HIGHLIGHTS OF THE WEEK.....The top defensive game in many years took place Sunday, as Triangle nosed out the Phi Kaps, 1-0. This was certainly a welcome contrast to the basketball and football totals rolled up by many of the offensive-minded squads this year.

Theta Xi had a harrowing experience when they outlasted Sigma Alpha Mu, 18-16. The former enjoyed an 11 run lead with two outs in the last inning, when the losers blasted nine runs and had the tying run at bat before they finally succumbed.

The Delts and Teps went into their final game with identical records of 3-1. Delta Tau Delta emerged victorious in this all important game by a 14-10 score.

Topping off a year of sports, we find that the Alpha Sigs must cer-

• HOROSCOPE

The Tigers are the most improved ball club in the American League. They have the best pitching staff in the league and an outfield second to none. They have plugged up the right side of their infield and look tough to beat.

Don writes: Brooklyn has a fine array of veterans and rookies. They have depth and the best infield in their league, if not the majors.

The Red Sox will cop the pennant thanks to the hitting of Williams, Stephens, DiMaggio and Goodman, the pitching of Parnell and the
