DRAWING PENCILS

Turn in consistently neat, accurate drawings with Venus Drawing Pencils. They hold their points and give you opaque lines for sharp, clear reproduction.

SMOOTH The lines are uniform in weight and tone because the clay and graphite in Venus Drawing Pencils are blended evenly in the Colloid® process.

STRONG Venus Drawing Pencils are Pressure-Proofed® which means that the lead is bonded to the wood. Adds extra strength to needle-sharp points.

ACCURATE Your work is easier with Venus Drawing Pencils. Scientifically tested at each step of manufacture and uniformly graded in all 17 degrees.

For better results, use Venus Drawing Pencils with the green crackle finish. Buy them at your College Store.

Rebel Grill
University, Mississippi
(Oxford)

The Rebel Grill is one of the favorite on-the-campus haunts of students at the University of Mississippi. That's because the Rebel Grill is a friendly place, always full of the busy atmosphere of college life. There is always plenty of ice-cold Coca-Cola, too. For here, as in college gathering spots everywhere—Coke belongs.

HIDDEN IN THE SCUFFLE, a basketball eludes cagers in this photo of a Tech-Milwaukee Teachers bucket brawl. Can you find it?

Hurry, hurry, do not tarry
send your ball to Unkle Larry

Sky scanners! Turn your eyes earthward. Join the Technology News sport staff in their hunt for the elusive three-dimensional saucer. All types of remarkable prizes are being offered, among them being a cyclotron, a second-hand model Wangersheim and a sub-lease to one of the dungeons in Chapin hole.

The contest rules are so simple that any fool can understand them. First, observe the above picture. Can you locate the hidden ball? If so, tear off the head of your nearest grocer, and deposit together with your entry in the Technology News mail slot, South Stewed union.

Each application must include the following: A set of

EE 405 lab reports or their equivalent (must be A's). A little black book (complete with phone numbers), and one bottle of Old Granddad. Oh, Yes! Also inclosed must be the above picture with position of ball designated by an "X." This "X" must be written in disappearing ink, or your entry will be disqualified.

Contest is open to all who have not yet reached the age of reason (any baby can win). Don't delay. Contest closes the second Tuesday of next week.
