Scarlet Hawks down Carroll

Nathan McMahon
SPORTS EDITOR

The Illinois Tech women's soccer team improved to a score of 7-5 on the season after an impressive 1-0 victory over Carroll University on a rainy night. The Scarlet Hawks did not have to wait long for the winning goal coming in the 22nd minute. Veronica Torres drove in a low, hard corner that slid through a crowded box to the back post where Adrianna Maron had pulled free of her mark to slide the ball past the

keeper for her fifth goal of the year and second game winner.

The Scarlet Hawks were in control for the remainder of the game outshooting Carroll by a margin of 19-8 with many chances that were nearly converted. The Hawks have been absolutely dominant in shutting down the opposing offenses for only 12 goals in 12 games. The Scarlet Hawks look to reach a double digit win total with 5 matches remaining in a final push for earning a bid to the national championship.
