STRIKE OUT, YOUNG MEN!

STRIKE out for the Great Southwest! It's the most kindly country for a young fellow, with or without means, to be found anywhere under the sun.

Your hands will earn you more money and your money will earn you greater wealth in this LAND OF BIG THINGS than where a job *has to be hunted* where "the street" is over-crowded and competition keen.

Strike out along Rock Island-Frisco Lines in Oklahoma, Indian Territory, Texas or any other Southwestern State—*THERE'S* where they are achieving *SUCCESS TO-DAY*.

Study it over and write me about yourself. Tell me what section interests you and what work you wish to engage in. I want to see you located properly and *will help you accomplish it*.

Write *TO-DAY*—the Southwest is the land of *NOW*.
