

The hardest schedule in Armour Track history was arranged, but the team did nobly, and won the Minor Collegiate Championship of Illinois by defeating both Knox and Monmouth on Decoration Day. Armour won two dual and one triangular meets, was second in one triangular, and third in another.

In the Michigan Agricultural College, Wabash, and Armour meet, McKarahan beat Blair of Wabash in the 100 Yard Dash in the time of ten seconds, breaking the Ogden Field track record.

Captain McKarahan was the biggest point winner, with 7 firsts, 7 seconds, and 3 thirds—making a total of 59 points. O. L. Richards made $34\frac{1}{2}$ points, Cheney $24\frac{1}{2}$, Bristol 22, and Fitch 20. Bristol and Powell were seriously injured, but gamely remained with the team.

None of the men graduate this year, and a splendid team should be produced from the old men and many promising Freshmen.
