

## Chicago Shown Fastest Indoor Mile By Fenske

COLLEGE TOTAL POINTS	
North Central	434
Wayne	21
Michigan State Normal	181
Armour Tech	137
Milwaukee Teachers	137
Carleton	13
Western State Teachers	11
Coe	5
Northern Illinois Teachers	5
Dubuque	3
Elmhurst	3
Illinois State Normal	2
Western Illinois Teachers	2
UNIVERSITY TOTAL POINTS (Unofficial)	
Illinois	344
Wisconsin	322
Chicago	254
Kansas State	15
Kansas	15
Northwestern	14
Michigan State	2

(Continued from page 1)

Huntley of Illinois, and equaled the American record of :08.6 in that event. He also won the low hurdle event to score a double. The third Wisconsin record breaker, Milt Padway, soared to a new record in the pole vault by clearing the bar at 13 feet 9 3/4 inches, bettering the old Armour mark of 13 feet 8 1/2 inches set by Siebert of North Central in last year's track carnival.

The former mark of 6 feet 5 in the high jump established by Nelson of Butler in 1932 was raised one inch when Charles Bechel cleared the bar at 6 feet 6. The University of Illinois sprint medley relay team with McCowan starting in a 440, Orlovich and Downs running a 220 each, and finishing with Gaines in an 880, lowered the 1937 Illinois record of 3:43.3 in the Relays by covering the distance in 3:21.9.

### Bingham First Armour Winner

Armour fans found opportunity to cheer when Bingham stepped out in the 70 yard dash and defeated Rikli of North Central in :07.3. This is the first individual track event that Armour has ever won in its own Relays.

Covington, an Armour freshman, gave his team its other first in the college division by running the 440 in :53.6 to win over Elmhurst's Nottrott. Elwood enabled Armour to get 3 1/3 points by virtue of his 12 foot mark in the pole vault, tying for first with Anderson of Milwaukee State Teachers and White of North Central.

### North Central Dominates

North Central completely dominated the college division of the meet by winning the college sprint medley relay and the college 70 yard low hurdles, tying for first in the one mile relay, and scoring place points in six other events. North Central's winner, Lindstrom, in the 70 yard high hurdles ran the event two tenths of a second slower than the Armour record, but was able to break the tape before Anderson and Miller of Michigan State Normal.

The one mile relay was a close race. Coe, leading on the first lap, saw North Central forge into the lead on the third 440 through Rikli's running, while Volta, anchor man of Wayne, brought his team up to challenge North Central's lead, and then finished in a dead heat, Wayne and North Central tying.

North Central's other first was in the sprint medley relay in 3:36.9. Armour opened strong with McCowan far in the lead, but was unable to keep up the pace, finishing behind Milwaukee State Teachers and Michigan State Normal.

### Carleton Wins Two Mile

Carleton's time of 8:08 in the college two mile relay came close to tying the Armour record of 8:07.9 set by Illinois State Normal in 1934. Carleton got an early lead and was able to maintain a comfortable margin all the way. North Central came in for second place points followed by Michigan State Normal and Illinois State Normal in third and fourth places, respectively.

Davenport of Chicago came within one-tenth of a second of equaling the Armour record of :07.1 in the university 70 yard dash. Fagler of Kansas State placed second with Lehman of the University of Illinois third and Fox of Kansas in fourth. In the university 440 Harcrow of the Midway ran a fast quarter mile in 21.1. Risley of Northwestern finished in second place ahead of Norris of Wisconsin and Keitel of Northwestern.

### Smith Scores Double

Sam Smith of Wisconsin proved to

## Swimmers Lose Final Meet 13-51

In the last meet of the season, the Armour swimming team was defeated by the Kenosha Youth Foundation, 51-13, at Kenosha Friday. This was the second defeat at the hands of the K.Y.F., the former score being 45 1/2-18 1/2 February 18 at Bartlett.

Armour succeeded in getting only one first and a second place to count for most of the points. In the 220 yard free style captain Dodge came through with a win in 2:38.0 to count for five points. Then Winblad stepped out to take a second in the 100 yard back stroke.

The remaining points came about as the result of third place winners. A new pool record was set in the 100 yard breast stroke when Neward flashed by Svagdis in 1:08.4.

