To Settle a Question

That seems to be troubling some people hereabouts, we beg to inform all who it may concern that the letters S. S. which have been so artistically embossed on our suitcase do NOT stand for "Sunday School." Nor are they symbolic of the words "South Side." Among the other things that they do not stand for are the following:

Soft Soap
Some Supe
Steam Ship
Sad Sid

Silly Solly
Seventh Sense
Sooth Sayer
Etcetera ad infinitum

We hope that this will stop once and for all, the ridiculous remarks that have been directed at the initials of your humble servant.

Prof. Wilcox (explaining mercury pump)—First you pour the mercury into this funnel.
