Waterman's Ideal Fountain Pen

is

Always Ready

It is no longer a fad to own a fountain pen. To carry a writing instrument with the superior qualities of

Waterman's Ideal

has come to be as much of a necessity as is the telephone in business.

It can be carried with you everywhere and will always serve its purpose perfectly. Its simplicity of construction and its absolute reliability have made it universally popular—in a word it is the greatest comfort and simplifier of the strenuous life known to man.

The patented SPOON-FEED regulates perfectly the flow of ink to the point of the pen, and the clever CLIP-CAP insures against all possibility of loss.

For sale by the best dealers everywhere.
