

CINDERMEN OPEN OUTDOOR SEASON WITH ELMHURST

Team Out To Duplicate Indoor Win

After a layoff of several weeks between seasons, the track squad will open one of its busiest outdoor schedules, when it encounters Elmhurst next Saturday afternoon. The meet will be held at the Elmhurst field, where the Techawks will be out to duplicate their previous victory over their opponents at the close of the indoor schedule.

The Armour team going into the meet is well rounded out, with veterans in all the events. They should prove tough foes if their lack of practice so far for the coming season doesn't take too much toll.

Plenty Dash Men

Dunbar, Bingham, and Neuert, will vie for honors in the 100-yard dash, while Rothenberg and Dunbar will be entered in the low hurdles. Rothenberg will compete alone in the high hurdles.

In the mile event, the team will be composed of Faust, Bodnar, and Opila, a green capper. The quarter mile event will be run by Ryan, Finnegan, and Widell. Finnegan and Deuter will also compete in the half-mile. A well seasoned team composed of Faust, Dannis, and Bodnar will be running in the two-mile event. The quarter mile relay team will be composed of Finnegan, Ryan, Faust, and Deuter.

Six in Field Events

Vandekieft and Simeon will have the shot-put while Dixon and Stehman will be slinging the javelin. The team entered in the pole vault event will consist of Parker, Braun, and Dixon. Vandekieft will also compete in the discus throw and the high jump events along with Simeon and Stehman.

OUTDOOR TRACK SCHEDULE—1937

- April 17—Elmhurst, there.
- April 24—Beloit and Ripon, at Beloit.
- May 1—Wheaton, at Wheaton or Stagg Field.
- May 8—Bradley, there.
- May 15—Elmhurst Invitational.
- May 22—Loyola, there.

McDaniel's 288 Wins Fifth in Rifle Meet

Chances for bettering their last year's record in the long range rifle matches held at the University of Chicago again last Saturday, April 3, collapsed when the Armour Rifle club was disqualified. A member of the team accidentally fired an extra shot into his match target.

The mishap was disappointing to the club in view of the fact that last year's entry drew a second place in the collegiate division. McDaniel, however, had the fifth highest score among the individual contestants with 288 points, being first among the Armour men.

Fencers Lose Season Opener to Kosciusko

In their first meet of the season on last Friday, against the Kosciusko Park fencing team, the Armour fencers were defeated by a score of 30 to 31. The Armour squad consisted of Folkrod, MacConnell and Reh against Martini, Jagiello and Dea respectively of the Kosciusko squad. In the first bout Folkrod of Armour was defeated by Martini of Kosciusko by a score of 5 to 3.

MacConnell and Jagiello comprised the next tilt in which Jagiello was victor by a score of 5 to 0. In the last bout of the first set Dea defeated Reh by a score of 5 to 3.

The second set saw Folkrod against Jagiello, which resulted in Armour's first victory by a score of 6 to 5. MacConnell then fenced Dea and further supported Armour by a victory of 6 to 4. Against Kosciusko's number one man, Martini, Reh was set back 5 to 3.

Set number three saw Folkrod against Dea for a third Armour victory of 5 to 0. MacConnell and Reh fenced against Martini and Jagiello and both lost, by scores of 5-2 and 5-3, respectively.

Entries Grow In Softball Tourney

As soon as weather conditions permit, the inter-departmental softball tourney will get under way. Entries have been coming in since last week and point to competition as keen as last year's, with most of the stronger teams being already signed up.

Entry Deadline Tomorrow

All further entries for teams with the players' class schedules must be turned in to Frank Hackman before tomorrow evening. A schedule will be made up and play will probably start by the end of the week, weather permitting. The freshman teams can be comprised of any of the members of the class, but no man may play on more than one team.

Senior Chems Win

In last year's tourney the senior chemicals came out on top of the heap, barely nosing out their classmates, the senior electricals, 5-3 in the final.

Ground rules for the tourney will be made and agreed upon by the managers of the teams and passed by Hackman. Most likely the rule requiring an open hand straight delivery for pitching will be enforced.

Practice Any Time

Practice for the teams may be held at any desired time, the ball and bat being secured from Hackman if applied for ahead of the desired time of practice.

The semi-finals and finals will be held as usual, during Junior Week as one of the special events.

Phi Pi's and T.X. Paddle Ahead In Ping Pong Tilts

That classic of athletic endeavor, ping-pong, again comes to the fore as the fraternities swing into their annual tourney. A schedule has been drawn up and all games in the first bracket will have been played off by the fifteenth of this month. Long regarded as a game fit only for the effeminate and those physically infirm, ping-pong is now accepted in the best of circles, and the type of playing seen in the inter-fraternity games is justification of its popularity.

Two Meets Held

To date two encounters have been played off, Phi Pi Phi vs. Sigma Alpha Mu and Phi Kappa Sigma vs. Theta Xi. Three singles matches and two doubles have been played, each match consisting of five games. Phi Pi tore right through S.A.M., taking the first three matches in singles, and consequently the tournament, with no need for the doubles matches. Gates, Forberg, and Vandekieft were the victorious threesome that triumphed over Krumbein, Saltzman, and Rodkin.

