# FRIENDS

**Anahita Daruwalla**  
TECHNEWS WRITER

When you are out of joy,

They lend a shoulder to cry.

When you are weak and cold,

They give a hand to hold.

When you betray or deceive,

Theirs is a heart to forgive.

When you are confused with questions,

Theirs is mind full of solutions.

When you are down and in debt,

They are a pillar of strength.

Once a friend, always a friend!