In the final event the Tech medley team chased their opponents to another new pool record in 1:07 flat. This was the only meet of the year that the Armour team failed to make an improved showing over their previous showing with the same squad.

## Divoteers Air Plans; New Net Men Sought

Golf Manager Jim Sheehan last Friday announced that entries are now being accepted for the annual spring golf tournament. This marks the second tournament of the year, the other being held last fall and won by Bob Marshall.

Those that are interested in taking part in this event will be urged to see either coach Bibb or Sheehan. The play will take place on a Saturday early in April, the definite date not having been determined as yet.

Meanwhile the regular golf squad is making preparations for the formal opening of the practice by applying use to the driving range erected in the gym. In the near future, the squad will take to the Southmoor Country Club and set down to real work. Due to the new method of position selection, Armour's chances of emerging with a triumphant season are good. This year, instead of the men being placed by seniority, they will be arranged by low scores. This should result in a team far more capable to face the eight match schedule than might otherwise have been produced.

Meanwhile action is about to start in the tennis section of the activity map. The team initiates practice this afternoon in the Armory. Manager Schlax, in seeking new material, has asked all candidates to be sure and equip themselves until the team is chosen. Practice will be held every Tuesday and Thursday from now on and everyone interested is requested to report.

be the master of the low hurdles as well as the high hurdles by winning in the 70 yard low hurdles in :07.7 or one-tenth of a second slower than the Relay record. Brombaugh of Chicago was runner-up, finishing ahead of Hotchkiss of Kansas State in third and Robinson of Michigan State in fourth. The university two mile relay, which was won by Kansas State, was run in the slow time of 8:04.1. Northwestern finished second and Kansas third. The only other entry, Wisconsin, dropped out at the half-way mark.

The four Chicago high school teams which qualified in the city high school meet in the afternoon ran in the only high school event of the evening, the half mile relay. Austin came through for first place in 1:35.7. Steinmetz ran second followed by Lakeview and Crane.

### Illinois Takes 34 1/2 Points

Although there was no team trophy given in the university class, Illinois placed first among the seven contesting universities with 34 1/2 points, and Wisconsin pulled up in second place with 31 1/2 points.

No one man dominated the meet in the college division, but Lindstrom of North Central by virtue of his first in the 70 yard low hurdles and his second in the 70 yard high hurdles was able to take high scoring honors with a total of eight points in the college events.

(EDITOR'S NOTE: This column is being conducted by ART JENS, former sports editor and originator of Tech Shorts back in 1929.)

**A Carnival Becomes A Champion**  
Armour's Relay Carnival became of age last Saturday amidst a fanfare of sensational performances and is now definitely established as the leading track and field carnival of the middle west. The standout athlete was Wisconsin's Charles Fenske who in his aparent effortless manner sunk Brocksmith's long standing mile record by more than 5 seconds. There of course were others. Padway, Mehl, Smith, Davenport, Frary, Halcrow, Meis, Bechel and many others contributed performances that made this anniversary meet the best of the Relays and suggests what may be expected in the 11th running in 1939.

Getting back to Fenske. We were standing next to Tom Jones, Wisconsin coach, as his star miler was pounding the Chicago track for the record that is perhaps the twelfth fastest mile ever run. Coach Jones expressed himself as being fearful that a 62.3 third quarter would extend his runner so that a 62 final quarter would have been impossible. Still the Badger star held his excellently judged pace and with a final burst of speed crossed the finish line with a 62.1 fourth quarter and a time of 4:08.9.

The First Turn in the University Sprint Medley Relay

**Was Cunningham, Now Fenske**  
It has been written many times that when Glenn Cunningham finally hangs up his spikes another lad, Archie San Romani, from Kansas will replace him as the stand-out miler. May we amend this to read that Cunningham will not be replaced by a fellow Kansan but by a Wisconsin Badger named Fenske. He has made his mark now watch him go.

Comparing the 4:04.4 mile run by Cunningham at Dartmouth and

## Wrestlers Third in Midwest Meet

While Armour was stealing a third place among the entries, Wheaton's first annual invitational wrestling tournament was won by the sponsors of the tourney, Wheaton.

Armour's representatives made their presence felt but were not able to come out on top in the finals in any of the weight divisions. The engineers placed four men in third place in their weight division and Tullgren in the finals for a total of 13 points.

