

TECHAWKS WALLOP DE KALB BALLMEN FOR 8-4 VICTORY

Tech Showers Teachers With 11 Hits; Kruse Yields 7

WAGNER LEADS ATTACK

BOX SCORE Armour (8) DeKalb (4) A.B.R.H. table with player names and statistics.

Banging out three hits each, Wagner and Shewchuk led a confident Armour nine to an 8 to 4 win over DeKalb.

Wagner Gets Three Hits Shewchuk, out for the first part of the season, was in rare form, batting in a trio of runs with a double and a pair of singles.

Armour opened the scoring in the second when Seidenberg cracked a long, clean double into right. He sat on second while Kruse and Shewchuk fanned, but galloped home on Dunne's single.

Nothing happened until the fifth when the Techmen came through with three more runs. Skrzydlewski took first after catcher Derrango dropped the third strike and threw over the first baseman's head into right field.

On Roche's infield out, the runners went to second and third. Wagner then got hold of one and both Skrzydlewski and Logullo scored. He stole second and scored when Irv Seidenberg's sizzling liner nearly took the shortstop's head off.

The seventh saw two more runs for Armour on a walk, two singles, a stolen base and an outfield error. Their final two came in the ninth.

Trailing 6 to 0, DeKalb came to bat in the eighth and caused no end of worry when they scored four runs before Kruse found his pitching arm and stopped the rally.

Next Friday we'll get our first chance to see the Tech baseball team in action when they open their home season here Friday, with Elmhurst. What say, boys—let's give them a real turnout!

Their second game with Chicago was a heartbreaker for Kruse to lose. Giving only three hits to his opponent's six, and getting some fine support from his teammates, he just had the breaks against him. Better luck next time, Willie.

It looks as if the soft ball tournament which should start sometime this week will be as hotly contested as last year's. So far the teams have had plenty time to practice, and judging from appearances, they have made good use of it.

The rehabilitation program has finally spread to the Tech tennis courts. During the past week workmen have been busy spreading several loads of clay around the edges of the courts.

Trackmen Set Back Elmhurst in First Outdoor Meet 7 1/2 to 5 1/2

Dunbar Is High Point Man in Meet

Repeating their previous win, only doing so in a more thorough manner, the Tech cindersmen turned back Elmhurst last Saturday, 7 1/2 to 5 1/2, at the latter's track in Elmhurst.

Dunbar Has Four Firsts

Led by Dunbar, who was high point man for the meet with twenty points from four wins, the team gathered in a total of nine first places, eight seconds, and a couple of thirds for their winning total.

Dunbar's victories came in the 100 yard dash, the 220 yard dash, the 220 yard low hurdles and the broad jump.

Vandekieft, who took second place in scoring honors with twelve points, had a first in the discuss throw, a tie with Simeon in the high jump, and a second in the shot put.

Elmhurst Takes Opener Elmhurst led off by winning the opening event, the mile run. Camerer, outstanding distance man on the home squad, set a pace that proved too much for Faust, who had to be satisfied with a second.

The next event, however, the Techmen came back to even up matters and step into a lead which they retained to the end.

This event, the 440 yard run, saw Ryan of Armour step out, and setting his own pace, and ending his win in the javelin taking his 147 feet 10 inches, and Dunbar nosing out Loew in the broad jump by a half inch in the last.

The Tech team had the edge in the field events, winning four out of six, and scoring 29 1/2 points to Elmhurst's 24 1/2. Potyten won the pole vault with little exertion at ten feet.

Zaplotr outheaved Vandekieft in the shotput to win with a toss of 40 ft 2 1/2 inches. The remaining field events went to A. I. T., Vandekieft winning one, the discuss throw, and tying with Simeon in another, the high jump, Stehman taking his win in the javelin a final heave of 147 feet 10 inches, and Dunbar nosing out Loew in the broad jump by a half inch in the last.

Elmhurst proved the better in the mile relay, but since the Tech team had an eighteen point lead going into it, the race had little effect on the final score of 7 1/2 to 5 1/2.

Elmhurst proved the better in the mile relay, but since the Tech team had an eighteen point lead going into it, the race had little effect on the final score of 7 1/2 to 5 1/2.

Chicago Nine Slips Through Tech Defense; Wins Second Battle, 2-1

Logullo Out at Plate

Logullo made a single in the third and Wagner walked, but two men were put away when Kruse socked a liner out to short center. Unfortunately for the Techawks, however, Bernard whipped the ball in to nab Logullo at home.

After playing an excellently fielded and pitched game, the Techhawk diaboldeers were forced to turn in a 2-1 defeat last Monday afternoon, April 12, when they lost their second battle of the year to the University of Chicago. Chicago broke through Armour's superb fielding only once during the entire game, capitalizing on two runs in the fourth after two men had been put away.

Kruse took the pitching honors of the day by allowing only three hits, no walks, and striking out five men. Amunds struck out five men, but allowed three walks and six hits to threaten his victory.

Dunne hits a neat ball in the first inning but failed to receive the necessary support. In the second, however, Dunne took hold of one and sent it out of the left fielder's reach, taking second on the hit. Skrzydlewski caught the short stop off balance with a grounder and drove Dunne in on the hit. Skrzydlewski ended the inning by trying to steal third.

In the second half of this inning, Soderlind struck base and stole second. Kruse reached out white and Janas nabbed Gillerlain's fly out in left field.

On the fifth, Shipway bled out to first, and Soderlind fanned to Kruse. At this point Drive Bernard one out in left field to white placed in for the tying run, and Gillerlain lined one over second base, forcing White around and yielding the winning tally.

Logullo made a single in the third and Wagner walked, but two men were put away when Kruse socked a liner out to short center. Unfortunately for the Techawks, however, Bernard whipped the ball in to nab Logullo at home.

After an error placed Bernard on base on the fifth, Shipway flied out to first, and Soderlind fanned to Kruse. At this point Drive Bernard one out in left field to white placed in for the tying run, and Gillerlain lined one over second base, forcing White around and yielding the winning tally.

Loyola Defeats Tech Netmen In Practice

Although the tennis team lost last Tuesday afternoon to Loyola, it shouldn't be taken too seriously.

It was the first meet of the season, but it will not count on the final record because it was scheduled as "practice." Of the eight matches Loyola won eight, Armour getting one set for its credit sheet when Joe Kubie won his first set with B. Gruby, 7-5. The tennis team promises some wins as soon as the season starts in May.
