

# Senior Chems Unleash Attack; Smash Scoring Mark; Win 32-0

## Carpenter's Passes Win For Junior Chems

Last Friday, two steamrollers plowed down Ogdan Field and in their wake they left a shattered junior mechanical team and an eliminated senior fire protect squad. The steamrollers were the upper classmen of the chemical department, the seniors who won 32-0, and the junior chems who ran up a 19-0 score.

The score run up by the senior chems establishes a record for this season and surpasses the 30-0 record of last year. The former record was held by the firemen of '38 who killed off the present junior chemicals by that score last year. Five touchdowns and a safety were the margin of victory last Friday.

The senior chems displayed their versatility by the manner in which they scored all their points. After Isakson caught Wolniak behind the goal for a safety, the chems opened their passing attack in earnest. First Kruse passed to Rothenberg for a score, then Lyckberg went out to take a flip from Adeszko. After a slight delay while the mechs started a rally, Adeszko again passed, this time to captain Rothenberg. An interception by Wolniak failed to slow up the seniors for as soon as they got the ball again, Adeszko cut behind the secondary and took a toss from Rothenberg for the fourth tally by the chems. Six plays later, he took a pass from Kruse for the final score.

An analysis of the game clearly showed that the mechs sadly missed the presence of Jack Clark who is abed with pneumonia. Many of the spectators expressed the opinion that things would have been a lot different had the mechs had their ace.

In the junior chem-senior firemen game, the chems started off as if they were going to better the score of the previous game when on fourth down in their first series, a pass from Carpenter to Natinchek counted for a score. Following the kickoff, another pass, this time from Carp to Norkus made it 12-0. This score prevailed the rest of the half although the chemicals had several chances to score.

In the second half, the chems marched to the ten yard line from where Sher passed to Carpenter for the third and final touchdown. After this the chems bogged down and they were unable to boost the score.

## FLOOGIES BEAT JUNIOR CIVILS

That age doesn't mean a thing was proven Thursday as the Flatfoot Floogies, a Freshman aggregation, trounced the junior civils.

Midway in the first half the frosh intercepted a junior pass and in three downs were in the shadow of the West goal.

A pass from Tatge to Scott was then engineered which drew the first blood. The extra point was made, Bell to Simonini, and the score became 7-0 with the juniors on the short end.

The frosh onslaught was largely due to the fine rushing and blocking of their linemen; Eadie, Simonini, and Ther performed this role nicely.

The civils, whose forte lay in their passing, demonstrated some of their act as they opened the second half.

Weber promptly pulled down a frosh pass and galloped to midfield with the pikskin. With Weber, Mackey, and Jaedke clicking, the civils brought the ball to within ten yards of the goal in three plays, and scored on a pass over center. They then tied up the game 7-7 when Mackey tossed to Weber for the extra point.

With only three minutes to play, the frosh drive bore fruit—for Tatge was able to fake a pass and run over the line to score, giving the freshman "swingsters" a 13-7 victory.

## SOPH ELECTS WIN 19-0

Thursday afternoon saw the soph juicers eradicate the junior fire protectors from the season's touchball competition.

Matthews and his crew of 41's took off to a rushing start by piling up 19 points within the first four minutes of play.

John Eggers of the fire protects and his boys took it on the chin to begin with, as Bosnak, electrical, blocked a

pass by Eggers, caught it, and scored 6-0.

The firemen then kicked off and the soph machine went into action with Franzene whisking off for forty yards as he took a lateral just past midfield for the 12-0 score.

Captain Matthews, as soon as his men regained possession of the ball, ran it over the line for the third tally, and Carrier swallowed a pass for the only extra point, 19-0.

Then the fire protects stiffened—the soph were unable to make any further score for the game's duration.

The DeMent to Eggers combination was responsible for most of the fire protects' offense but they could not deliver.

## SOPHS WIN IN REPLAY

Aided by a stiff wind the sophomore fire protects nosed out the "Short Pants," a freshman entry, 7-0, last Thursday.

The first part of the first half was uneventful except for a long run by Dick Larsen of the firemen. Before the first half was over, however, two passes from Long to DeMoney in quick succession accounted for the first and only tally of the game. The try for the extra point was a success due to an end run by Larsen.

