

FORESTERS HALT WINNING STREAK

Krause Pitches Entire 14 Innings As Errors, Forest Hits Upset Techawks 7-6

Lake Forest Gives Armour 14 Innings Instead of 14 Straight Wins; Both Squads Pound Out Homers, 17 Hits

RECORD GONE—TEAM CAN RELAX

Although Willie Kruse pitched the greatest game of his life and gave a most magnificent demonstration of intestinal fortitude, he didn't get any help from his teammates and consequently was beaten last Friday by Lake Forest. It was only after fourteen innings that the Foresters were able to count their seventh run and win the game from Kruse, 7 to 6. This concluded Armour's winning streak and left it at 13 straight games.

Willie pitched the entire game for the Techawks and although touched for seventeen hits always had the situation well in hand. In the field Armour made three errors, all of which counted in the scoring. At the plate the Techawks were miserable, leaving fifteen men on base, eight of them in the last five innings when a hit would have meant the ball game.

**Krause Fans Twelve**  
During the fourteen innings Kruse fanned twelve while walking only three, one of which was intentional. The only man he really had trouble with was Boyle, who rapped out four singles and two homers in seven attempts. Pacocha hit the homer for Armour in the fifth inning.

Lake Forest scored twice in the second when Wagner was unable to handle a hard smash that set the stage for the two runs which Hein drove in a second later. Homers by Boyle counted in the third and fifth while Newman's error after Seidenberg had apparently picked the man off third gave them a run in the fourth. This happened again in the eighth and let Lake Forest tie up the game. In the fourteenth, after having narrowly missed scoring in the four previous innings, Lake Forest counted the winning run when the Armour outfield lost a fly ball in the sun with two down and a man on second.

Today Tech will attempt the start of a new streak when it begins its reconstruction against North Central on Ogden Field.

Halt De Kalb Nine in Final Rally 7-6

Armour's aggressive ballmen nearly lost their shirts last Tuesday afternoon in their own back yard when a ninth inning rally, staged by the team that last beat the Techawks before their winning streak, fell short 7-6 despite Tech's relaxed defense. Held 7-2 until the ninth, DeKalb pounded pitcher Pacocha for four runs before Kruse was called in to fan the final visitor at the plate.

The Teachers scored twice in the first inning on one hit and three errors by the champions, but Armour took the lead in the third with three tallies and built it up to 5-2 in the sixth with Singles by Seidenberg and Kruse and a double by Krause. In the seventh the Techmen came through with two more counters which later proved to be the winning tallies.

DeKalb threw a scare into the Armour camp when the visitors found the range of the short right field fence and started banging out singles. Rezek started the rally by giving Dunne a ball that was too hot to handle. Young grounded out, but Lewis singled over the fence scoring Rezek. It was Armour's thirteenth straight win.

Trackmen Take All Firsts for 109-22

Taking away every first place available, the Techawk cindermen handed Elmhurst a 109-22 trouncing a week ago last Saturday to compare with a similar scoring in the indoor meet with the same team. Not only did the squad rake in fourteen firsts, but it shut the home team out of ten second places as well.

The quarter mile and the pole vault were clean sweeps for Armour. Dick Vandekieft was high scorer of the meet when he took his usual three events, the shotput, discus, and high jump.

An interesting feature of the meet was the opener when Platz outran Vernon, his former team mate from Elmhurst in the mile run, thus keeping all the firsts on Armour's side (Continued on page four)

Receive Junior Week Pentathlon Entries

Entries are now being received by R. Dixon and R. Bush for the Pentathlon to be run at 2:45 Thursday of JUNIOR WEEK. Entrants will be divided into two classes. All men who have received letters in track or field will comprise the lettermen's division while others will be in the non-lettermen's division.

A silver trophy will be awarded the winner in the lettermen's division and a bronze trophy to the winner in the non-lettermen's. Both second place winners will receive medals.

Open Interfraternity Golf, Tennis, Baseball

The seasonal rush in fraternity athletics is in full swing, and the houses are being pinched for time to fulfill their schedules. Matches will be played in softball, golf, and tennis, not to mention ping-pong, which is now in the final round.

A.B.C. Title Goes to Soph Chems

Let by Johnny Cultra, the "Cinderella man" of the first Armour Bowling Congress, the soph chems bowled their way to the championship by the tally of 2355 to 2233. Their victims in the finals were the senior fire projects.

Friday morning Natinchek and Cultra of the chems faced McIntyre and Downing in the final part of the tournament. The chem's hopes of winning were based on Natinchek but Nick couldn't get going and it fell to Cultra to pull the surprise. Johnny who had previously averaged 150 turned on the heat and turned in a card of 573. His individual lines were 190-210-173.

However while Johnny won this one for the chems, it was Bob Carpenter who enabled the sophs to stay in the running all the way. He consistently bowled 500 and finished high man on the team.

Track Meet to Illinois Wesleyan

First Loss of Armour Team Experienced in Six Meets

PILKIS WINS DECIDER

After five straight wins the Techawk tracksters at last met with a heart-breaking defeat at the hands of Illinois Wesleyan last Saturday on Stagg Field. The score was 66-65, one of the closest meets the cindermen have had in several years.

The Techawks swept into the lead with firsts and seconds in the shot put, pole vault and broad jump only to have Wesleyan pull up to a 61-61 tie with the javelin throw the only remaining event.

Pilkis of Wesleyan threw the spear 144 feet and was first until Jack Clark came up with a 148 foot toss. Then with the meet hinging on the result, Pilkis got off a 155 foot throw to win the event and the meet.

We can't overstress the outstanding abilities of our "major" sportsmen, especially the ballmen who have had their eyes focused on 23 straight wins for a long time. Nevertheless we must regress and mention the full athletic schedule of more active interest to the students who participate in JUNIOR WEEK.

