GREAT BARGAIN OFFER

Owing to overstocked shelves and the financial panic, we are compelled to dispose of the following works of great authors at special bargain prices, which will only be made known to those who will show their athletic tickets at the the door. If you have thrown away your ticket as of no earthly value, YOU ARE STUNG.

COME AT ONCE—THESE WILL NOT LAST LONG

THE MECHANICAL EFFICIENCY OF SKY HOOKS FOR LINE SHAFTING, by Horatic Gol Dekker, *the eminent Dutch Draftsman and South Chicago Affinity Expert.*

THE ART OF SOFT SOAPING YOUR PROFESSORS, by Jessie I. Menkin, *Instructor in B-S-ing, A. I. T.*

HOW TO REDUCE YOUR FLESH, by G. G. Parry, *Professor of General Knowledge, A. I. T.*

PRACTICAL GAS ENGINEERING, by Prof. Slip Stick Zanzig.

A TREATISE ON MOLASSES BEAMS, by Joshua Strong, *the Ex-U. of C. Mathematician.*

MODESTY AND THE SCIENCE OF BASHFULNESS, by A. G. Hall, *the most bashful man in captivity.*
