area between State Street and Michigan Boulevard, from 31st to 35th Streets:

- 12 4-story Dormitories for students
- 3 10-story Elevator Apartment Buildings for staff and married students
- 3 3-story Walk-ups for staff and married students
- 24 Row Houses for staff
 - 1 Commons Building with dining facilities for students and staff
 - 1 Community Building with shopping, clubhouse, and recreational facilities

Immediate plans call for completion of \$500,000 of construction to house student veterans. Work has already begun on two dormitories, illustrated on the opposite page. The entire \$7,500,000 housing project is a self-liquidating investment, with \$1,500,000 needed to obtain financing for the over-all program.

In beginning construction now, Illinois Tech has become not only a leader in permanent school housing, but also in the slum clearance and re-building program being undertaken by the City of Chicago and State of Illinois.

Total Cost of Housing Program: \$7,500,000

Equity Financing Needed Now: \$1,500,000