Theta Xi Wins

The Phi Kap-Theta Xi play was more evenly balanced, with Theta Xi coming out on top of the heap, 3 to 2. Downing went down before Magnuson, of Theta Xi in the opener, but Lange of Phi Kap evened things up by the second. The doubles matches were split, leaving the outcome of the meet depending on the single matches between Skeppstrom and Giovan.

Skeppstrom, a Phi Kap, took the first two games, then folded up to lose the last three to his opponent.

Both losing teams, however, still have a chance in the tourney as return engagements are scheduled with their

respective rivals. Those yet to play are the Deltas vs. Triangle and Pi Kappa Phi vs. Rho Delta Rho.

"Kay, what'll we give 'em?"

"Music and Rhythm Hal, everybody loves it!"

The World's Record Holder... Glenn Hardin... Going Over the Hurdles

WAITING for the gun—when nervous tension reaches the crest. Because he prizes healthy nerves, Glenn Hardin smokes Camels. "They don't get on my nerves," he says.

SAILING over a low hurdle—Glenn's strained face shows how the race drains tremendous physical and nervous energy.

TOPPING a high hurdle—superb form helped Glenn win 2 Olympics—set the world's record. His time for the 400-meter hurdles was sensational—50.6 seconds!

SPRINTING to the finish—Glenn calls on all his reserve energy. And after the finish, he lights a Camel. "Camels give me a 'lift' and ease the tension," he says.

THE YOUNGEST MAN on the Olympic track squad. Glenn Hardin was only 20 years old when he won his first Olympic victory for the U. S. He eats sensibly—takes good digestion for granted. The picture below shows Glenn enjoying his favorite meal—rare, thick, juicy steak,

green vegetables, fruit, milk, and Camels. As Glenn phrases it: "It wouldn't do me much good to eat and not digest properly. So I smoke Camels for digestion's sake. It's grand to light up Camels and enjoy the sense of well-being that comes when digestion's o-kay."

Copyright, 1937, R. J. Reynolds Tobacco Co., Winston-Salem, N. C.

WORKS HARD on all five college courses. "Rege" Kennedy, '40, says: "I smoke Camels pretty steadily—they ease the tension of long, hard concentrating. Camels don't jangle my nerves."

AS SPOKESMAN for the hostesses of a leading air-line, Betty Steffen observes: "Camels help me keep feeling pepped-up. I smoke all I please. Camels never get on my nerves."

An Important Fact for Cigarette Smokers

COSTLIER TOBACCOS

Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.

MRS. ANTHONY J. DREXEL 3rd says: "Social life keeps nerves on the qui vive. Smoking Camels tends to minimize the strain, I find. Camels are so mild."

Bacci, r.f.	1 0 0		
Green, p.	1 0 1		
Total	33 1 3	Total	27 4 5

Armour Tech's nine bowed to the University of Chicago in the first game of the season last Saturday afternoon, losing by the score of 4 to 1 in Greenwood field. Kruse's first hit in the initial bracket drove in Logullo for Armour's lone tally.

Five Hits for Chicago

Chicago made only five hits off of the Tech pitcher, Pacocha. He walked two men in both the fifth and the sixth innings, following a clean record in the first four. Five batters fanned for him in the first six innings, while Green, his helper, netted two in the seventh and eighth. Chicago's pitcher, Mastrofsky, yielded three hits, two made by Kruse and one by Green, walked five and struck out eight.

Logullo Scores Lone Tech Run

Mastrofsky yielded two walks in the first inning and Kruse officially opened the game by cracking a liner out to right center. Logullo crossed the plate on this plate, but Seidenberg and Kruse stayed on while Dunne and Gebel closed the inning.

With two men on, Shipway hit one to Skrzydlewski, at first, who tagged base and threw to home for a dou-

Net Men Practicing For Loyola Contest

Still practicing in the armory because the outside courts are under the weather, Armour's tennis team is getting into shape for its season that starts on April 30 with a meet at Loyola. Although there was a contest scheduled with Notre Dame for this Friday it has been cancelled, and play this week will be centered around the practice meet with Loyola tonight.

Next to the final cuts were made last week, and the regular team will be made up of five men chosen from Swanson, Natinchek, Bliss, Boehme, Herz, and Kubic veterans and Wagner and Charleton freshmen new to the squad. Final selection will be made, according to John Penn, the manager, after more practice and the first few games. It is rumored that Professor Colvert will coach the men on the team.

TENNIS SCHEDULE 1937

- April 30—Loyola, there
- May 5—North Central, there
- May 7—Wheaton, there
- May 12—North Central, here
- May 19—George Williams, there
- May 25—Loyola, here
- June 1—Wheaton, here
- June 2—George Williams, here

ble play. Bernard then crossed the plate on Soderlind's single, to tie up the score for Chicago.