Holding tenaciously to their lead, the sophs went into action in the second half and nearly scored again, but

## SCHEDULE

Today
Soph Mechs vs. Phi Pi Flashes, 12:30.
Tomorrow
Soph Civils vs. Senior Chems, 12:30.
Thursday
Soph F.P.E. vs. Junior Mechs, 12:30.
Soph Chems vs. Short Pants, 2:10.
Friday
Junior Chems vs. Flat Foot Floogies, 10:30.
Senior Mechs vs. Jr. Civils, 12:30.

# Fraternities Play First Grid Round

Friday evening the demons of the Delt House, led by the triple threat trio, Puhl, Sherer, and Tullgren, swamped Theta Xi 26-0 to perform their first title defense of the year.

Theta Xi kicked to Delt, Sherer ran the ball back 30 yards, and in three plays the score stood 7-0. A few minutes later Sherer intercepted a pass for another tally. Puhl, Suthers and Sherer combined reverses, passes and laterals to complete the slaughter.

In the closing minutes of play, Theta Xi vainly attempted to click on long passes. Theta tried hard, but the hard hitting, blocking, backs and rangy ends thundered over the inexperienced Theta Xi team.

## Rho Delts Win 39-0

Rho Delta Rho repeated last year's rout of the Sigma Alpha Mu's last Thursday afternoon when they ran up a 39-0 score over their hapless rivals.

Harv Rothenberg led the Rho Delts to their victory. Max Ephraim starred as the receiver of Rothenberg's tosses.

After it looked like the score might be too bad, the Rho Delts put in a second, and then a third team—but to no avail for the Sammies.

## Phi Kaps, Pi Kaps Win

Phi Kappa Sigma held the Phi Pi's 7-0 Thursday afternoon after scoring on a field-length pass from Proctor to Boland, who juggled the ball all the way to the goal. The extra point was made by a pass from Rider to Shanley.

A series of four touchdowns by Pi Kappa Phi set back the Triangle six before the latters scored on the final play to finish it 25-6. Harry and Frank Heidenreich each accounted for one score, while Schmal's lateral and run, and Johnson's receiving gave the Pi Kaps their quota of points.

In the two touchball games on the schedule for this week, the Delts will be pitted against the Pi Kaps, and the Phi Kappa Sigmas with the Rho Delts.

# Cagers Eye Rivals In New Schedule

## Chicago Detroit Games; Play In Coliseum Featured

Although the schedule is not complete, Armour cagemen are destined to face several old rivals according to the program released by Coach Grant Stenger last week. Nine of last year's opponents will be faced again while three newcomers are listed for competition.

In the present setup there are three outstanding games. The annual meeting with the University of Chicago will be held December 16, and the Techawks will be out to avenge last year's 45 to 32 drubbing. The game with the University of Detroit, which this year will be in Detroit, will be part of the trip during which the team might play De Sales of Toledo. Last year, the Titans of the Motor City came to the armory and, led by Bob Calihan, who will be back this year, whipped the Techawks after a bitter fight, 39 to 33.

The other game that will attract attention is that scheduled for the Coliseum with Chicago Teachers College on January 20. This is part of the program to bring big time basketball to Chicago. Many outstanding teams have been scheduled for the Coliseum, among them the great outfit from the University of Oregon, and it is a feather in the Armour cap that this game has been landed.

Among the old timers returning for games this year will be Arkansas State, who bowed a year ago 38 to 32 when Bill Sherer went on a point rampage. Lake Forest also returns along with DeKalb, Elmhurst, North Central, George Williams and Detroit Tech.

At the present time, Coach Stenger is making plans for the opening of practice which will start in about a week in the armory. Whereas in previous years, practice in the big house was held up until the second week in November, this year arrangements have been made to handle the players ahead of time.

By TOM CLARK

Two weeks of play, and the touchball tournament slowly crawls towards its end. The game is deluged with forfeits, protests, and postponements, with an occasional game played through to a finish. To date the only team eliminated from the tournament is the senior civils, but this isn't remarkable, for, with a few exceptions, they are the only team that has played two games.

The Flat-foot Floogies are anything but that. Averaging about 140 pounds in their stocking feet, they're the fastest team that has invaded Ogdan Field yet. Thursday they looked plenty smooth as they whipped the junior civils, 13-6. "Hit me with a hot note. Hep! Hep!"

The freshmen teams always were handicapped in their touchball games. It's a darned nuisance to have to stop in the middle of every play and pick up your green bonnet. One practical youngster had an elastic band running under his chin.

