

CINDERMEN OPEN OUTDOOR SEASON WITH ELMHURST

Team Out To Duplicate Indoor Win

After a layoff of several weeks between seasons, the track squad will open one of its busiest outdoor schedules, when it encounters Elmhurst next Saturday afternoon. The meet will be held at the Elmhurst field, where the Techawks will be out to duplicate their previous victory over their opponents at the close of the indoor schedule.

The Armour team going into the meet is well rounded out, with veterans in all the events. They should prove tough foes if their lack of practice so far for the coming season doesn't take too much toll.

Plenty Dash Men

Dunbar, Bingham, and Neuert, will vie for honors in the 100-yard dash, while Rothenberg and Dunbar will be entered in the low hurdles. Rothenberg will compete alone in the high hurdles.

In the mile event, the team will be composed of Faust, Bodnar, and Opila, a green capper. The quarter mile event will be run by Ryan, Finnegan, and Widell. Finnegan and Deuter will also compete in the half-mile. A well seasoned team composed of Faust, Dannis, and Bodnar will be running in the two-mile event. The quarter mile relay team will be composed of Finnegan, Ryan, Faust, and Deuter.

Six in Field Events

Vandekieft and Simeon will have the shot-put while Dixon and Stehman will be slinging the javelin. The team entered in the pole vault event will consist of Parker, Braun, and Dixon. Vandekieft will also compete in the discus throw and the high jump events along with Simeon and Stehman.

OUTDOOR TRACK SCHEDULE—1937

- April 17—Elmhurst, there.
- April 24—Beloit and Ripon, at Beloit.
- May 1—Wheaton, at Wheaton or Stagg Field.
- May 8—Bradley, there.
- May 15—Elmhurst Invitational.
- May 22—Loyola, there.

McDaniel's 288 Wins Fifth in Rifle Meet

Chances for bettering their last year's record in the long range rifle matches held at the University of Chicago again last Saturday, April 3, collapsed when the Armour Rifle club was disqualified. A member of the team accidentally fired an extra shot into his match target.

The mishap was disappointing to the club in view of the fact that last year's entry drew a second place in the collegiate division. McDaniel, however, had the fifth highest score among the individual contestants with 288 points, being first among the Armour men.

Fencers Lose Season Opener to Kosciusko

In their first meet of the season on last Friday, against the Kosciusko Park fencing team, the Armour fencers were defeated by a score of 30 to 31. The Armour squad consisted of Folkrod, MacConnell and Reh against Martini, Jagiello and Dea respectively of the Kosciusko squad. In the first bout Folkrod of Armour was defeated by Martini of Kosciusko by a score of 5 to 3.

MacConnell and Jagiello comprised the next tilt in which Jagiello was victor by a score of 5 to 0. In the last bout of the first set Dea defeated Reh by a score of 5 to 3.

The second set saw Folkrod against Jagiello, which resulted in Armour's first victory by a score of 6 to 5. MacConnell then fenced Dea and further supported Armour by a victory of 6 to 4. Against Kosciusko's number one man, Martini, Reh was set back 5 to 3.

Set number three saw Folkrod against Dea for a third Armour victory of 5 to 0. MacConnell and Reh fenced against Martini and Jagiello and both lost, by scores of 5-2 and 5-3, respectively.

Entries Grow In Softball Tourney

As soon as weather conditions permit, the inter-departmental softball tourney will get under way. Entries have been coming in since last week and point to competition as keen as last year's, with most of the stronger teams being already signed up.

Entry Deadline Tomorrow

All further entries for teams with the players' class schedules must be turned in to Frank Hackman before tomorrow evening. A schedule will be made up and play will probably start by the end of the week, weather permitting. The freshman teams can be comprised of any of the members of the class, but no man may play on more than one team.

Senior Chems Win

In last year's tourney the senior chemicals came out on top of the heap, barely nosing out their classmates, the senior electricals, 5-3 in the final.

Ground rules for the tourney will be made and agreed upon by the managers of the teams and passed by Hackman. Most likely the rule requiring an open hand straight delivery for pitching will be enforced.

Practice Any Time

Practice for the teams may be held at any desired time, the ball and bat being secured from Hackman if applied for ahead of the desired time of practice.

The semi-finals and finals will be held as usual, during Junior Week as one of the special events.

Phi Pi's and T.X. Paddle Ahead In Ping Pong Tilts

That classic of athletic endeavor, ping-pong, again comes to the fore as the fraternities swing into their annual tourney. A schedule has been drawn up and all games in the first bracket will have been played off by the fifteenth of this month. Long regarded as a game fit only for the effeminate and those physically infirm, ping-pong is now accepted in the best of circles, and the type of playing seen in the inter-fraternity games is justification of its popularity.

Two Meets Held

To date two encounters have been played, Phi Pi Phi vs. Sigma Alpha Mu and Phi Kappa Sigma vs. Theta Xi. Three singles matches and two doubles have been played, each match consisting of five games. Phi Pi tore right through S. A. M., taking the first three matches in singles, and consequently the tournament, with no need for the doubles matches. Gates, Forberg, and Vandekieft were the victorious threesome that triumphed over Krumbein, Saltzman, and Rodkin.