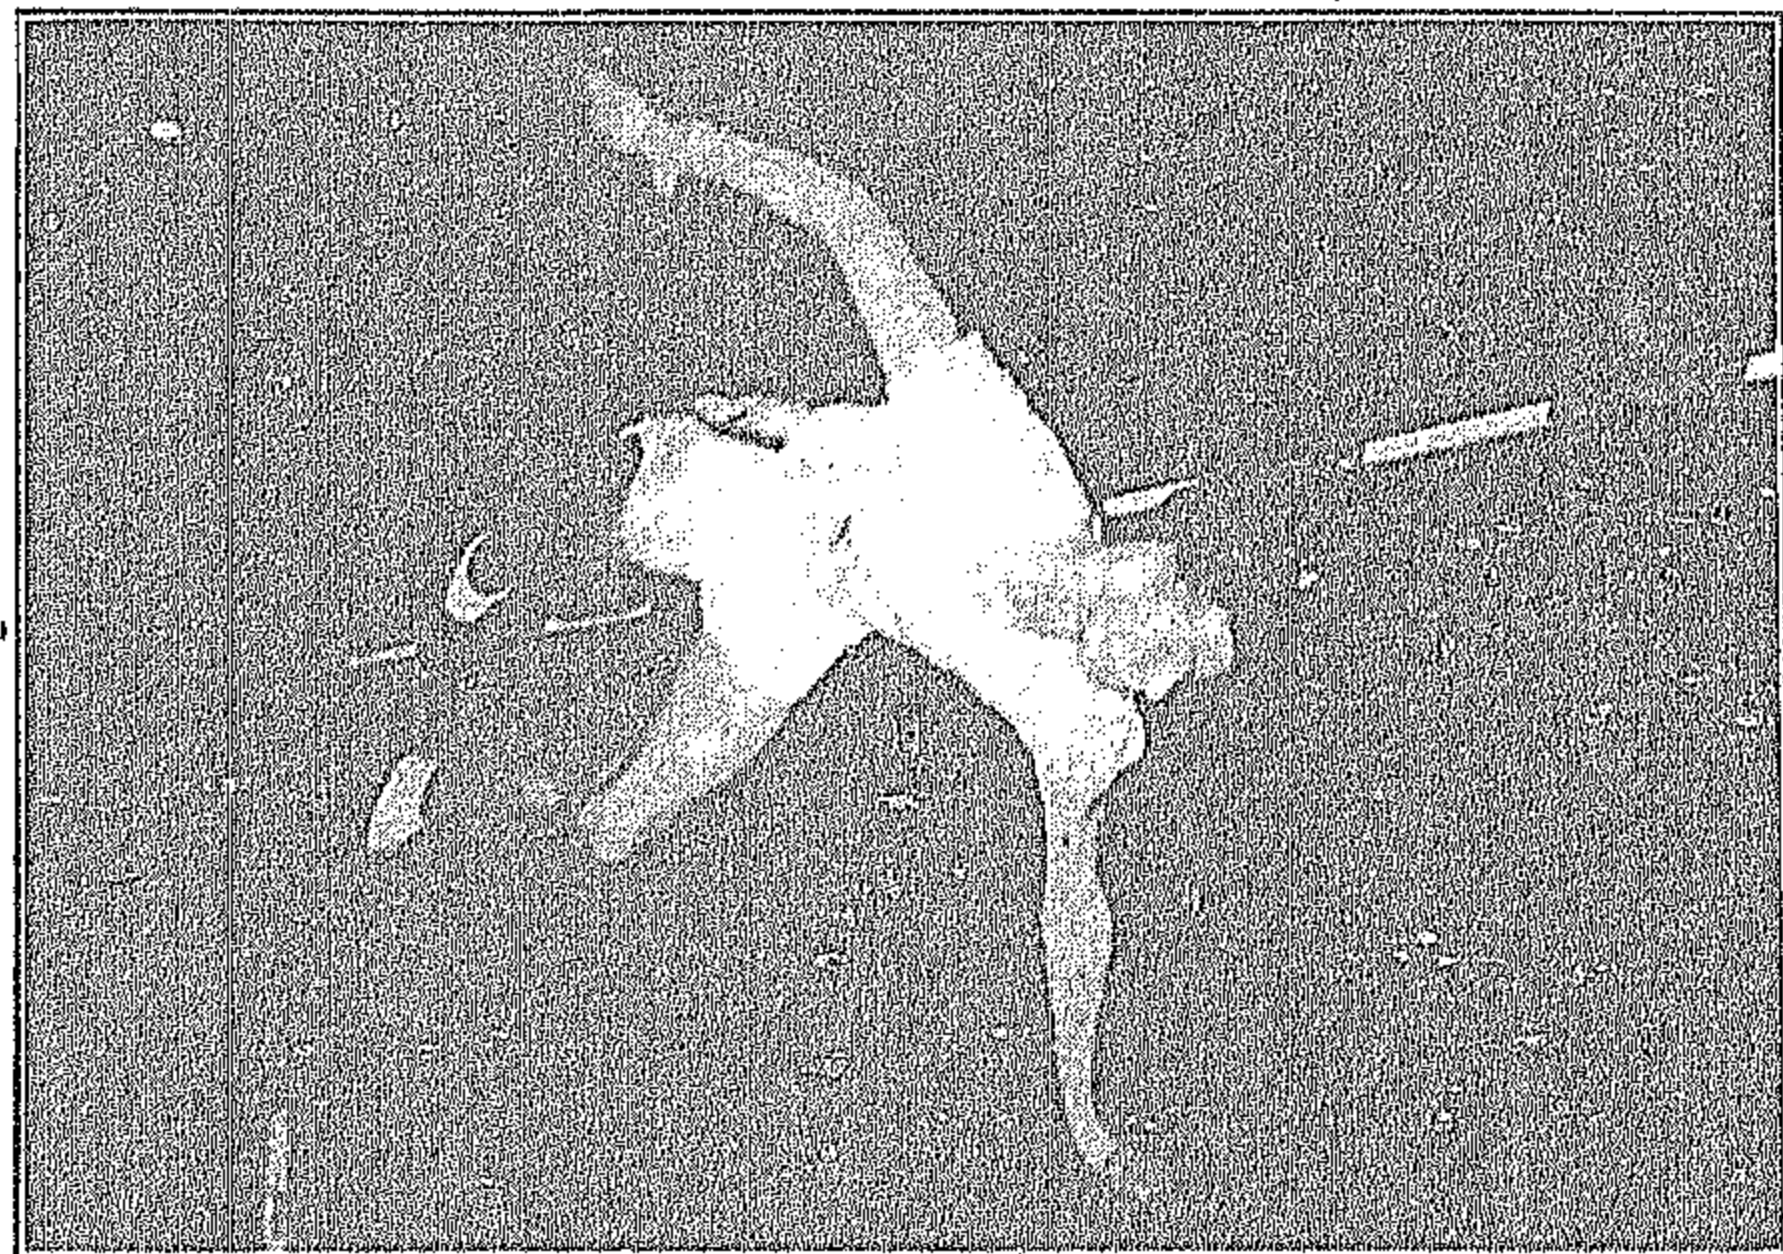

McDaniel at 118 pounds continued his season's good work by advancing to the semi-finals and then downing his opponent in the consolation match for a third place rating. Till met the same success in the 126 pound division and gave Armour another third place in the tourney.

Captain Dunne, who had not been defeated throughout the season, came out from underneath in the semi-finals of the 135 pound class. He also went on to win third place by a victory in the consolation.

Tullgren proved to be the lone Armour man to reach the finals, but bowed to his opponent thereby scoring runner-up points in his weight class.

McIntyre came out with another third place rating for the Armourites, leading them to their total of 13 points and a third place as a team in the tourney.

Fenske's performance last Saturday it is our belief that under similar conditions Fenske could have cut his time at least three seconds. Remember the Dartmouth race was in the nature of a match race for Hal Wenson, Dartmouth's crack miler, was given a 600 yard handicap so that he might pull Glenn out after the three-quarters point had been reached. It is doubtful whether Cunningham's fine mark will receive other than a noteworthy performance classification.

