

Senior Civils, Junior Juicers Lead Tourney With Three Softball Wins

Five Drop Out in Third Week of Play

Jr. Mechs Win 6-4

A close, exciting game between the junior chemicals and junior mechanicals played last Tuesday, ended with the score, 6-4, in favor of the mechanicals. The schmiere took an early lead on errors, and the score remained 4-1 in their favor until the sixth inning. Then the mechs came to bat and after loading the sacks, scored the tying runs on Fred Engelthalers' three bagger which rolled out the gate. In the same inning two more mechanicals crossed the plate due to bad fielding by the chemicals. In the next inning the schmiere loaded the bases with no one out, but failed to push any of their men across the plate, leaving the score in its final stage at 6-4.

Senior F.P.E.'s Win

Fighting to stay in the tournament the senior fire protects, last Wednesday, eliminated their classmates, the senior mechs, 6 to 3. Scoring opened early when the firemen scored twice in their half of the initial bracket. When Appel, the mech's pitcher, made a nonchalant throw over the first baseman's head in the second, the firemen added another run to their tally.

Each team put one across in the third, the fire protects on two mechs and a long fly. A run in the fourth by the mechs brought the score to 4 and 2, but the fifth saw the firemen add two more to their tally, when Gunther singled with loaded bags. A score by the mechs in the following inning brought the score 6 to 3.

Jr. E.E.'s Rally To Win

The junior juicers almost blew a fuse and a good chance for a place in the softball tournament outcome when they met the Soph Co-ops. The Sophs started things off by banging out four hits to send three runs across home plate before the juniors could make the third putout. They retaliated with a lone score in the second and dropped four runs behind, 5 to 1, when the second year men drove another two scores across home in the fifth.

However, as the fifth inning ended, so did the Soph's hopes for victory. The electricals batched six hits for four runs and would still have been scoring had not Maciejewski at first made a pair of snappy unassisted put outs. The teams then played tie ball for three innings due to Heidman's sweet pitching and the good fielding work of the Co-ops. Something drastic happened to the sophomores' morale and skill in the eighth, when the electricals turned on the juice to bat around and chalk up six runs to cinch their second straight win in the interdepartmental softball tourney.

Senior Chems Win 15-2

Turning in their second victory of the softball tourney the senior chemicals came through last Thursday with a 15 to 2 win over the soph co-ops. As the score indicates, the game from start to conclusion was all chemical. Blasting out hit after hit they completely overwhelmed their underclassmen, whose only efforts netted them two tallies. In losing this game the soph co-ops made their exit from the tournament, since Wednesday they fell before the junior juicers.

Frosh Co-ops Lose 10-1

The soph electricals battered their way through another game by trouncing the freshmen co-ops 10 to 1 last Friday. The sophs opened the game by scoring three runs in the first inning, but the freshmen were not as successful and were unable to score their lone tally until the last half of the fourth inning. By this time the juicers had a comfortable lead of five runs. Holding the freshmen scoreless for the remainder of the game they then scored five more runs making a total of ten. All of the runs were gained from hits with none of the walks materializing into runs.

Meteors Shut Out Soph C. E.'s

Playing six innings of ball, the frosh "Meteors" shut out the Soph C. E.'s for a 7 to 0 victory. Pounding the sophs for only five hits, the frosh scored their runs on the variety of errors the sophs presented. A trio of singles filled the bags

in the second and two runners streaked home after pop fly to center. The frosh ran wild in the third, scoring four runs bringing the tally to six runs. Lurz started the rally when he went to first on an error. Fahey followed suit with a single to left. A pair of walks which came around brought the tally to six runs. The seventh run was scored when Pincus slapped a beautiful homer in deep right field.

JR. E.E.'s Take Third Win

Continuing their winning streak the junior electricals decisively defeated the senior fire protects last Friday, 12-3. A total of eighteen hits, two of them homeruns, were enough to beat the seniors' seven hits.

In a wild first inning the electricals put four runs onto their tally sheet by all but completely batting around, while the fire protects came back in their half of the inning to score all of their three runs, on a hit and five errors. For the rest of the game the seniors went hitless, but the juicers added three in the third, two in the fifth on Hazelton's home run, two in the sixth, and a final run in the ninth. The three runs in the third were accounted for by the home run of Heidman with two on.

It's Senior Civils Again

Last Friday saw the senior civils continue ahead at the expense of the junior firemen, who at the end of last week were in a tie with them for the lead. The final score of 13 to 6 in the civils favor gave the seniors their third straight win.

A rally in the initial bracket netted the civils seven of their runs, enough to win the game, since the actuarials crossed the plate only six times in the course of the game. Another rally in

the ninth by the civils brought the score to its eventual standing at 13 and 6.

Jr. Ch.E. Eliminate Jr. F.P.E.

