

The '08 Radics have followed their custom of the preceding two years and have spent several enjoyable evenings. They have been entertained at Frary's, Packer's, and Monahan's, and the theatre party to the "Blue Moon" was very interesting to all concerned.

The new members are Latta, Holmboe, Guerin, Wickerham, and Bliss. All the members have that good Radic spirit, and are always present at all Radic functions. Many stunts are planned for the coming year, and in general, successful times for the Radics are expected.