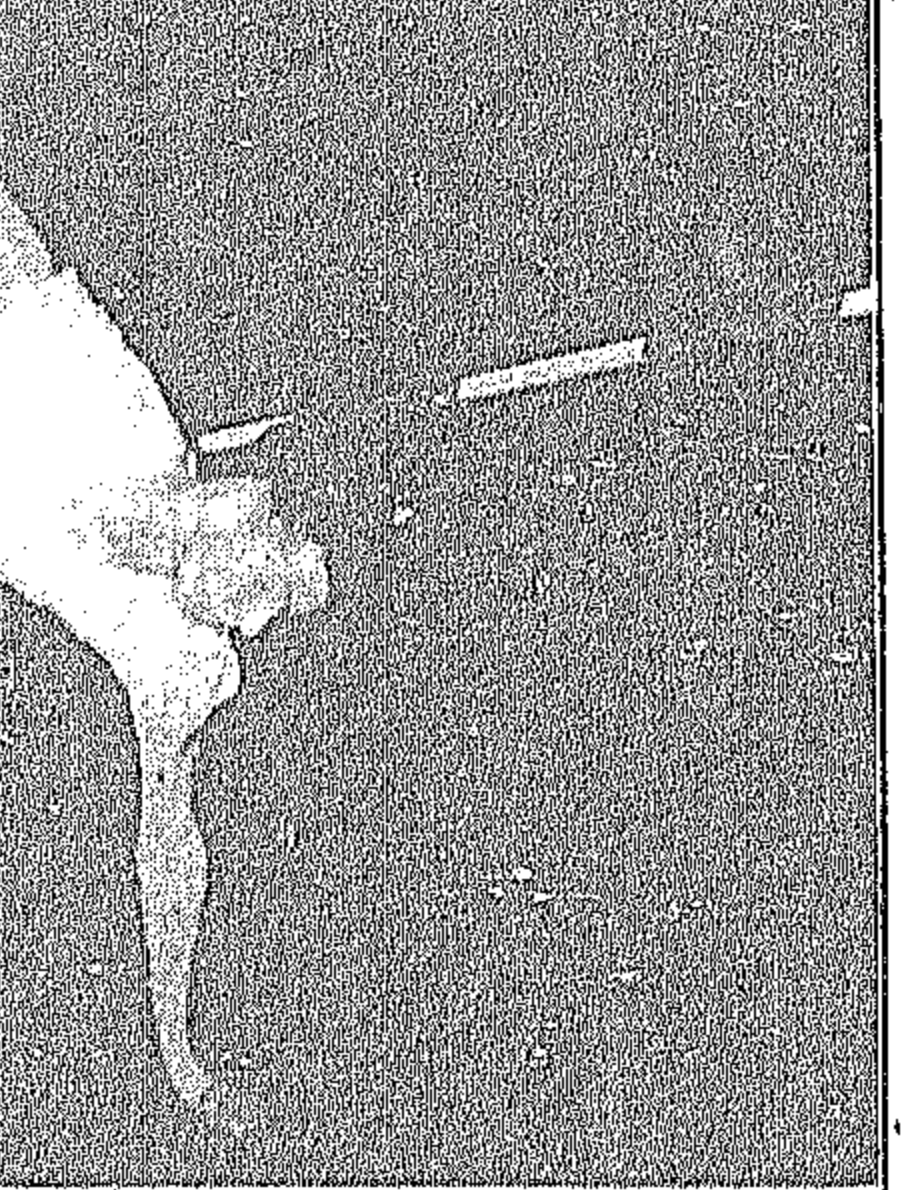

Charles Bechel Wins High Jump for Fourth Straight Year

### Where Was the Band?

One thing we missed at this meet was the band that has been as much a part of the Relays as any of the track or field events. How thrilling it would have been to have heard the band in tempo with the running feet of Fenske!

Bechel of Northern Illinois Teacher's after clearing six six made a

**Bigger and Bigger**  
In closing we again, with pardonable pride, must say that the Armour Tech Relay games are the middle west's outstanding track carnival. We have only to point to the class of Saturday's field to prove this contention. The results speak for themselves. When five records can be broken in a meet where the marks are pegged as high as the Armour standards then the only word that comes to mind is CLASS. The success of any meet lies in the work

of the officials. The men John Schommer called upon to assist him did an excellent job and handled many difficult problems to the satisfaction of all concerned. We know they were impartial; we know they were eminently fair.

We now come to that place where we must bid adieu but only for the space of a year. Then there will be held the Eleventh Armour Relays which, if the past is to be any guide, will surpass anything we have seen before. To the Armour Relays—to Armour Institute every hope for a successful future.