In their third game of the tourney the junior schmiere turned in win number two with a 2-0 decision over the junior firemen. The chemicals took advantage of a cluster of hits and errors along the third base line in the first inning to fill the bases and then push one man across the plate for the first tally. After this initial spree they took the field to retire their opponents in order. The fire protects settled down to do some serious ball playing and succeeded in holding the chems scoreless for two more innings. In the fourth Bodnar made first base and then was advanced to third. He scored easily after Sheehan caught a high fly in deep left field. Two more hits gave the schmiere another run to end the scoring for the inning and the game.

Softball Standing

Out of the original field of eighteen entries in the softball tourney there remains only eight at the end of three weeks of play. Three teams were eliminated week before last, and the other five dropped out last week.

Since the field is yet so large, no attempt will be made to conclude the tourney during Junior Week, but instead continue on until enough eliminations have been turned in to have a semi-final and eventually a final. The present standings of the tourney are tabulated below.

Team	Won	Lost
Senior C.E.	3	0
Junior E.E.	3	0
Junior M.E.	2	0
Senior Ch.E.	2	0
Soph E.E.	2	1
Junior Ch.E.	2	1
Frosh Meteors	2	1
Soph Ch.E.	1	1
Junior C.E.	1	1
Frosh Co-ops	0	1

Tech Shorts—

(Continued from page five)

Wayne, and on Thursday they conclude their tour at Toledo. On Saturday they make things complete by playing Loyola at Southmoor.

Those tennis racket wielders who failed to qualify for the team will get a chance to show their colors in the annual spring tennis tourney which is scheduled to get under way soon. First call for men is being issued this week. All those interested should make an appearance at the meeting, time and place of which is mentioned on this page.

Junior Week Sports

Baseball—

This week will be a busy one in sports around the Armour campus. Starting tomorrow we see the opening of the interclass baseball tournament when the freshmen tackle the sophomores. Wednesday the juniors and seniors meet, and on Thursday the final game will be played. Another feature of the week will be the annual faculty-senior baseball game, to be played Tuesday.

Track—

Also tomorrow, the track events get under way with the interclass relays. Then on Thursday the all around athletes of Armour will vie for honors in the Pentathlon. This is run off in two divisions, one for track lettermen, and another for the non-lettermen.

Although the finals of the interfraternity softball are scheduled for Tuesday, they will probably be held on Wednesday, due to a convention which will remove the fire protects from the field. Scheduled for Wednesday also, is the track tourney, which if all is well will start at 9:30.

Tech Netmen Win From Cards 6-1; Tie Wheaton 3-3

Last Wednesday the Armour Tech Tennis Team journeyed to Naperville to defeat the North Central Cardinals by a score of 6-1.

Playing number one, Swanson had no trouble in defeating Groom 6-3, 6-4. Natinchek's win in the second singles was easier than the scores of 6-3, 3-6, 6-4, indicated. Boehme rallied to take the third set of his match and win by scores of 6-4, 0-6, 6-4. Joe Kubik then cinched a victory for Armour by winning the fourth singles 6-3, 8-6. Herz, playing in the fifth spot, lost the only match 2-6, 1-6. Natinchek and Boehme had little difficulty in winning their doubles match, while Swanson and Kubik rallied to win the last two sets after losing the first.

This overwhelming victory was of especial significance to the members of the team, because of their earlier loss to Loyola, inasmuch as North Central defeated the Loyolians by the score of 4-3. With three regulars, Swanson, Natinchek, and Boehme, and a substitute, Kubik back from last year's team, the season should undoubtedly be a successful one.

Tie Wheaton in 3-3 Battle

A group of hotly contested matches the Techawks fought to a 3 to 3 tie with Wheaton last Friday when they met on the latter's courts.

Special 30c dinner

All men interested in a spring tennis tournament should meet in the physics lecture room on Tuesday, May 11, at 3:15 p. m.

Fischer led off for Wheaton by defeating Swanson of Armour in three sets, 6-4, 1-6, 6-3, but the score was tied up when Natinchek, number two man for Armour came through over H. Moffett 7-5, 6-2. Boehme lost another tough match for Armour, to Kent, 1-6, 6-4, 3-6. Kubik came back for the Techawks however, and after three hard fought sets, came out on top 3-6, 6-3, 6-4.

In the two doubles matches the two teams again split on wins. The Moffett-Moffett combination proved too much for Swanson and Kubik, but Natinchek and Boehme came through to win over Fischer and Kent 4-6, 7-5, 6-4.

Class of 1912 Will Hold Grand Reunion

In commemoration of their 25th anniversary, the members of the class of 1912 are planning a grand reunion at the University Club of Chicago on Saturday afternoon, May 22, and at the alumni banquet on May 25.

It has been 25 years since the members of the class of 1912 received their diplomas and started climbing the ladder of success. Half of the 69 members of the class are now far removed from Chicagoland, some of the countries represented being Japan, China, Russia, South Africa, England, France, Italy, and Australia. They are spread from California to Maine and from Florida to Minnesota.
