## Swanson and Sliwa Lead Scorers on Trip

By HOWARD COYLE

Had Tech been looking for easy victories on its eastern trip, it wouldn't have picked for its opposition the winning teams of the University of Detroit or DeSales College, both of whom defeated Armour by substantial margins last week. Armour Tech played games of a good ball club, but couldn't twist up the defense of the Titans, or stop the fast break of the Sailors of Toledo.

For its second defeat of the trip, Armour dropped to Detroit Saturday night 60-35, in the Naval Armory. Switching from man to man defense to zone early in the game, Tech forced most of the Titan scoring back to the guards, two of whom tied for high point honors with 11 points apiece. Accurate loop shots edged the Detroiters ahead as the tight Titan defense held Armour to three field goals in the first half. The halftime score was 28-14.

#### Detroit Unbeaten at Home

When Detroit had built up even a larger lead, the Techawks loosened up and scored field goals-two set-ups and a long by Herb Sher, and two short shots by Captain Swanson. Altogether Tech converted 15 out of its 19 free tosses. It was the 8th victory in 11 starts and the 7th on the home floor for the Titans.

Succumbing to a fast break offense in a second half rally, the Techawks lost to DeSales College 51-35 last Thursday night in Toledo, Ohio. The Sailors had a stormy time of it during the first half, but managed to win out for their 11th victory in 14 starts.

Fast Break Wearies Techawks

Armour Tech's scoring was paced by Captain "Big Stoop" Swanson and Hank Sliwa, both of them copping scoring honors of the game with 13 points apiece. Meanwhile the Sailors baraged holes in Tech's tired second half defense by employing all of its 15 man squad, 11 of them participating in the scoring.

For the most part of the inaugural stanza, Coach Stenger's crew was leading DeSales from one to four points. Just before the gun, however, O'Connell and Mosser looped field goals from far out to give DeSales a halftime lead, 21-20.

DeSales had rallied for 18 points in the second half attack while Tech took three free tosses, before Ed O'Connor looped in Armour's first fielder. Barret-Smith accounted for two fielders before the close of the game to bring Tech up 51-35.

#### Leasure, No. Central Star

Practice, this week, will consist mostly of an attempt to devise a scheme by which "Slick" Leasure, North Central's high scoring forward, might be stopped. The necessity of halting the Cardinal flash can be seen from a study of his record.

So far this year, this 190 pound junior has totaled 79 points in 6 games. This record looked better before the Carroll games since his three shots only grossed two baskets against the Wisconsinites. Last year he ran up 215 points in 14 games for a new Cardinal record.

Another feature about this Naperville star is his ability to play the full route without slowing up. Although he never played a minute in high school, his time of participation last year was 544 minutes out of a possible 560. Len Bieber considers "Slick" his best product as well as the finest player ever to come out of North Central.

The problem of who is to guard Leasure will be settled this week after the practice sessions have been concluded although Bill Scherer seems in line for the job. Bill, a resident of Naperville, has scouted Leasure and has hopes of bottling

### Whip Arkansas State

To the present time, the Cardinals have won three and dropped a like number. Their outstanding victories were over Arkansas State whom they downed 60 to 26, and Wheaton who fell 51 to 32. In this latter game, Leasure tallied 25 points with ten baskets and five free throws.

#### Dodge Takes Three Seconds

Again, as last year, the Lou Gehrig of the water proved to be Ray Dodge. By taking three seconds, he also was Armour's top point man. Ray achieved second places in the 220 yard free style, 100 yard free style, and 440 yard free style events. To swim all of these and make a good showing in one afternoon certainly is test of a swimmer's ability.

All of Armour's swimmers made an excellent showing. Perhaps when DePauw meets Armour at Bartlett Pool in early March, the tables will be turned and the Techawks will be the victors.

The game was played before an audience of 2,000 spectators January 21 as the curtain raiser of a twin bill offered by the Coliseum.

Led by Eddie O'Connor, the Techawks held a 17 to 8 lead at half time and, although the Teachers came tremendously close, retained the lead for the remainder of the game. O'Connor scored nine points before being ejected on fouls in the Hats off to Paul Henriksen who | first two minutes of the second half, point man for Armour was Swanson with ten points. These enabled Ed to finish second to King of Normal, who sank seven baskets and a free throw.

### Wild Passes Spoil Chances

Ragged passing after O'Connor's departure prevented the Institute from running up a larger score. A continual fast break was useless due to the inability of the passers to find the receivers.

The Normalites were handicapped by the loss of three players through fouls and this slowed up both their offensive and defensive play. Despite this, the Teachers came within one point of tying the score in the last few minutes before successive baskets by Scherer, Sliwa and Swanson put the game on ice.

The Redbirds of North Central scored a victory over the Techawk trackmen last Saturday morning to the tune of 64-31. It was the first meet of the season for the Techawks and the absence of some men and lack of conditioning on the part of others contributed largely to North Central's superiority.

Just as he reached the top of his jump, the pole broke. Managing to twist away, Elwood landed in the pit with only a cut lip as the result of his experience.
