Sid Camras Pitches No-Hitter At Lewis

Deprived of a perfect game only by a lapse of defense, Sidney Camras pitched a no hit ball for seven innings as the softball season opened at Lewis. His amazing accomplishment in slow-pitching softball together with the powerful bat of Jack Suriano enabled the Molecules, led by Co-Captain Jack Chakoian and Joe Minga to overwhelm Captain Morton Levin's Cougars to the tune of 43-0.

Hit Five Doubles

A barrage of 48 hits, including ten home runs, was started in the first inning with the Molecules tallying nine runs. Circuit clouts by Suriano and Kaazen led the attack and were supported by five doubles and three singles. The Cougars were held to three infield flies in their half of the inning.

The bombardment continued in the second inning with eight more runs paced by Suriano's second home run and a triple by Hank Pachowic.

Thirteen in Fifth

The big round for the Molecules was in the fifth in which thirteen runs were scored and seventeen batters faced the Cougar twirler.

Employees Eliminated In Armour Games

Tuesday, March 15, four more teams battled for the intramural baseball crown. Ed Koziol pitched the Junior Chemicals to a 20 to 4 victory, allowing only two hits for his victims the Sophomore Fire Protects. The game was crowded with errors, both teams making a total of seventeen. The outstanding player of the day as James Ray, the Chems second baseman,

who led his team with his consistent hitting.

The second game paired the Greencaps and the Employees. The Employees, depending upon the lost power of second baseman, Sonny Weissman, lost to the count of 12 to 2. It seems that Sonny couldn't get his "home-run" eye much to the disappointment of the spectators.

Wednesday's games were all rained out and will be played this week. The schedule for the coming week is very heavy, but elimination of a team earlier in the week automatically cancels a game.

May 23 Mohicans-Engineers	

MOLECULES POST SECOND TRIUMPH

Despite an injury to their star twirler, Sid Camras, who was well on his way to his second no hit game, the Molecules continued their winning ways by defeating the Eradicators 5-2 last Thursday. Camras was injured in the third inning, catching a line drive, and badly sprained a few fingers. Jack Chakoian finished the game, allowing only three hits, and two unearned runs.

Although Boy Meyer, Eradicator pitcher, subdued the Molecule power hitters throughout most of the game, he was unable to prevent the usual fifth inning spree in which four runs were scored.

The Eradicators scored their runs on two hits and two errors in the fourth inning. Their remaining hit which came in the sixth inning was unproductive.

SOPHOMORE MECHS WHIP STARDUSTERS

Last Thursday due to the rainy weather only one game was played. But, this game was a bang up battle between the Soph Mechs and the Freshmen Stardusters, with the Mechs winning in extra innings 8 to 6.

At the very start, it seemed as though the Mechs would make a run away as pitcher Jack Byrne, the first man up, hit a long fly that Ivo Buddeke let sail over his head for a home run. This helped the Mechs get off to an early lead which they held until the fifth.

In the fifth the Stardusters bounced back with 3 runs to tie the game. In the first of the eighth, Midge Goluska led off with a hit. Then the freshmen blew up and on two costly errors Goluska and another Mech scored to win the game.

LAST WEEK'S SCORES Armour College

MONDAY
3B Co-ops, 9; Sr. FPE, 8
2B Co-ops, 13; 5B Co-ops, 4
TUESDAY
Greencaps, 12; Employees, 2
Jr. Chems, 20; Soph FPE, 4
THURSDAY

DAD ought to know. Look at the wall behind him—his personal military history. Photo of the troop. Dad by himself, very proud in his old-style choker-collar blouse. And his decorations—the Order of the Purple Heart, Victory Medal, Croix de Guerre with palm.

"You savvy quick, soldier," he says to his son as that chip off the old block in the new uniform proffers Camels. "These were practically 'regulation' cigarettes with the army men I knew. Lots of other things have changed, but not a soldier's 'smokin's.'"

Right! Today, and for more than 20 years, reports from Army Post Exchanges show that Camels are the favorite. And in Navy canteens, too, Camels are preferred.

Just seems that Camels click with more people than any other cigarette—whether they're wearing O.D., blues, or civvies. You'll savvy, too—and quick—with your first puff of a slower-burning Camel with its extra mildness, extra coolness, and extra flavor, why it's the "front-line" cigarette!

The Smoke of Slower-Burning Camels gives you EXTRA MILDNESS, EXTRA COOLNESS, EXTRA FLAVOR and

28% Less Nicotine

than the average of the 4 other largest-selling cigarettes tested—less than any of them—according to independent scientific tests of the smoke itself

What cigarette are you smoking now? The odds are that it's one of those included in the famous "nicotine-in-the-smoke" laboratory test. Camels, and four other largest-selling brands, were analyzed and compared...

over and over again... for nicotine content in the smoke itself! And when all is said and done, the thing that interests you in a cigarette is the smoke. YES, SIR, THE SMOKE'S THE THING! SMOKE CAMELS!

R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina

BUY CAMELS BY THE CARTON — FOR CONVENIENCE, FOR ECONOMY

BY BURNING 25% SLOWER than the average of the 4 other largest-selling brands tested — slower than any of them — Camels also give you a smoking plus equal, on the average, to
