THIS is the fourth year that the Delta Debating Society has been in existence. During this time it has furnished the debaters who have represented Armour Academy in the Inter-Academic Debating League contests. The other members of the league are the Northwestern and Morgan Park Academies and the University High School.

The trials for the debating team were held in Science Hall on November 6, last. About fifteen entered and after the arguments of all had been presented Mr. Benjamin, Mr. Reisenfelt, and Mr. Manheimer, with Mr. Fitch as alternate were chosen by Dean Monin, Professor Tisdell and Prof. Scherger, the judges. Later, Mr. Fitch took Mr. Reisenfelt's place as the latter was forced to leave the team on account of trouble with his eyes. Preparation was at once begun for the first debate, which was to be with the University High School on January 8. The team worked very hard for nearly two months, and gave up their Christmas
