

The Freshman Informal

TO the Freshmen belongs the honor of having the largest attendance of any of the class dances given this year. Over one hundred couple danced to Green's fine music at Rosalie hall on the 29th of January, and even the weather favored the committee in making the affair a great success. Very few left before the full complement of dances was completed, and in this way you can see that every one just felt like having a good time. And one of the wonderful features of the dance was the fact that it was self-supporting, and the class treasurer was not called upon. If the success of this dance is in any way a criterion of what the Freshmen are bringing to the school, it means that the social future of Armour is a happy one.

The committee in charge of the dance consisted of the following:

B. B. BUCHANAN, *Chairman.*

W. A. HEBARD.

C. B. CHAPMAN.