Art Jens.

### COMPLETE SUMMARIES

**SPECIAL ONE MILE RUN**—Won by Chuck Fenske, Wisconsin; Mehl, Wisconsin, second; Klann, Kansas, third; Mitchell, Kansas State, fourth. Time, 4:08.9 (Breaks meet record of 4:14.1 set by Brocksmith, Indiana, 1932.)

**COLLEGE TWO MILE RELAY**—Won by Carleton (Peers, Wood, Thorckman, Sterio); North Central, second; Michigan Normal, third; Illinois State Normal, fourth. Time, 8:08.

**COLLEGE 70 YARD DASH**—Won by Alexander Bingham, Armour; Rikli, North Central, second; Fremuth, Wayne, third; Gibbs, Dubuque, fourth. Time, :07.3.

**UNIVERSITY 70 YARD DASH**—Won by Davenport, Chicago; Fagler, Kansas State, second; Lehmann, Illinois, third; Fox, Kansas, fourth. Time, :07.2.

**UNIVERSITY TWO MILE RELAY**—Won by Kansas State (Leland, Mitchell, Hofness, Miller); Northwestern, second; Kansas, third. Time, 8:04.1.

**HIGH SCHOOL HALF MILE RELAY**—Won by Austin (Norton, Cook, Olson, Schuler); Steinmetz, second; Lake View, third; Crane, fourth. Time, 1:35.7.

**SHOT PUT—OPEN**—Won by Dean Frary, Illinois; Vanderbilt, Kansas State, second; Gragg, Illinois, third; Elzak, Wayne, fourth. Distance, 46 feet, 8 1/2 inches.

**COLLEGE ONE MILE RELAY**—Tied by North Central (Heartt, Richel, Rikli, Wagner) and Wayne (Schwartz, Luby, Mullen, Volta); Coe, third; Michigan State Normal, fourth. Time, 3:28.4.

**COLLEGE 70 YARD HIGH HURDLE**—Won by Kenneth Thompson, Western State Teachers (Mich.); Lindstrom, North Central, second; Ralston, Coe, third; Anderson, Michigan State Normal, fourth. Time, :09.1.

**UNIVERSITY 70 YARD HIGH HURDLE**—Won by Sam Smith, Wisconsin; Hotchkiss, Kansas State, second; Brunton, Illinois, third; Rathaway, Northwestern, fourth. Time, :08.6 (Breaks meet record of :08.7, set by Huntley, Illinois, 1936, and equals American record.)

**UNIVERSITY SPRINT MEDLEY**—Won by Illinois (McCowan, Orlovich, Downs, Gaines); Chicago, second; Kansas, third; Kansas State, fourth. Time, 3:31.9. (Breaks meet record of 3:43.3, set by Illinois in 1937.)

**HIGH JUMP**—Won by Charles Bechel, Northern Illinois Teachers; Dick, Wisconsin, and Wellwood, Wayne, tied for second; Brewsior, Michigan State Normal, Diefenthaler, Illinois, Mehaffey, Kansas State, tied for fourth. Height, 6 feet, 6 inches. (Breaks meet record of 6 feet 5 inches, set by Mehl, Butler, in 1932.)

**COLLEGE 440 YARD RUN**—Won by Earl Covington, Armour; Nottrott, Elmhurst, second; Stanger, North Central, third; Underwood, Western State Teachers, fourth. Time, :53.6.

**UNIVERSITY 440 YARD RUN**—Won by Halcrow, Chicago; Risley, Northwestern, second; Norris, Wisconsin, third; Keitel, Northwestern, fourth. Time, :51.1.

**POLE VAULT—OPEN**—Won by Milton Padway, Wisconsin; Nelson, Northwestern, second; Elright, Kansas State, third; Anderson, Milwaukee Teachers, White, North Central, Elwood, Armour, tied for fourth. Height, 12 feet 9 3/4 inches. (Breaks meet record of 13 feet 8 1/2 inches set by Siebert, North Central, 1937, and Elwood's 12 foot vault breaks Armour's track team record set by himself two weeks ago.)

**COLLEGE 70 YARD LOW HURDLE**—Won by Jack Lindstrom, North Central; Anderson, Michigan State Normal, second; Miller, Michigan State Normal, third; Ralston, Coe, fourth. Time, :07.3.

