MEKANIKA DRAVIN	KATHEEDRAL

First Calc Student: "By the pricking of my thumbs."
 Second Calc Student: "Something wicked this way comes."
 Prof. Campbell heard them and gently stole down the hall.

An Armour Math Song

Math when we were Freshmen,
 Math when we were Sophs,
 Math when we were Juniors,
 And then the damn stuff stops.
 We go to Doc's classes for three long years,
 And then we think we're Engineers.

The 'Grafting' Room
