*Refers to members of the class whose names begin with the letters indicated.

The following policies are in effect with regard to conflicts in an individual student's examination schedule:

1. Internal Departmental Conflicts—The department will resolve the conflict.
2. Cross Departmental Conflicts—The student's major department examination takes precedence.
3. Cross Departmental Conflicts in Service Departments—Lower numbered course takes precedence.
4. Cross Departmental Conflicts in Service Departments with both Courses of the Same Number—Department that is first in alphabetical order takes precedence.

In all cases it is the responsibility of the student with the conflict to report to his instructors who will resolve the conflict.