Logullo did the first bit of sensational fielding when he dove for a fly and scooped it out of center field, robbing White of a clean hit in the second inning. In the seventh, Schuessler made a beautiful running stab and peg to nab Logullo at first for another good play.

Tie Broken in Fifth

The tie was broken in the fifth inning when Mastrofsky drove in two men who had taken walks to base. In the sixth, Gillerlain grounded one to third and Gebel threw to first, failing to see White rounding the base. White made the final score.

Getting back to normal after last week's divergence for humor's sake, we're just in time to welcome the opening of the baseball season at Chicago on last Saturday. Although the team lost 4 to 1, they gave a good account of themselves, behind the fine pitching of Pacocha and Green, who gave only five hits between them.

We see that the fencers have again come to life. Their meet last Friday with Kosciusko was the first held in over a year. A good deal of the credit for reviving the team is due to Carl Reh who has been active in the capacity of coach.

With the tennis season in the offing we hope that some thought is being given to the tennis courts behind Chapin hall. Their condition is deplorable and something certainly should be done to improve them before the outdoor schedule starts.

When the outdoor track season opens next Saturday we are looking for another victory from the cindermen over Elmhurst. They did it neatly at the close of the indoor season by nosing out their rivals in the final relay.

Other Campuses

By R. W.

After writing three pages of an exam, a Marquette University student wrote: "I don't think you'll read this far, and to prove it I'll tell you about the basketball game I saw yesterday." We don't know what grade he got, but we hear that he wasn't called on his five-page basketball dissertation.

Watch your lingerie. Ada Leonard, this might become contagious! Henry Brewer, a student at M.I.T. was caught trying to swipe a pair of lace panties from the dressing room of a burlesque queen as a fraternity initiation gag. He faced criminal charges, but "Kiki" Roberts, owner and operator of the lacework refused to press charges.

(A.C.P.)—When physics test marks skid below par, instructor John Madigan, at the College of St. Thomas, makes his students pay through the nose.

Displeased with poor grades on a recent quiz, Mr. Madigan, aided by chemist colleagues, conveyed sensually his general opinion that most of the answers were putrid by scenting the papers—good and bad.

Those of the A and B class were sprayed with "Paris Night" and "Eau de Cologne" perfumes that reminded the boys of letters from "heartbeats" back home.

C and D papers wrinkled noses with the medium strength odor of rotten eggs—hydrogen sulphide.

But the seven of the E and F class rocked stomachs with the staggering smell of rancid butter—butyric acid.

As you probably know by now, a male student at Texas Christian university is the holder of the title, "Ugliest college man in Texas." He has issued a challenge to all college students to compete with him for the title. Of course Armour men are not eligible. His championship holds only for the amateur group!

John Carleton's basketball team has won it's 78th victory, and has completed its fourth undefeated year. Who did they play, anyway?

The grammar schools? Don't mind us, we're only jealous!

Immortality was not the subject of the Easter sermon announced by The Industrial Collegian. The unusually large crowd was disappointed when it found that the newspaper had dropped a "T," and the title of the sermon was really, "Can the Modern Man Believe in Immortality." That might be called "T"-sing the public. Now we know what is meant by "correct to a T."

Junior Week—

(Continued from page one)

be followed by a reception for the girls.

Last year the fraternities inaugurated a custom of holding an open house at which time the non-fraternity men have a chance to acquaint themselves with fraternity life. The custom will be followed again this year and will be held on Tuesday of Junior Week.

To Thursday evening's festivities will be added the annual athletic banquet. At this banquet all who have taken part in any athletic activities during the year will be the guests of the A.T.S.A.

The events of Junior Week will be climaxed on Friday evening by the Junior Informal. The social committee is now making arrangements for the dance which is to be given in the spirit of Junior Week for the entire student body and night school students.

(Continued from page one)

of the junior class, secretary of Pi Tau Sigma, and president of Honor A society, Earle H. Brink, E.E., is a member of Eta Kappa Nu, Sphinx, and the A.I.E.E. He is chairman of the senior photography committee, a staff member of the Cycle, and was a class commissioner in his junior year. A member of Phi Lambda Upsilon, Sphinx, Pi Nu Epsilon, and Alpha Chi Sigma, Franklin D. Hoffert is also treasurer of the A.I.C.H.E., glee club member, and former copy reader of the Armour Tech News.

Francis X. Popper, C.E., besides being a wrestler, is a pledge to Chi Epsilon, civil honorary, a member of Sphinx and former comptroller of the Armour Engineer. From the architectural department, Albert H. Ramp was pledged. He is a member of Scarab, the A.A.S., and the rifle club. Herman M. Ross of the civil engineering department is a member of Chi Epsilon, the Armour Players, and former feature writer for the Armour Tech News.

Last Saturday the members and pledges took a trip to Milwaukee, where a joint meeting was held with the Marquette chapter, and the University of Wisconsin chapter, which acted as host. After an inspection trip and a banquet, the pledges from Armour and Marquette were formally initiated.

Tau Beta Pi is the engineering fraternity which parallels Phi Beta Kappa, the national liberal arts honorary fraternity.
