

Arents aide to dean of engineering

Chester A. Arents has been appointed assistant dean of engineering at Illinois Tech, it was announced last week by Dr. John T. Rettaliata, dean of engineering.

Arents has been associate professor of mechanical engineering. He joined the staff in 1947, after serving a year as associate professor at Montana State college.

Last Wednesday, Arents was initiated as an honorary member into Delta Lambda Xi fraternity, for which he will serve as faculty advisor.
