'Amato helped the frosh score along by dropping in one out of two passes given him when he was hacked under the basket. But the seniors quickly retaliated by adding two baskets in a row, one by Skuza and one by Ikenn on a nice backhand shot.

Seniors Get Free Throws

In this half the frosh began to tire, but the seniors added several free throws to their already larger score. Playing individually rather than as a team, they made no scores until Gerwig intercepted a pass under the basket and sunk it to bring up the score to 11-8. Then, as the game was in its last minute, Norkus made a basket on a floor length dribble, and Dreis sunk a short bucket to bring up the score to 13-10. With 30 seconds to go each team made frantic sallies at the board, but the only score was a free toss made in the last two seconds by D'Amato to bring the final tally to 13-11.

Cross-Country in First Meet Nov. 7

The cross-country track squad is fast getting into shape for their first meet, the Loyola invitational, to be held November 7. The team members have been having nightly workouts on Ogden Field, getting the old legs and lungs into condition. As of yet there have been no casualties, strained muscles or pulled ligaments. Time trials were held last Friday night, and from all indications, Armour will be represented by a strong squad consisting of Henry Bodnar, Mark Dannis, Ralph Close, Carl Deuter, Martin Herz, and captained by Ralph Faust.

The meet at Loyola will see powerful squads of many of the leading schools of the Little Nineteen conference entered. The distance to be covered will be a two and a half mile stretch, starting off with one lap around the Loyola campus track, and then continuing for the rest of the course cross-country, with many obstacles and hazards confronting the runners. The manner of scoring the teams is worthy of hote. The competing schools may enter as many men as they wish, but the finishing positions of the first five men of any school are the ones that count toward the team score.

Touchball Contest Nears Completion

Senior Juicers Beat Mechs

In a spectacular last minute rally, the senior electricals came through with a touchdown pass to tie their stronger mechanical foes, 6-6, on Ogden Field last Tuesday. Outpassed and outrun throughout the first thirty-five minutes of play, the electricals' strong finish was an unexpected climax to the hardfought and well-played interclass tilt. After fumbling a punt on their two yard line the mechs tried to pass their way out of their plight, but Shewchuk upset this strategy by intercepting Logullo's pass and returning it to the five yard stripe. After a long huddle, he tossed a short pass over the left side of the line to Slowiak, who was unguard-

The first period featured a number of threats on the electricals' goal, but a combination of fast running and excellent defense play by the juicers, broke them up. With the opening of the second half Logulescort of blockers.

From the opening whistle to the into the final round. final play the battle was nip and tuck, no team ever having more of a lead than a point or two, and no quarter being asked as to roughness of play. Close guarding and the equal tagged behind his own goal line as strength of the teams aided in keeping the scoring rare and the physical contacts frequent. The referee's reluctance to call fouls was highly contributory to the roughness of play.

Most of the first half had been played before anything was entered tects the ball on their own five yard in the scoring column. Dreis' foul, the who trotted across the line with an line. Sophs Suffer Setback

Sophomore pride suffered a serious setback when the frosh took the long end of a 21 to 8 score in the second game of the interclass basketball tournament.

In the first ten minutes of play, the sophs seemed to have the freshmen overawed. They took a two point lead early and held the frosh scoreless during this period; however, with the end of the half ap-

green worked the ball in under the and Cole Slaw, Radishes, Scullion, basket, scoring with a step-in. The Even playing also featured the sophs in the meantime went to sleep

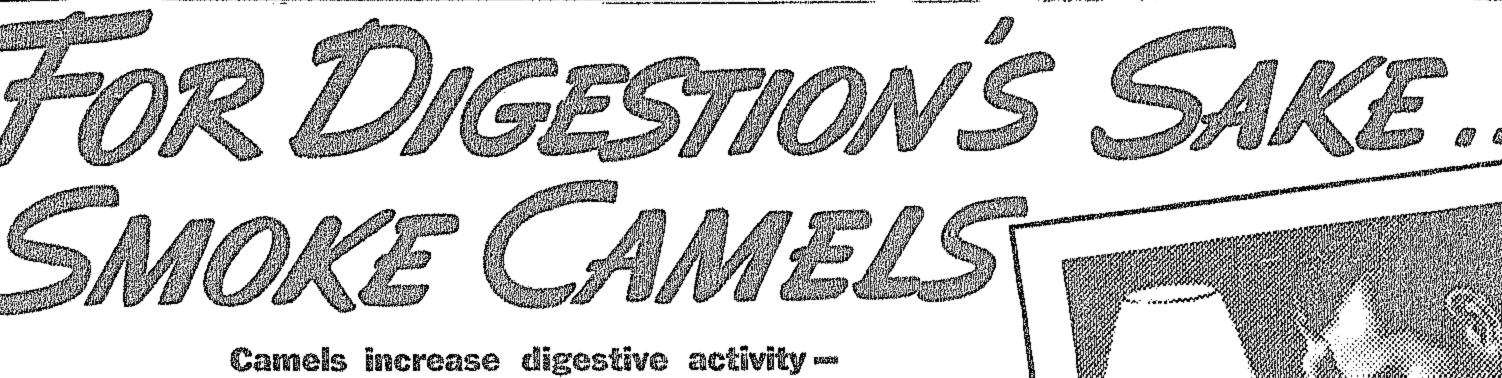

In a surprise victory last Monday, second half. Two baskets by the third on the job, leaving Norkus free under the basket to score again for the freshmen. They then continued to outplay the tiring sophomore team, and broke loose several times to score on set up.

Frosh Pile Up Score

As the freshman score piled up, the sophs resorted to rough tactics, resulting in free throws for the frosh, which added three more points to their tally. As the game neared a close, the sophomores began a desperate attack from the floor, while the frosh continued to work the ball in close to sink their short shots. In spite of the numerous free throws awarded by the referce, the rough tactics continued, with the frosh score continually mounting. A man came out from under one huddle with a cut over his eye that needed stitching. Soon afterwards Carlson was hurt, but he recovered in time to score the final basket for the sophs. Heartened by Carlson's shot, the upper-classmen laid down a new barrage of shots, but were unlucky and only prevented further scoring by the freshmen by the ball. The referce's whistle ended further play with the score standing

encourage a sense of well-being!

TY/ITH healthy nerves and good WV digestion, you feel on top of the world. When you smoke Camels with your meals and after, Camels help in two special ways: Tension is lessened and Camels promote digestive well-being.

So enjoy your Camels between courses and after eating. Strain eases.

The flow of digestive fluids, so vital to proper nutrition, is speeded up. Alkalinity is increased. You get more good from what you eat.

For an invigorating "lift"-for matchless taste - and "for digestion's sake"—the answer is the same: Camels. Camels set you right! And they don't get on your nerves.

CONCENTRATION calls for mental stamina-taxes digestion too. That's where Camels help! "For digestion's sake ... smoke Camels" during meals and afterward. And when you are tired-you get a refreshing "lift" with Camels. Camels set you right.