There is nothing in the rules saying what constitutes a "tag," and so that it may go on record for all time we'd like to explain this move. In order to tag or touch a man in a touchball game all that is needed is to touch him lightly but firmly with one hand. It isn't necessary for three men of the opposing team to simultaneously slap the runner to the ground with both hands, and then polish off the job by jumping on him.

John Schommer tells the story of Clint Frank of Yale who went through four years of collegiate football without a serious injury, and then wound up on the sick-list for a week after a Sunday afternoon of playing touchball in a sandlot. The moral of this story is that without proper conditioning and any equipment, most anything can happen. So

# Swimmers Reveal Big Plans; Hopes High for Season

As if drawing a bead on the 1940 Olympics, the swimming team has already started to line up meets for the ensuing season.

Manager Roy Burman even has hopes of dumping his team into autos and hurrying out to Dubuque, Iowa to swim against the strong team of Dubuque College.

Then there will be another jaunt to Peoria for Bradley Tech, a quick snooze, and a hurried flight to Galesburg for a meet with Knox.

If the South is a little warm, Burman plans to ship the squad up to Beloit for one evening; and on the following afternoon a refreshing splash party will be had with the Lawrence boys of Appleton, Wis.

As an annual affair in the swimming circle, there is nothing better liked than the trip down to Greencastles, Ind., where the old rival, DePauw, lies in waiting.

This season George Williams will be met, instead of Wright Jr. The other city rival, Loyola, with whom several exciting meets were held last year, will also be an opponent of the Tech splashers.

North Central of Naperville will again pit its Red Birds against the Techawks. Last year the Techmen took North Central into camp both times.

This year, with Armour losing no men by graduation and with a couple of promising freshmen, the swimming team is very optimistic about the future.

With the exception of LeRoy Downing, all of last year's lettermen are back, including captain Bob Winblad, ex-captain Ray Dodge, Vic Svagdis, along with Anderson, Pettes, Slavin, and Hutchings.

Let's have a little moderation in the games. A broken arm isn't worth the momentary exhilaration one feels after executing a beautiful flying block.

# THERE'S NO POINT IN LETTING NERVES GET FRAYED!

## COCKER SPANIEL

Spanyell family dates back to 1386. Cocker is smallest of family. A very popular pure-bred dog in U. S. Standard colors range from solid blacks, reds, to shades of cream; liver red and combinations. Versatile, can be trained into retriever. Great lover of human family.

## HE'S GIVING HIS NERVES A REST

...AND SO IS HE

HAVE you noticed how a dog, in the midst of play, suddenly stops and rests? His nerve system—as complicated and high-strung as our own—has signalled that it's time to relax! Man, unfortunately, is less sensitive to the warnings of his nerves. Though nerves may need a restful pause, we are inclined to press on in our absorbing tasks—relentlessly—forgetful of mounting nerve strain. When we find ourselves tense, irritable, upset, we may not

even realize why. Don't let tension tie your nerves in a knot. Make it your pleasant rule to break nerve tension often through the day—TO LET UP—LIGHT UP A CAMEL! Feel how gratefully nerves welcome the mellow intermission that your nearby package of Camels suggests. And not only do smokers find Camel's costlier tobaccos soothing to the nerves—but milder, too—ripe-rich in flavor—completely enjoyable from every angle!

## MILLIONS OF PEOPLE WHO LIVE HAPPILY LET UP—LIGHT UP A CAMEL

EDDIE CANTOR—America's great comic personality in a riot of fun, music, and song. Each Monday evening on the Columbia Network. 7:30 p.m. E. S. T., 9:30 p.m. C. S. T., 8:30 p.m. M. S. T., 7:30 p.m. P. S. T.

FLAGSHIP PILOT, Captain Walter J. Hunter of American Airlines, speaks for his profession when he says: "Ragged nerves and flying don't mix. I head off nerve tension by giving my nerves regular rests—I let up and light up a Camel. I find Camels soothing to the nerves."

"RUSH ASSIGNMENTS, deadlines, phone calls would wreck my nerves," says New York newspaper woman Estelle Karon, "if I didn't pause frequently. I let up often—light up a Camel. Camels soothe my nerves. I work better—get more fun."

BENNY GOODMAN—King of Swing, and the world's greatest swing band—each Tuesday evening on the Columbia Network. 9:30 p.m. E. S. T., 8:30 p.m. C. S. T., 7:30 p.m. M. S. T., 6:30 p.m. P. S. T.

Smoke 6 packs of Camels and find out why they are the LARGEST-SELLING CIGARETTE IN AMERICA
