

For an Odd and Ender try the **Ice follies** of 1943 at the Arena. Said to be the best presentation of the Ice Follies yet. Casting the **Sport light** into the What's Cooking Kettle we see **Northwestern's "Wildcats"** topping over the mighty **"Buckeyes"** of Ohio State, while **Notre Dame** will put another stop on **Illinois**. Why not take in the N.U. game up at Dyche Stadium Saturday?
