The aim of this association is to bring the graduates of Armour Institute of Technology into close touch with each other and to promote the welfare of the institute in any way within its power. An alumni association may render great assistance to the officials of the institute, not only in advising as to what studies should or should not be included in the curriculum, but also in assisting younger graduates to positions.

The Alumni Association is composed of three classes, active members, or those who are graduates of the technical college; associate members, or those who have completed at least two years' work in the technical college, and honorary members, or those to whom the association sees fit to extend honorary membership. There is a branch organization in Pittsburg.

The 1908 roster shows an active membership of 445, associate membership 69, and honorary membership of 7. The spring banquet and business meeting of the association was held in the dining-room of the Grand Pacific Hotel on Monday evening, January 1, 1908. The banquet was well attended. The members of the class of 1908 were admitted to membership at this time. B. J. Arnold was voted an honorary member at this meeting.

The midwinter banquet and business meeting was held in the main dining room of the Illinois Athletic Club, Wednesday evening, December 23, 1908, and was very well attended.
