## A CASUAL OBSERVATION.

Henning, Henning,  
Why are you always a-running  
Up and down the halls a-dunning—  
Nailing, nailing,  
Every one that you can find,  
While you get off the same old grind?

Henning, Henning,  
If others would do some running,  
And up and down halls go dunning,  
Nailing, nailing,  
We'd have an annual every day  
Instead of once a cycle of Cathay.
