"Power Plant Note."

Inspect your furnace and chimney often. If you notice that the smoke pipe is too close to a frame partition and is slowly charring the boards, send your best furniture to a storage-house and take out plenty of fire insurance.

Coffeen to class: "Who has read the lesson since the last time?"

Malekow: (in Chemistry) "Is HCl poisonous?"

Prof. Freud: "No. If it was I would feed you a quart of it."

Hatman in Law of Contracts: "No class to-day, fellows. We haven't got a quorum."

GETTING IN TO
WORK ON A HOLIDAY.

Why are successful men always bald?
Because they come out on top.

"Never howl till you are hit."