**UNIVERSITY 70 YARD LOW HURDLE**—Won by Sam Smith, Wisconsin; Brombaugh, Chicago, second; Hotchkiss, Kansas State, third; Robinson, Michigan State Normal, fourth. Time, :07.7.

**ONE MILE RUN—OPEN**—Won by Ford Hess, Western State Teachers; Wood, Carleton, second; Yarcho, Illinois, third; Miller, Western Illinois Teachers, fourth. Time, 4:33.1.

**880 YARD RUN—OPEN**—Won by Harold Miles, Illinois; Mehl, Wisconsin, second; Ainsworth, Wayne, third; Smith, Michigan State, fourth. Time, 2:00.9.

**COLLEGE SPRINT MEDLEY**—Won by North Central (Wagner, Heartt, Rikli, Keyes); Milwaukee Teachers, second; Michigan State Normal, third; Armour, fourth. Time, 3:26.8.

**UNIVERSITY MILE RELAY**—Won by Chicago (Powell, Sponsel, Webster, Halcrow); Illinois, second; Kansas, third; Wisconsin, fourth. Time, 3:24.2.

## Tankmen on Low End of Season's 7-5 Meet Record

With the ending of the Kenosha meet, the Armour swimming team fell short of breaking even in its schedule, but from a look at the competition involved, concluded one of its most successful seasons. Out of twelve meets scheduled the Techmen won five and lost seven.

Opening the season with a slow start, the team developed into a nicely rounded squad. The only exception was the lack of divers, the team's weakest event.

In the opener of a tough schedule Wright administered a 57-18 defeat. The team then went through a period of improvement while losing a close meet to Loyola but winning the next two from South Side and North Central.

At DePauw, one of the two scheduled traveling meets, swimming intercollegiate distances the local natators showed up well although losing 59-25. On the return meet at Bartlett pool Armour made a great comeback showing while losing 43-32 in one of the closest meets of the year.

The two meets with Kenosha spelled defeat for Aromur. The honors for the closest meets went to North and South Side. At Naperville, it was a matter of the relay winning the meet, 34-32, while at Wilson the medley left Armour a one point advantage of a 38-37 score. The meet with Loyola a week ago showed a little of the improvement the team went through.

Armour's opponents amassed 504.5 points during the season as compared to the Techawks 356.5. Captain Dodge lead his teammates in individual scoring by winning with consistency the 230 free style event, and usually placing in the 100 free style. These points added up to 86.7. Behind Dodge came Vic Svagdis, who by winning the 100 yard breaststroke and doing his bit on the medley team had a total of 56.4.

Bob Winblad, newly elected captain, who swam backstroke and was one-fourth of the relay was right on Svagdis' heels with 54 points. Fourth place honors went to Pettes, a freshman who won the remnants of diving honors for Armour and sprinted the shorter distances.

Although not establishing any records, the Armour lads turned in some fast times. Winblad's time of 1:14.8 at the Loyola meet was his season's best for the 100 yard back stroke. Anderson sprinted the 40 yards free style in :19.5 which was about the season's best, Armour or opponent. Also the medley team of Winblad, Svagdis, and Anderson turned in a fast 1:09 for the 120 yards.

Next season's hopes should look bright as there will be no gaps made in the Armour squad by the June ceremonies. With the squad composed of sophomores, freshmen, and juniors, the future is viewed optimistically.

## Elwood Raises Dixon Record in Pole Vault

John Elwood, Armour's star pole vaulter at the Relays, continued to break school records by raising the pole vault record for the second time this year after previously tying Dixon's mark of 11 feet 6 inches, set in the meet with the University of Chicago.

When John Elwood cleared the bar at 11 feet 9 inches a week ago last Friday at the North Central invitational track meet, Armour's pole vault record was broken for the second time this season.

Elwood, the freshman co-op, was spurred on by the vaulters in the Relays and as a result succeeded in getting a tie with Anderson of Milwaukee Teachers and White of North Central by vaulting to a height of twelve feet.

Bingham also went in for record breaking by lowering the 70 yard dash mark of the school by two-tenths of a second. The former mark of :07.5 held by Engleschall since 1935 was broken when Bingham scored a first in the Relay event by sprinting the distance in :07.3.
