

The Chorus

Each year since the founding of the school, Lewis Institute has had a chorus, but never until this year has it been of considerable importance in the school. Last October Mr. Tenney became director of the chorus, and under his leadership it has become a large organization. The chorus includes the Boys' Glee Club and the Girls' Glee Club and about twenty additional students. Great praise is due Mr. Tenney for his untiring work for the chorus.

Beside the members of the glee clubs the following are members of the chorus:
