Mr. Frank Y. Low,

Armour Institute of Technology.

My Dear Sir,--

I have great pleasure in saying to the young men and women that the only way to profound happiness is by being of service to others. I feel that every young life at Armour Institute of Technology gives me the great opportunity for which I have worked all my life, to get into partnership with it and to rejoice in its success.

Armour Institute is the best investment I have. It pays a large per cent day and night, and it will pay forever.

Very truly yours,

Philip D. Armour.