Theta Xi Wins

The Phi Kap-Theta Xi play was more evenly balanced, with Theta Xi coming out on top of the heap, 3 to 2. Downing went down before Magnuson, of Theta Xi in the opener, but Lange of Phi Kap evened things up by the second. The doubles matches were split, leaving the outcome of the meet depending on the single matches between Skeppstrom and Giovan.

Skeppstrom, a Phi Kap, took the first two games, then folded up to lose the last three to his opponent.

Both losing teams, however, still have a chance in the tourney as return engagements are scheduled with their

respective rivals. Those yet to play are the Deltas vs. Triangle and Pi Kappa Phi vs. Rho Delta Rho.

"Kay, what'll we give 'em?"

"Music and Rhythm Hal, everybody loves it!"

THE FIRST PRODUCT TO HOLD TWO NATIONAL RADIO AWARDS

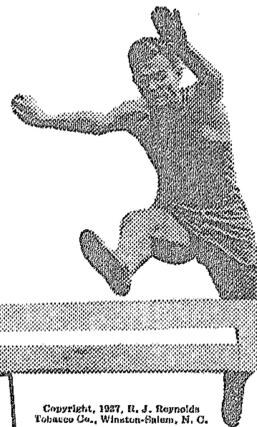

The World's Record Holder... Glenn Hardin... Going Over the Hurdles

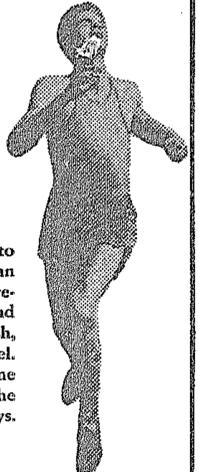

WAITING for the gun—when nervous tension reaches the crest. Because he prizes healthy nerves, Glenn Hardin smokes Camels. "They don't get on my nerves," he says.

SAILING over a low hurdle—Glenn's strained face shows how the race drains tremendous physical and nervous energy.

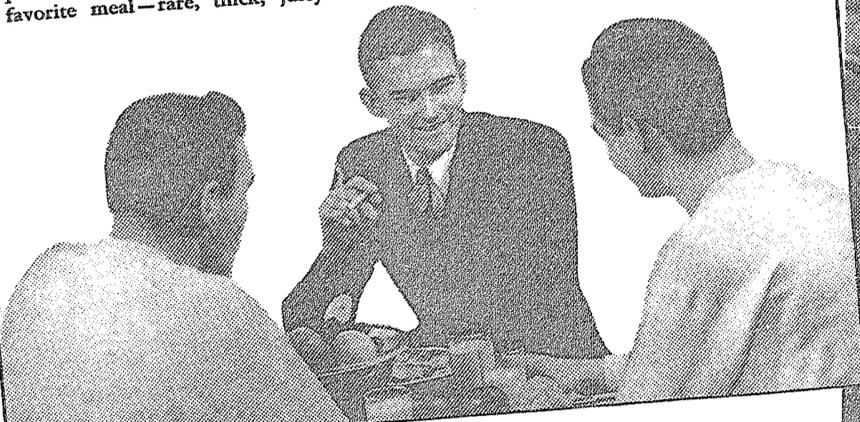

TOPPING a high hurdle—superb form helped Glenn win 2 Olympics—set the world's record. His time for the 400-meter hurdles was sensational—50.6 seconds!

SPRINTING to the finish—Glenn calls on all his reserve energy. And after the finish, he lights a Camel. "Camels give me a 'lift' and ease the tension," he says.

THE YOUNGEST MAN on the Olympic track squad. Glenn Hardin was only 20 years old when he won his first Olympic victory for the U. S. He eats sensibly—takes good digestion for granted. The picture below shows Glenn enjoying his favorite meal—rare, thick, juicy steak,

green vegetables, fruit, milk, and Camels. As Glenn phrases it: "It wouldn't do me much good to eat and not digest properly. So I smoke Camels for digestion's sake. It's grand to light up Camels and enjoy the sense of well-being that comes when digestion's o-kay."

Copyright, 1937, R. J. Reynolds Tobacco Co., Winston-Salem, N. C.

WORKS HARD on all five college courses. "Rege" Kennedy, '40, says: "I smoke Camels pretty steadily—they ease the tension of long, hard concentrating. Camels don't jangle my nerves."

AS SPOKESMAN for the hostesses of a leading air-line, Betty Steffen observes: "Camels help me keep feeling pepped-up. I smoke all I please. Camels never get on my nerves."

An Important Fact for Cigarette Smokers

COSTLIER TOBACCOS

Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.

MRS. ANTHONY J. DREXEL 3rd says: "Social life keeps nerves on the qui vive. Smoking Camels tends to minimize the strain, I find. Camels are so mild."
