REGISTER NOW CLASSES START APRIL 15th

LAYOUT AND TYPOGRAPHY

Instructors: Ray Abraham, art director and Morton Goldsholl, designer

Wednesday 8:00-10:00 P.M.

Class Fee, \$8; Laboratory, \$2

A practical course for the designing of leaflets, posters, bulletins, booklets, etc. Of special value to Unions and organizations depending upon efficient publicity.

BASIC DESIGN WORKSHOP

Instructors: Edward Bartolucci and Jack Waldheim, industrial designers

Thursday 8:00-10:00 P.M.

Class Fee, \$8; Laboratory, \$2

An introduction to modern design through the use of hand tools on wood, plastics, metal and other materials. Emphasis on giving the layman a consciousness of his own creative powers and an understanding of the nature and possible uses of materials.

HOME PLANNING

Instructors: Marie Haatanen, interior designer and Mary Henry, designer

Monday 6:30-8:00 P.M.

Class Fee, \$8; Laboratory, \$2

Ten illustrated lectures and practical application sessions on planning for the full use and enjoyment of the home

Clip and mail this coupon 

environment. Layout arrangement for living, analysis and study of materials, color, equipment, furniture, interiors and house design.

PHOTOGRAPHY

Instructors: Frank Sokolik, James Brown, Yuichi Idaka, Sam Silverstein,
photographers

Friday 7:00-9:00 P.M.

Class Fee, \$8; Laboratory, \$2

Direction and guidance for the student in the use of his camera, as a medium of graphic expression of experience in the world about him. A practical course based on problems of relating light and light-sensitive materials to the limitations and possibilities of the camera.
