## Techawk Five Downed Twice Lose Final Game of Season to Lawrence

The Techawk Quintet dropped its final game of the season to Lawrence last Saturday at Valentine's Gym, 70-59. The Gagers were ahead 35-32 at the half but a last quarter rally by Lawrence downed the IIT five.

Carl Bergstrom was high scorer of the game with 25 points. Dick Miller led the visitors with 22 points. Earlier in the season Lawrence handed Tech a 63-40 defeat.

**Loss to ACPE**, 69-56

Last Tuesday the Gagers lost to American College of Physical Education 69-56 at Valentine's Gym. Carl Bergstrom was high man for Tech with 18 points. ACPE was led by Mario Dermody with 16 points.

The lead see-sawed back and forth during the first half with Tech ending up behind 39-37. In the last four minutes ACPE scored 9 points to clinch the game.

This leaves the Techawks with a season record of 4 wins and 14 losses.

## Sports Personalities of The Week

### Bill Maier

One of the reasons for IIT's successful swimming season this year is Bill Maier, backstroke artist, captain of the 1947 swimming team.

Bill got his start in aquatics at Tilden Tech where he captained their team, won four letters, and one letter in gymnastics.

After a year in Wilson Junior College he entered Illinois Tech in the fall of 1941. At IIT he's won four letters in swimming, and the second place key for intramural golf.

Came the war Bill took flying training, became a pilot for Air Transport Command in the European Theater, was discharged a First Lieutenant.

As for activities Maier lists A.S.M.E., secretary treasurer of Honor "I", and senior adviser, besides his intramural sports.

He's one of the many students not satisfied with the present probation policy at IIT, would appreciate a less stringent system. Another cross to bear is persons who claim there is no difference between a Mercury and a Ford.

Now in his sixth semester as a Mechanical, Bill is looking forward to work in Engineering Management after graduation in 1948, and has his eye on an additional degree in Industrial Engineering.

### Elect Adler Head of PLU

Phi Lambda Upsilon, honorary chemical engineering fraternity, elected Charles Alder as president to succeed Jim Oldshus, last Friday.

Other officers elected were: Vice president, Hillard Jendryszenski; treasurer, Louis Joseph; and secretary, Frank Levy. Plans were made for the awarding of a prize to the outstanding sophomore in chemistry and chemical engineering.