The week will be packed full of sports events for the participation of the average student. Those who cannot or do not prefer to join the teams will find enough interclass interests to witness the tilts, cheer his department on, or enjoy the fun of the senior-faculty game. The frosh-soph rush is outstanding in the minds of all those who have experienced or witnessed it, and always finds a large proportion of the upper-classmen present to mess up the organization on both sides and join in the fun with egg throwing.

For variety in Armour's sport world, we are much indebted to the tennis and golf squads. After a dozen or more consecutive wins for the ballmen, and five or so for the track team, it is refreshing to hear of two teams that can preserve the good spirits of Tech's opponents.

We still maintain, however, that the tennis squad is a winning one. They looked good to the Midway spectators with their flashy style and uniforms, and now with their worst opposition over, expect to reach a higher percentage in games. . . . The golf team has hit one of those transitional periods, and little can be forecasted as to what future experience will net them on the links. . . . We note that Ed Swanson has won every tennis match thus far and may be reinstated in the number one position.

**Weight** (A) second; Abbott and Holden-reich tied for third. Height—5 feet 9 inches.  
**BROAD JUMP**—Won by Clark (A); Bingham (A) second; Bloomfield (W) third. Distance—20 feet 11 1/2 inches.  
**MILE RELAY**—Won by Wesleyan (Fasse, Wutrich, Anderson, and Chittum). Time—3:39.9.

Loyola, Chicago Defeat Netmen

North Siders Steal Match-Game to Win 4-3

Hinging on one match, and Armour Tech within one match game of victory, Tech's chances faded with the sun on a perfect tennis day last Wednesday on the Loyola courts. Loyola won 4-3, and it was Nick Natinchek that stood within one game of the victory with a 5-1 count in his third set.

A really closely contested match throughout, the favor of the meet oscillated many times, grueling sets of duce games stretching the time of play to four hours.

Although taken 6-8 in the first set, Ed Swanson smashed his way to a brilliant 6-1, 6-4 comeback and match that evened up the score. His deceiving mixture of short chops and long drives were too much for C. Du Bay, Loyola's number 2 man.

Ed Swanson Lone Winner

Although defeated 6-1 by a much practised University of Chicago "B" team, the Armour boys showed great form and fight before a gallery of enthusiastic tennis fans last Friday on the Midway.

Top honors go to the lanky red head, Ed Swanson, who overwhelmed R. Norian 6-3, 6-1 after losing a love set. It was the first time that a U. of C. "B" singles man has been defeated. Although the final score was very one sided, the individual matches were very close.

Nick Natinchek returned to old form and nearly defeated the No. 1 man, J. Atkins. Several times Nick's base-line drives forced the score up to deuce, only to have the consistent returns of his opponent eke out the final points. The other games were only close enough to give the gallery a good show.

Armour invades Wheaton today in expectation of its second win. The squad will be in action again Thursday and Saturday against St. Viators and Indiana State Teachers on the Midway courts.

MEL KOONTZ—FAMOUS HOLLYWOOD ANIMAL TAMER—WRESTLES A FULL-GROWN LION!

HERE'S MEL KOONTZ alone in the cage with four hundred and fifty pounds of lion. The huge lion crouches—then springs straight at Koontz. Nerves cool as ice, Mel meets the charge head on. Man and lion clinch while onlookers feel their nerves grow tense. But Mel

shows himself complete master of the savage beast. No doubt about his nerves being healthy! And, as Mel points out, one big difference in Camels has to do with having healthy nerves. Mel says: "No matter how many I smoke, Camels don't frazzle my nerves."

"I'll say it makes a difference to me what cigarette I smoke"

SAYS MEL KOONTZ TO PENN PHILLIPS

"I guess you have to be particular about your cigarette, Mel. I've often wondered if Camels are different from other kinds?"

"Take it from me, Penn, any one-cigarette's-as-good-as-another talk is the bunk. There are a lot of angles to consider in smoking. Camel is the cigarette I know really agrees with me on all counts. My hat's off to 'em for real, natural mildness—the kind that doesn't get my nerves ragged—or make my throat raspy."

PEOPLE DO APPRECIATE THE COSTLIER TOBACCO'S IN CAMELS

THEY ARE THE LARGEST-SELLING CIGARETTE IN AMERICA

ONE SMOKER TELLS ANOTHER... "Camels agree with me"

MEL KOONTZ and Penn Phillips got to talking on the subject of cigarettes. Like Mel Koontz, millions of people find what they want in Camels. One smoker tells another: "Camels agree with me!" Yes, those costlier tobaccos in Camels do make a difference!

Camels are a matchless blend of finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic

"WE CHOOSE CAMELS FOR OUR OWN SMOKING. WE KNOW TOBACCO"

— SAY THESE TOBACCO PLANTERS

"I know the kind of tobacco used for making various cigarettes," says Mr. Beckham Wright, who has spent 19 years growing tobacco, knows it from the ground up. "Camel got my choice grades last year—and many years back," he adds. "I'm talking facts when I say Camels are made from MORE EXPENSIVE TOBACCO'S."

Mr. George Crumbaugh, another well-known planter, had a fine tobacco crop last year. "My best yet," he says. "And the Camel people bought all the choice lots—paid me more than I ever got before, too. Naturally, Camels is the cigarette I smoke myself. Fact is, most planters favor Camels. So I know that Camels use finer tobaccos."

Mr. Cecil White, successful planter of Danville, Ky. "Like most planters around here, I sold the best of my last crop to the Camel people. And at the best prices. I stick to Camels and I know I'm smoking choice tobaccos."
