Applications taken for Jr. Week posts

Junior Week entered the picture this week as the ITSA board of Control appointed a three-man screening committee to accept and classify applications for Junior Week and Open House chairmanships. Picked for the screening committee are Sherman Roberts, Don Lynch and Norm Katz.

Applications for the three top Junior Week posts will be accepted by the committee until November 31. The applicants, who must be a junior at the time of Junior Week, should give address, telephone number, major department, list of activities to date, and any special reasons for seeking the position, Sherman Roberts, junior class president, advised.

As set up, the ITSA board of Control will appoint the men who plan and direct the big Junior Week show, after conducting interviews with each of the candidates. Interviews will be held December 7, with appointment prob-

ably taking place the same night.

"Past experience shows that it is essential for the Junior Week offices to be filled months in advance in order to give the chairmen time to make appointments and lay plans," Roberts stated. Positions on the business or publicity staffs, department exhibit heads, and activity chairmen will be appointed shortly after the major chairmen are named.

The Junior Week-Open House chairman acts as coordinator of all phases of the spring holiday and resolves programing difficulties arising between Open House and Junior Week activities. Open House and Junior Week chairmen direct department exhibits and student programs respectively. Jack Davoust Junior Week-Open House chairman, Lee Jacobson and Bill Comis formed the top policy personnel for last year's successful Junior Week activities.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

FOR A WHILE, Sheedy's life story was a pretty sad tale. People rode him about his wild, unruly hair. And it wasn't until his favorite filly gave him the gait that he decided to do something about it. He trotted down to the corner drug store and bought a bottle of Wildroot Cream-Oil hair tonic. You should see him now! Non-alcoholic Wildroot containing Lanolin keeps his hair neat and well-groomed all day long. No more annoying dryness, no more loose, ugly dandruff.

Take a tip from Sheedy. If your sugar balks when you ask for a date, you need Wildroot Cream-Oil right away. Get it in bottles or tubes at your local drug or toilet goods counter. And ask your barber for professional applications. You'll be a winner every time!

This annual sophomore extravaganza affords a pleasant way to start off the Thanksgiving holiday. The soft lights in the Casino Room of the Congress Hotel set the stage for an enchanting evening of romance.

Eddie Mason will cast the spell with his renditions of the year's hit dance melodies, while intermission time will feature Bob Boss and his magic harmonica.
