Old Man Daley's Machine Politics Proficiency Index:

DIS

DAT

DEEZ

DOZE

With the SGA Executive Board elections set for April 3, IIT students have a difficult choice for whom cast their multiple ballots. To aid in the selection process, TechNews has bridged the ethereal and supernatural worlds to bring in special political correspondent, Richard J. Daley.

Da Mayor has kindly agreed to rate candidates based on his opinions of their personalities and policies, and how he sees them fitting in as cogs in his larger Chicago Machine. Da Major will rate candidates on the DIS, DAT, DEEZ, and DOZE scale, and will provide insight into the candidates and their fitness for the position.

Mayor Daley attended the SGA debates on March 29, and has thoroughly researched the candidates' backgrounds and prior political history. Da Mayor will make his picks based upon a candidate's fitness for the position and their ability to succeed in the Chicago Machine.

When asked what his ideal can-

didate would look like, Old Man Daley said the following, "Anybody dat runs for office in da City of Chicago got to get a few tings straight. First, dey better know who da boss is, and dats me. Second, dey gotta have a good head on dere shoulders, 'cause it's gonna be a lot learning on your feet. Tird, and most importantly, dey gotta be able to communicate. I'm talkin' Saul Alinsky style, 'cause if you can't motivate your constituents, your screwed".

The following are Mayor Daley's picks, and are TechNews' officially endorsed candidates:

President:

Candidate Kelly Lohr

Daley Says: Mos def a DOZE. Lohr has been involved with SGA for a while, and you may have noticed her SGA updates in TechNews, which is always a positive in our book.

Candidate Paola Arce

Daley Says: Needs improvement, a.k.a. a DAT. Arce may have a few student-positive tricks

up her sleeves, but prior involvement and leadership skills are lacking.

Executive Vice President:

Candidate Matthew Otten

Daley says: DOZE. Otten sounds a lot like Ogden, who was the first mayor of this great and beautiful city. Plus Otten is bright, and will be an invaluable asset to his president and the rest of the student body.

Vice President of Student Life:

Candidate Rani Shah

Daley Says: DOZE. Rani knows what's going on, and has worked her way up from inside SGA. Her prior experience and ambition make her a threat to all those who stand opposed, and Da Mayor knows a thing or two about that.

Candidate Tristan Larson

Daley Says: DAT. Tristan is certainly passionate, but to this mayor it seems like his passions have been directed elsewhere. As EWB President, Tristan has cer-

tainly shown he is capable, but he does not know the inner workings of SGA like some of the other candidates.

Vice President of Academic Affairs:

Candidate Victor Obaihu

Daley Says: DIS. Victor wasn't at the debates, and the Mayor don't know what to think of him.

Candidate Soonen Ahua

Daley Says: DIS. Soonen was also absent from the debates.

Finance Board Chair:

Candidate Emmanuel Klu

Daley Says: A solid DEEZ. Emmanuel shows promise in his position, and will bring professionalism to this office. He's also unopposed, which is Da Mayor favorite way to run.

For information on the candidates, turn to pages 2 & 3 to read a quick blurb on all of the Vice Presidents up for election, and a little more information on what the prospective Presidents want to implement.
